Representation Integration And Political Parties In Canada

Alain-G Gagnon, Brian Tanguay

Representation Integration And Political Parties In Canada:

Representation, Integration, and Political Parties in Canada Herman Bakvis, Canada. Royal Commission on Electoral Reform and Party Financing, 1991 This document provides a comparative study of parties as national institutions It discusses parties as institutions of national governance links between federal and provincial parties and party systems parties and regional representation Canada in comparative perspective concerning party competition and electoral volatility the personal vote in Canada inexperienced Ministers from 1949 1990 and the consequences of electoral volatility new politics the Charter and political participation and incentives created by the institutions of representative democracy It provides figures in support of the above topics

Women and Political Representation in Canada Caroline Andrew, Manon Tremblay, 1998 This collection of essays explores the often antagonistic relationship between women and political life in Canada While women make up little over half of the total population in Canada they are in many ways conspicuous by their absence from the Canadian political scene Published in English

Parties, Candidates, and Constituency Campaigns in Canadian Elections Anthony Sayers, 2011-11-01 Political scientists have traditionally examined the democratic process at the macro level With its unique micro level focus Parties Candidates and Constituency Campaigns in Canadian Elections provides the first systematic analysis of the local constituency campaigns that are the basis of elections and democracy in Canada By taking a detailed look at campaigns in seven B C ridings during the 1988 free trade election the last under the old three party system Anthony Sayers develops a typology of candidates and campaigns The dynamics of local associations nominations and campaigns including those of former prime minister Kim Campbell and New Democrat Svend Robinson as well as key strategic events and the role of the media are reconstructed from interviews with candidates campaign managers party strategists volunteers and journalists The 1993 and 1997 elections are then invoked to show that the insights drawn about the nature of constituency politics remain relevant to the new party system This important contribution to the study of Canadian elections forcefully argues that knowledge of the dynamics at the local level is essential to a full understanding of Canadian polity its underlying social basis and the factors that determine successful election campaigns As such Parties Candidates and Constituency Campaigns in Canadian Elections will intrigue not only political scientists and students of Canadian politics but also election candidates and party strategists

The Political Party in Canada William P. Cross, Scott Pruyers, Rob Currie-Wood, 2022-11-01 Political parties exist at the centre of democratic politics but where does power lie within them and how is it exercised The Political Party in Canada explores the inner workings of these complex organizations through an examination of the composition and roles of key party actors members and activists candidates local associations donors central officials and members of Parliament as well as the interactions between them Contemporary parties play a key role in recruiting and selecting candidates and leaders waging election campaigns and organizing legislatures Drawing on a rich trove of data from the 2015 and 2019 federal elections this book offers a comprehensive examination of the composition

functions activities and power sharing relationships that characterize Canadian parties The authors focus not only on which groups are included in decision making but also on what power and authority rest with each level of the parties respective structures Basing its astute investigation on the themes of complexity representation and personalization The Political Party in Canada provides important insights into a fundamental institution that makes modern democracy possible Rebuilding Canadian Party Politics R. Kenneth Carty, William Cross, Lisa Young, 2007-11-01 Canadian party politics collapsed in the early 1990s This book is about that collapse about the end of a party system with a unique pattern of party organization and competition that had governed Canada's national politics for several decades and about the ongoing struggle to build its successor Rebuilding Canadian Party Politics discusses the breakdown of the old party system the emergence of the Reform Party and the Bloc Qu b cois and the fate of the Conservative and New Democratic Parties It focuses on the internal workings of parties in this new era examining the role of professionals new technologies and local activists To understand the ambiguities of our current party system the authors attended local and national party meetings nomination and leadership meetings and campaign kick off rallies They visited local campaign offices to observe the parties grassroots operations and conducted interviews with senior party officials pollsters media and advertising specialists and leader tour directors Written in a lively and accessible style this book will interest students of party politics and Canadian political history as well as general readers eager to make sense of the changes reshaping national politics today **Canadian Parties in Transition, Third Edition** Alain G. Gagnon, Brian Tanguay, 2007-05-01 Alain G Gagnon and A Brian Tanguay continue the work of earlier editions of Canadian Parties in Transition by presenting a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy with chapters written by an outstanding team of political scientists Innovative features of the third edition include an examination of party alignments and the mobilization of interests a discussion of democratic participation and a critical exploration of direct democracy through referendums and other mechanisms The comparative literature on party politics is brought in systematically to provide a better account of Canadian party politics The greater part of this volume consists of entirely new chapters others have been completely revised and updated An appendix that provides Canadian federal election results from 1925 to 2006 rounds out the book **Comparative Issues in Party and Election Finance** F. Leslie Seidle, 1991-01-01 This book is one of 23 volumes of research commissioned by the Royal Commission on Electoral Reform and Party Financing and one of five volumes within this series dealing specifically with party and election finance Because the issue of money in elections is as old as democracy the experience of other countries is instructive The studies in this volume offer Canadians information about approaches to funding political parties and elections in the United States and Western Europe The studies by Herbert Alexander and Robert Mutch examine how the United States has approached issues such as contribution limits and the disclosure of election finances The latter study provides explicit comparisons to Canada noting the constitutional role of the Supreme Court in each country Jane Jenson draws on

