## **Republicanism In Theory And Practice:**

*Republicanism in Theory and Practice* Iseult Honohan, Jeremy Jennings, 2006 This book aims to contribute to current debates on republicanism by examining the relationship between republican theory and practice in a variety of contexts

*Republicanism in Theory and Practice* Iseult Honohan, Jeremy Jennings, 2006-01-16 Recent claims that civic republicanism can better address contemporary political problems than either liberalism or communitarianism are generating an intense debate This is a sharp insight into this debate confronting normative theory with historical and comparative analysis It examines whether republican theory can address contemporary political problems in ways that are both valuable and significantly different in practice from liberalism These expert authors offer contrasting perspectives on issues raised by the contemporary revival of republicanism and adopt a variety of methodological approaches to address the practical implications of republican thought within a coherent thematic framework This book also clarifies core themes and contested areas of republican thought especially the notion of liberty the specific political institutions needed to realize it and the nature of solidarity among citizens shows how republicanism continued to influence the development of liberal thought in nineteenth century Britain examines the development of alternative republican discourses including the established political practice and ideology of the French republican tradition applies republican perspectives to contemporary political concerns such as the creation of social trust and the expansion of public accountability explores the implications of republican theory for policy areas including houses education and marriage in diverse multicultural societies This book will be of great interest to researchers and students studying republicanism in political science history social policy and education In addition it is a valuable resource for those concerned with citizenship democratic theory multiculturalism nationalism and patriotism and politics beyond the nation state

**Republicanism in Northeast Asia** Jun-Hyeok Kwak, Leigh Jenco, 2014-11-13 As rapid economic development brings increasing uncertainty in East Asia interest in a new version of republicanism termed iscalled neo Roman republicanism is growing across the region Conceptualized as liberty as non domination this new form of republicanism has inspired not only Western but also East Asian political theorists However neo Roman republican ideas in Northeast Asian countries continue to face serious conceptual and political challenges which scholarly literature on both republicanism and on East Asian politics has largely failed to confront This book addresses these challenges by surveying the latest theoretical contributions to the studies of republicanism in Western countries and the latest interpretations of how republicanism including both communitarian republicanism and neo Roman republicanism has been appropriated in countries in East Asia In particular it deals with the key question of whether liberty as non domination can work in non Western contexts where the fundamental tenets of liberal democracy such as moral individualism and value pluralism do not predominate Across three sections the chapters first provide a conceptual overview of republicanism as a global political theory they then consider how republicanism has historically been received resisted and translated into East Asia and

Finally they examine how historically informed possibilities fit with the emergent needs of contemporary Northeast Asian societies Overall the contributors show that republicanism is an always ongoing project whose terms must be interpreted and translated into the various communities they inform Normative considerations about whether or how republicanism applies in East Asia cannot be divorced from historical and empirical approaches which consider the various ways in which republican ideals reflect the realities of life there Dealing with the issue of republicanism from a new comparative perspective this book will have broad appeal to students and scholars of Asian studies comparative political theory political philosophy sociology and history

**Romanticism, Republicanism, and the Swiss Myth** Patrick Vincent, 2022-12-22 The first detailed treatment of Switzerland in British literature and culture from Joseph Addison to John Ruskin this book analyzes the aesthetic and political uses of what is commonly called the Swiss myth in the parallel development of Romanticism and liberalism The myth merged the country's legends going back to the Middle Ages with the Enlightenment image of a happy free nation of alpine shepherds Its unique combination of conservative progressive and radical associations enabled writers before the French Revolution to call for democratic reforms whereas those coming after could refigure it as a conservative alternative to French liberty Integrating intellectual history with literary studies and addressing a wide range of Romantic period texts and authors among them Byron the Shelleys Hemans Scott Coleridge and above all Wordsworth the book argues that the myth contributed to the liberal idea of the people as a sublime yet sleeping sovereign

