

Special Reports¹

(Supersedes Statement on Auditing Standards No. 1, section 620.)

I. This Statement applies to auditors' reports issued in connection with—

- a. Financial statements that are prepared in accordance with a comprehensive basis of accounting other than generally accepted accounting principles (paragraphs 2-8).
- b. Specified elements, accounts, or items of a financial statement (paragraphs 9-17).
- c. Compliance with aspects of contractual agreements or regulatory requirements related to audited financial statements (paragraphs 18-19).

¹This Statement amends the second sentence of section 410.02 of SAS No. 1 by the addition of the following footnote:

When an auditor reports on financial statements prepared in accordance with a comprehensive basis of accounting other than generally accepted accounting principles, the first standard of reporting is satisfied by disclosing in the auditor's report that the statements are not intended to conform with generally accepted accounting principles and by expressing an opinion (or disclaiming an opinion) on whether the financial statements are presented in conformity with the comprehensive basis of accounting used (see SAS No. 14, "Special Reports," paragraphs 2 through 8).

This Statement also amends section 518.03 of SAS No. 1, to read as follows:

Negative assurances also are permissible in special reports relating to (a) the results of applying agreed-upon procedures to one or more specified elements, accounts, or items of a financial statement and (b) compliance with aspects of contractual agreements or regulatory requirements related to audited financial statements. (See SAS No. 14, "Special Reports," paragraphs 15 through 19.)
