Maritime Boundary Disputes, Settlement Processes, and the Law of the Sea Seoung Yong Hong,Jon M. Van Dyke,2009 A surprising number of maritime boundaries remain unresolved and a range of reasons can be cited to explain why the process of delimiting these boundaries has been so slow This volume addresses and analyzes some of these reasons focusing on some of the volatile disputes in Northeast Asia and in North America Scholars from Asia the United States and Europe grapple with festering controversies and apply insights gained from resolved disputes to those that remain unresolved Islands continue to haunt this process and the way in which they should affect maritime boundaries remains in dispute The United States has a number of disputed boundaries with its neighbors to the north and south and these are examined Antarctica is a concern of all nations and the regimes governing the Southern Ocean surrounding Antarctica are analyzed The International Tribunal for the Law of the Sea was created to allow countries to resolve their disputes peacefully and two chapters look at how this new court is operating The impact of sea level rise on maritime boundaries is given special attention in the opening chapter This volume presents a wonderful collection of provocative chapters written by the top scholars in the field of International Ocean Law It should help scholars students and decision makers to understand the current state of this field and to move some of the difficult disputes toward resolution Evidence, Proof, and Fact-Finding in WTO Dispute Settlement Michelle T. Grando,2009-12-24 This book examines how a World Trade Organization WTO dispute settlement panel formulates its conclusions with respect to the facts of a dispute brought before it It does so by discussing the legal concepts which shape the process of fact finding analysing the approach taken by panels thus far and offering suggestions for improvement

The 1951 Convention Relating to the Status of Refugees and its 1967 Protocol ,2024-01-10 The Convention Relating to the Status of Refugees adopted on 28 July 1951 in Geneva continues to provide the most comprehensive codification of the rights of refugees yet attempted Consolidating previous international instruments relating to refugees the 1951 Convention with its 1967 Protocol marks a cornerstone in the development of international refugee law At present there are 149 States Parties to one or both of these instruments expressing a worldwide consensus on the definition of the term refugee and the fundamental rights to be granted to refugees These facts demonstrate and underline the extraordinary significance of these instruments as the indispensable legal basis of international refugee law This Commentary provides for a systematic and comprehensive analysis of the 1951 Convention and the 1967 Protocol on an article by article basis

exposing the interrelationship between the different articles and discussing the latest developments in international refugee law. In addition, several thematic contributions analyse questions of international refugee law which are of general significance such as regional developments, the interrelationship between refugee law and general human rights law as well as the relationship between refugee law and the law of the sea.

Reference Sources in History Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated, the most comprehensive guide to reference books in the field of history.