**Domination and Global Political Justice** Barbara Buckinx, Jonathan Trejo-Mathys, Timothy Waligore, 2015-02-11 Domination consists in subjection to the will of others and manifests itself both as a personal relation and a structural phenomenon serving as the context for relations of power Domination has again become a central political concern through the revival of the republican tradition of political thought not to be confused with the US political party However normative debates about domination have mostly remained limited to the context of domestic politics Also the republican debate has not taken into account alternative ways of conceptualizing domination Critical theorists liberals feminists critical race theorists and postcolonial writers have discussed domination in different ways focusing on such problems as imperialism racism and the subjection of indigenous peoples This volume extends debates about domination to the global level and considers how other streams in political theory and nearby disciplines enrich expand upon and critique the republican tradition's contributions to the debate This volume brings together for the first time mostly original pieces on domination and global political justice by some of this generation's most prominent scholars including Philip Pettit James Bohman Rainer Forst Amy Allen John McCormick Thomas McCarthy Charles Mills Duncan Ivison John Maynor Terry Macdonald Stefan Gosepath and Hauke Brunkhorst

**Deliberative Freedom** Christian F. Rostboll, 2008-06-13 In *Deliberative Freedom* Christian F Rostboll accepts the common belief that democracy and freedom are intimately related but he sees this relationship in a new and challenging way Rostboll argues that deliberative democracy is normatively committed to multiple dimensions of freedom and that this in turn makes it a distinct model of

democracy He presents a new version of deliberative democracy that rejects the prevailing synthesis of Habermasian critical theory and Rawlsian political liberalism and contends that this synthesis obscures and neglects important concerns in terms of freedom and emancipation In addition Rostb ll explores how the many dimensions of freedom supply a new and fruitful way to address issues such as paternalism elitism rationalism and neutrality

**The Social and Political Philosophy of Mary Wollstonecraft** Sandrine Bergès, Alan Coffee, 2016-11-10 Interest in the contribution made by women to the history of philosophy is burgeoning Intense research is underway to recover their works which have been lost or overlooked At the forefront of this revival is Mary Wollstonecraft While she has long been studied by feminists and later discovered by political scientists philosophers themselves have only recently begun to recognise the value of her work for their discipline This volume brings together new essays from leading scholars which explore Wollstonecraft s range as a moral and political philosopher of note both taking a historical perspective and applying her thinking to current academic debates Subjects include Wollstonecraft s ideas on love and respect friendship and marriage motherhood property in the person and virtue and the emotions as well as the application her thought has for current thinking on relational autonomy and animal and children s rights A major theme within the book places her within the republican tradition of political theory and analyses the contribution she makes to its conceptual resources

**Theorizing European Integration** Dimitris N. Chrysoschoou, 2008-10-02 Fully revised and updated throughout Theorizing European Integration 2nd edition provides a comprehensive introduction to the theoretical study of European integration Combining perspectives from international relations comparative politics and social and political theory Dimitris N Chrysoschoou offers a complete overview of the many competing approaches that have sought to capture and explain the evolving political nature of the European Union EU and its qualitative transition from a union of states to a polity in its own right Contemporary issues themes and theories addressed include the different uses and current state of EU theorizing statecentric accounts of integration and their critics new normative challenges to the study of the EU the political dynamics of European treaty reform new forms of democracy citizenship and governance the limits and possibilities of EU constitutionalism interdisciplinary understandings of EU polityhood the introduction of a theory of organized synarchy the transformations of state sovereignty in late modern Europe

**Spinoza and Republicanism** R. Prokhovnik, 2004-03-31 Dutch republicanism represents a crucially important context within which to discuss Spinoza s political theory and his conception of politics Spinoza and Republicanism provides an important account of his key political concepts as well as a fresh and stimulating perspective on the links between Spinoza s two political works and contemporaneous debate and traditions By identifying the distinctiveness of Dutch republicanism and Spinoza s contribution to it Raia Prokhovnik also throws new light on recent discussions of republicanism and its history

**The English Monarchy and American Republicanism. Reply to the Speech of the Right Hon. B. Disraeli [delivered April 3rd, 1872].** Charles WATTS (Secretary of the National Secular Society.), 1873 *Critical Republicanism*