Western European experience to propose and assess reforms for the public funding for party foundations is documented by Michael Pinto Duschinsky. The studies approach them from a historical perspective noting the uniqueness of the constitutions, institutions and traditions of the countries reviewed. The authors provide background essential to any consideration of whether foreign experience might serve as a model for Canada. *In Pursuit of the Public Good* Allan J. MacEachen, 1997. An introduction and afterthought bracket seven essays from a July 1996 conference at St Francis Xavier University. They focus on the current retreat of the Canadian government to explore such issues as whether more or less government is needed, whether the retreat is serving the public good and whether political parties can provide effective national government. They offer proposals for economic and social policies and for parties and institutions. No index. Canadian card order number C97 900379 2. Annotation copyrighted by Book News Inc. Portland, OR. **Towards a Federal Europe** Alexander H. Trechsel, 2013-09-13. An excellent new analysis of federalism and the EU that investigates their mutual impact. It shows how scholars of comparative politics increasingly include the EU among their cases when investigating the impact of federalism on key issues such as policy making. The last decade saw a new wave of scholarly publications hit the shores as research on federalism and on the EU came together. These emerging strands of research genuinely enrich our understanding of the EU and its politics. Despite this recent wave, the topic of federalism and the EU is still extremely fruitful. This volume contributes to the continuing debate at a moment in time when the EU is undergoing profound changes. It is structured around four interrelated dimensions: the constitutional, the theoretical, the institutional, the vision, the party, the citizens, the policy dimension. This structure allows the reader to consecutively funnel down from the more theoretical and abstract levels to the more concrete policy oriented level. Canadian Parties in Transition, Fifth Edition Alain-G. Gagnon, Brian Tanguay, 2024-10-01. The fifth edition of *Canadian Parties in Transition* continues and enriches the work of earlier editions in bringing together a highly respected group of scholars to offer a comprehensive account of the development of party politics in Canada. The book addresses the origin and the evolution of the Canadian party system and discusses how that system has been impacted by regionalism, brokerage politics and political marketing. It focuses on the competing ideological currents that occupy the political stage while also paying attention to the role of third parties in federal politics. Contributors address the representation and democracy through an exploration of voting systems, direct democracy, the role occupied by constituencies, gender politics and the distinct Quebec dynamics in the federal party system. Finally, the book analyses topical issues such as electoral participation, social movements, right wing populist parties, political campaigning and digital party politics. This new edition has been thoroughly revised and updated to reflect ongoing transformations and includes nineteen new contributing authors and coverage of seven new topics. *Canadian Parties in Transition* presents a multi-faceted image of party dynamics, electoral behaviour, political marketing and representative democracy. **Equity & Community** Institute for Research on Public Policy, 1993. This book. The Author addresses the

following issues how and to what effect judicial action has changed since the adoption of the charter both at the national level and in Quebec how judges seek to reconcile particular groups claims with the sense of community integral to a free and democratic society the implications of these and other developments for interest group advocacy particular within parliament and means of strengthening the voice of under represented groups within elected institutions

Passages to Power Pippa Norris, 1997-10-09 Recruitment to legislative office is one of the core functions of political systems yet we know little about how the process varies from one country to another *Passages to Power* provides a comparative account of legislative recruitment which applies a common analytical framework and new survey data to nineteen advanced democracies Legislative recruitment refers to the critical step as people move from lower levels of politics into parliamentary careers Who succeeds in becoming a politician Who fails And why Based on original research which adopts a new institutionalist perspective this 1997 book compares these issues in a wide range of countries This important study brings together an outstanding group of international scholars to look at recruitment around the world The countries examined in depth include Australia Canada Finland Germany Japan the Netherlands New Zealand the United Kingdom and the United States along with a comparison of all member states in the European Union

On Parties, Party Systems and Democracy Peter Mair, 2014-09-01 This collection brings together some of the most significant and influential work by leading comparativist Peter Mair 1951-2011 The selection ranges from considerations on the relevance of concept formation to the study of party systems and party organisations and from reflections on the democratic legitimacy of the European Union to the future of party democracy Including frequently cited papers alongside lesser known work the writings collected in this volume attest to the broad scope and depth of Mair's insights into comparative party politics and the changing realities of party government As such they form an important and enduring contribution to the study of politics and a fitting tribute to an inspirational and much missed figure in the global political science community Edited and introduced by Ingrid van Biezen with an intellectual portrait of Peter Mair by Stefano Bartolini and Hans Daalder