Cécile Laborde, 2008-10-09 The first comprehensive analysis of the philosophical issues raised by the hijab controversy in France this book also conducts a dialogue between contemporary Anglo American and French political theory and defends a progressive republican solution to so called multicultural conflicts in contemporary societies It critically assesses the official republican philosophy of la cit which purported to justify the 2004 ban on religious signs in schools La cit is shown to encompass a comprehensive theory of republican citizenship centered on three ideals equality secular neutrality of the public sphere liberty individual autonomy and emancipation and fraternity civic loyalty to the community of citizens Challenging official interpretations of la cit the book then puts forward a critical republicanism which does not support the hijab ban yet upholds a revised interpretation of three central republican commitments secularism non domination and civic solidarity Thus it articulates a version of secularism which squarely addresses the problem of status quo bias the fact that Western societies are historically not neutral towards all religions It also defends a vision of female emancipation which rejects the coercive paternalism inherent in the regulation of religious dress yet does not leave individuals unaided in the face of religious and secular patriarchal and ethnocentric domination Finally the book outlines a theory of immigrant integration which places the burden of civic integration on basic socio political institutions rather than on citizens themselves Critical republicanism proposes an entirely new approach to the management of religious and cultural pluralism centred on the pursuit of the progressive ideal of non domination in existing non ideal societies Oxford Political Theory presents the best new work in contemporary political theory It is intended to be broad in scope including original contributions to political philosophy and also work in applied political theory The series will contain works of outstanding quality with no restriction as to approach or subject matter Series Editors Will Kymlicka David Miller and Alan Ryan

**Republicanism and Political Theory** Cecile Laborde, John Maynor, 2009-02-04 Republicanism and Political Theory is the first book to offer a comprehensive and critical survey of republican political theory Critically assesses its historical credentials conceptual coherence and normative proposals Brings together original contributions from leading international scholars in an interactive way Provides the reader with valuable insight into new debates taking place in republican political theory

*What Kind of Government?* Vlasta Jalušič, Wolfgang Heuer, 2024-10-17 This book seeks to develop an understanding of the changes in contemporary forms of government and explores the nature and structure of the various corrupt undemocratic oppressive and abusive governments that continue to emerge around the globe While proceeding from Hannah Arendt's well known thesis of the break in political tradition that occurred with the totalitarianisms of the 20th century it addresses some main conceptual frameworks and a number of key trends in existing forms of government and their relations to historical forms The primary intended audience includes educators scholars and researchers with an interest in contemporary democracy and anti democratic movements government questions of power political theory philosophy and conceptual history as well as and students enrolled in various disciplines of the social sciences Moreover it will be of interest to Arendt

scholars and those researching the contemporary challenges to democracy and constitutional rule worldwide Chapters 1 4 6 and 13 are available open access under a Creative Commons Attribution 4 0 International License via link [springer.com](https://www.springer.com)

The Oxford Handbook of Citizenship Ayelet Shachar, Rainer Bauboeck, Irene Bloemraad, Maarten Vink, 2017-07-27

Contrary to predictions that it would become increasingly redundant in a globalizing world citizenship is back with a vengeance The Oxford Handbook of Citizenship brings together leading experts in law philosophy political science economics sociology and geography to provide a multidisciplinary comparative discussion of different dimensions of citizenship as legal status and political membership as rights and obligations as identity and belonging as civic virtues and practices of engagement and as a discourse of political and social equality or responsibility for a common good The contributors engage with some of the oldest normative and substantive quandaries in the literature dilemmas that have renewed salience in today's political climate As well as setting an agenda for future theoretical and empirical explorations this Handbook explores the state of citizenship today in an accessible and engaging manner that will appeal to a wide academic and non academic audience Chapters highlight variations in citizenship regimes practiced in different countries from immigrant states to non western contexts from settler societies to newly independent states attentive to both migrants and those who never cross an international border Topics include the selling of citizenship multilevel citizenship in between statuses citizenship laws post colonial citizenship the impact of technological change on citizenship and other cutting edge issues This Handbook is the major reference work for those engaged with citizenship from a legal political and cultural perspective Written by the most knowledgeable senior and emerging scholars in their fields this comprehensive volume offers state of the art analyses of the main challenges and prospects of citizenship in today's world of increased migration and globalization Special emphasis is put on the question of whether inclusive and egalitarian citizenship can provide political legitimacy in a turbulent world of exploding social inequality and resurgent populism

*Republicanism* Christian Nadeau, Daniel Weinstock, 2004-06-01 In this collection of writings leading historians of political thought and political theorists provide an overview of traditional and contemporary republicanism The first part of the book presents studies of ancient and modern versions of republicanism in Athenian and Roman political thought as well as in Machiavelli and Montesquieu The second part focuses on some of the key questions that confront contemporary thinkers such as What ought one to expect of a good state and civil society What are the conditions for deliberative democracy What are the theoretical implications of a republican conception of political liberty The essays in this volume advance the debate over republicanism through both a rigorous philosophical investigation of republicanism's main sources and careful analysis of its meaning

**Theorising Labour Law in a Changing World** Alysia Blackham, Miriam Kullmann, Ania Zbyszewska, 2019-09-05 This collection brings together perspectives from industrial relations political economy political theory labour history sociology gender studies and regulatory theory to build a more inclusive theory of labour law That is a theory of labour law that is more inclusive of non traditional workers including those

in atypical work or from non traditional backgrounds more inclusive of a variety of collective approaches to work regulation that foster solidarity between workers and more inclusive of interdisciplinary and complex explanations of labour law and its regulatory spaces The individual chapters speak to this theme of inclusivity in different ways and offer different suggestions for how it might be achieved They break down the barriers between legal research and other fields to promote fruitful and integrative conversations across disciplines In the spirit of inclusivity and intergenerational dialogue the book blends contributions from early career and emerging scholars with those from leading scholars in the field featuring critical commentary from senior labour law figures alongside theoretically and empirically informed work     *Social Theory and Practice* ,2017-04     **The political theory of the Irish Constitution** Eoin Daly,Tom Hickey,2015-07-01 The political theory of the Irish Constitution considers Irish constitutional law and the Irish constitutional tradition from the perspective of Republican theory It analyses the central devices and doctrines of the Irish Constitution popular sovereignty constitutional rights and judicial review in light of Republican concepts of citizenship and civic virtue The Constitution it will argue can be understood as a framework for promoting popular participation in government as much as a mechanism for protecting individual liberties It will be of interest to students and researchers in Irish politics political theory and constitutional law and to all those interested in political reform and public philosophy in Ireland     Encyclopedia of Political Theory Mark Bevir,2010-03-18 Looking at the roots of contemporary political theory this three volume set examines the global landscape of all the key theories and the theorists behind them and provides concise to the point definitions of key concepts ideas schools and figures     *Survival December 2021-January 2022: Trials of Liberalism* The International Institute for Strategic Studies (IISS),2023-04-21 *Survival* the IISS s bimonthly journal challenges conventional wisdom and brings fresh often controversial perspectives on strategic issues of the moment In this issue Gigi Kwik Gronvall examines the contested origin of SARS CoV 2 and argues that scientific work should be apolitical and globally cooperated including with China Lawrence Freedman contends that while liberalism is in crisis it should still be better than authoritarianism at adapting to new circumstances acknowledging salient problems and choosing among alternatives Robert S Ross argues that Chinese strategists believe Beijing can challenge a strategically weakened United States on the Korean Peninsula Ondrej Rosendorf Michal Smetana and Marek Vranka assess that persuading the public that nuclear abolition is feasible could strengthen disarmament advocacy And nine more thought provoking pieces as well as our regular Book Reviews and Noteworthy column Editor Dr Dana Allin Managing Editor Jonathan Stevenson Associate Editor Carolyn West Assistant Editor Jessica Watson

## **Republicanism In Theory And Practice Introduction**

In today's digital age, the availability of Republicanism In Theory And Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Republicanism In Theory And Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Republicanism In Theory And Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Republicanism In Theory And Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Republicanism In Theory And Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Republicanism In Theory And Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Republicanism In Theory And Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Republicanism In Theory And Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Republicanism In Theory And Practice books and manuals for download and embark on your journey of knowledge?

### **FAQs About Republicanism In Theory And Practice Books**

1. Where can I buy Republicanism In Theory And Practice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Republicanism In Theory And Practice book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