Political Parties, Representation, and Electoral Democracy in Canada William Paul Cross, 2002 In *Political Parties Representation and Electoral Democracy in Canada* eighteen leading political scientists address a wide range of questions concerning political representation in Canada today from the pressures for reform generated by voters discontent to the problems that can arise when demands for a more democratic political processes appear to conflict with a long tradition of brokerage politics Other topics include the efforts that parties have made to be more inclusive democratic and responsive the decline in support for brokerage practices and elite accommodation the rise in anti party sentiment and as a consequence the increase in interest group activity women's representation in the political process and the increasing range of issues open to the political process and public debate

Canadian Parties in Transition, Fourth Edition Alain-G. Gagnon, A. Brian Tanguay, 2017-01-01 *Canadian Parties in Transition* examines the transformation of party politics in Canada and the possible shape the party system might take in the

near future With chapters written by an outstanding team of political scientists the book presents a multi faceted image of party dynamics electoral behaviour political marketing and representative democracy The fourth edition has been thoroughly updated and includes fifteen new chapters and several new contributors The new material covers topics such as the return to power of the Liberal Party voting politics in Quebec women in Canadian political parties political campaigning digital party politics and municipal party politics

Parting at the Crossroads Antonia Maioni,2020-11-10 As almost all newspaper or magazine readers know Canada figured prominently in the turbulent U S debates over health care reform in the early Clinton presidency Furthermore future news analysts and policymakers will undoubtedly again use Canada to cite the good and the bad aspects of single payer national health insurance Beyond the debate about the desirability of Canadian style health care reforms Antonia Maioni sees another question Why did the United States and Canada alike in so many ways part at the crossroads to produce such different systems of health insurance She answers this previously neglected query so interestingly that her book will hold the attention of anyone concerned with health care in either country or both The author explores the development of health insurance in the United States and Canada from the emergence of health care as a political issue in the 1930s to the passage of federal health insurance legislation in the 1960s Focusing on how political institutions influence policy development she shows that Canada s federal structure and its parliamentary institutions encouraged a social democratic third party that became pivotal in demonstrating the feasibility of universal public health insurance Meanwhile the constraints of the U S political system forced health care reformers to temper their own ideas to appeal to a wide coalition within the Democratic party Even readers previously unfamiliar with Canadian politics will find in this book important clues about the realm of the possible in the uncertain future of U S health care

Dynasties and Interludes Lawrence LeDuc,Jon H. Pammett,2016-08-06 The Hill Times Best Books of 2016 An overview of the history of elections and voting in Canada including minority governments dynasties and social movements *Dynasties and Interludes* provides a comprehensive and unique overview of elections and voting in Canada from Confederation to the most recent election Its principal argument is that the Canadian political landscape has consisted of long periods of hegemony of a single party and or leader dynasties punctuated by short sharp disruptions brought about by the sudden rise of new parties leaders or social movements interludes This revised and updated second edition includes an analysis of the results of the 2011 and 2015 federal elections as well as an in depth discussion of the Harper Dynasty

Europe's Second Constitution Markus W. Gehring,2020-09-24 European constitutionalisation has met with scepticism this book analyses the steps necessary to move to EU s Second Constitution

Elections in the Americas A Data Handbook Volume 1 Dieter Nohlen,2005-04-14 This two volume work continues the series of election data handbooks published by OUP It presents a first ever compendium of electoral data for all 35 countries in the Americas since the introduction of universal male suffrage Following the overall structure of the series an initial comparative introduction on elections and electoral systems is followed by chapters on each

country Written by knowledgeable and renowned scholars the contributions examine the evolution of constitutional and electoral arrangements and provide systematic surveys of the up to date electoral provisions and electoral rules These widely differing rules exert considerable influence on party systems and political processes Exhaustive statistics on all national elections and referendums are given in each chapter Together with the other books of this series Elections in the Americas is a highly reliable resource for historical and cross national comparisons of elections and electoral systems worldwide

Value Change and Governance in Canada Neil Nevitte, Professor in the Department of Political Science Neil Nevitte, 2002-01-01 Consequently they argue the institutions of democratic governance now operate in a profoundly different environment than that in which they were founded

Representation Integration And Political Parties In Canada Introduction

In the digital age, access to information has become easier than ever before. The ability to download Representation Integration And Political Parties In Canada has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Representation Integration And Political Parties In Canada has opened up a world of possibilities. Downloading Representation Integration And Political Parties In Canada provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Representation Integration And Political Parties In Canada has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Representation Integration And Political Parties In Canada. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Representation Integration And Political Parties In Canada. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Representation Integration And Political Parties In Canada, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves,

individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Representation Integration And Political Parties In Canada has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Representation Integration And Political Parties In Canada Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
