Requiem For A Rebel:

Requiem for a Rebel Brett McKinley, 1973* **Requiem for a Rebel Priest** Paulino M. Lim, 1996 **Requiem for a Rebel** Hugh Gorman, 1980-02 **The Bad & the Beautiful** Sam Kashner, Jennifer MacNair, 2002 Looks at the scandals morals and sleaze of 1950 s Hollywood The Rani of Jhansi, Rebel Against Will Rainer Jerosch, 2007 1857 1858 The British Empire in India is teetering on the brink of collapse in the face of widespread rebellion by native regiments In the final phase of the Great Indian Mutiny an intrepid young woman rises to lead the mutinying sepoy Lakshmibai the **First to the Front** Lorissa Rinehart, 2023-07-11 The first authoritative biography of pioneering photojournalist Dickey Chapelle who from World War II through the early days of Vietnam got her story by any means necessary as one of the first female war correspondents I side with prisoners against guards enlisted men against officers weakness against power From the beginning of World War II through the early days of Vietnam groundbreaking female photojournalist and war correspondent Dickey Chapelle chased dangerous assignments her male colleagues wouldn't touch pioneering a radical style of reporting that focused on the humanity of the oppressed She documented conditions across Eastern Europe in the wake of the Second World War She marched down the Ho Chi Minh Trail with the South Vietnamese Army and across the Sierra Maestra Mountains with Castro She was the first reporter accredited with the Algerian National Liberation Front and survived torture in a communist Hungarian prison She dove out of planes faked her own kidnapping and endured the mockery of male associates before ultimately dying on assignment in Vietnam with the Marines in 1965 the first American female journalist killed while covering combat Chapelle overcame discrimination both on the battlefield and at home with much of her work ultimately buried from the public eye until now In *First to the Front* Lorissa Rinehart uncovers the incredible life and unparalleled achievements of this true pioneer and the mark she would make on history *The Rebel Yell* Craig A. Warren, 2014-09-07 The first comprehensive history of the fabled Confederate battle cry from its origins and myths through its use in American popular culture No aspect of Civil War military lore has received less scholarly attention than the battle cry of the Southern soldier In *The Rebel Yell* Craig A. Warren brings together soldiers memoirs little known articles and recordings to create a fascinating and exhaustive exploration of the facts and myths about the Southern screech Through close readings of numerous accounts Warren demonstrates that the Rebel yell was not a single unchanging call but rather it varied from place to place evolved over time and expressed nuanced shades of emotion A multifunctional act the flexible Rebel yell was immediately recognizable to friends and foes but acquired new forms and purposes as the epic struggle wore on A Confederate regiment might deliver the yell in harrowing unison to taunt Union troops across the empty spaces of a battlefield At other times individual soldiers would call out solo or in call and response fashion to communicate with or secure the perimeters of their camps The Rebel yell could embody unity and valor but could also become the voice of racism and hatred Perhaps most surprising *The Rebel Yell* reveals that from Reconstruction through the first half of the twentieth

century the Rebel yell even more than the Confederate battle flag served as the most prominent and potent symbol of white Southern defiance of Federal authority With regard to the late twentieth and early twenty first centuries Warren shows that the yell has served the needs of people the world over soldiers and civilians politicians and musicians re enactors and humorists artists and businessmen Warren dismantles popular assumptions about the Rebel yell as well as the notion that the yell was ever lost to history Both scholarly and accessible The Rebel Yell contributes to our knowledge of Civil War history and public memory It shows the centrality of voice and sound to any reckoning of Southern culture **The Darkness**

the War for the Union Ann Sophia Stephens, 1866 **Wisconsin Magazine of History** Milo Milton Quaife, Joseph Schafer, Edward Porter Alexander, 1922 *Flashpoints in the War on Terrorism* Derek S. Reveron, Jeffrey Stevenson Murer, 2013-05-13 This volume offers a comprehensive overview of international political violence by bringing together foreign policy experts on several regions who examine conflicts in the Fertile Crescent the Balkans the Post Soviet Region the Himalayas Southeast Asia and sub Saharan Africa With cogent assessments of civil conflicts that threaten to be part of a global jihad each chapter both dissects the historical roots and socio economic causes that catalyze terrorism in those areas as well as posits ways for the United States to meet the myriad of foreign policy challenges posed by the growing threat of contemporary international terrorism **Deadly Developments** Stephen P. Reyna, R. E. Downs, 1999 Ten anthropologists trace the machinations of war and the effects of violence in capitalist states from their formation to the present This collection the newest volume in the War and Society series questions the foundations of classical social theory while investigating local and international conflict through the critical and cross cultural lens of social theory history and anthropology The essays combine to challenge the notion developed by social theorists such as Comte Spencer Durkheim and Engels that war will diminish with the formation and the perpetuation of a capitalist economy and industry The development

of capitalist states and the nefarious and violent processes which must occur to reproduce capitalism are rarely realized and then infrequently analyzed Many western and ethnocentric scholarly representations of war succeed in hiding the deadly developments that occur as a result of capitalist state formation and relations *The Philippine Islands* John Foreman (F.R.G.S.),1906

The Church's Unholy War Nicholas Denysenko,2023-05-04 How did religion contribute to Russia's invasion of Ukraine Heated disputes and alienation among Orthodox Christians in Ukraine and Russia contributed to Russian aggression in Crimea and Donbas in 2014 and the full scale invasion of Ukraine in 2022 This book examines attempts from the early twentieth century to the present day to liberate the Ukrainian Orthodox Church from Russian control It explores the causes of bitter alienation Russia's use of soft power to maintain control the development of hate speech used to discriminate against independent minded Ukrainians and the transition from soft to hard power from 2014 to the present *Taiko* Eiji Yoshikawa,2012-08-03

In the tempestuous closing decades of the sixteenth century the Empire of Japan writhes in chaos as the shogunate crumbles and rival warlords battle for supremacy Warrior monks in their armed citadels block the road to the capital castles are destroyed villages plundered fields put to the torch Amid this devastation three men dream of uniting the nation At one extreme is the charismatic but brutal Nobunaga whose ruthless ambition crushes all before him At the opposite pole is the cold deliberate Ieyasu wise in counsel brave in battle mature beyond his years But the keystone of this triumvirate is the most memorable of all Hideyoshi who rises from the menial post of sandal bearer to become Taiko absolute ruler of Japan in the Emperor's name When Nobunaga emerges from obscurity by destroying an army ten times the size of his own he allies himself with Ieyasu whose province is weak but whose canniness and loyalty make him invaluable Yet it is the scrawny monkey faced Hideyoshi brash impulsive and utterly fearless who becomes the unlikely savior of this ravaged land Born the son of a farmer he takes on the world with nothing but his bare hands and his wits turning doubters into loyal servants rivals into faithful friends and enemies into allies In all this he uses a piercing insight into human nature that unlocks castle gates opens men's minds and captures women's hearts For Hideyoshi's passions are not limited to war and intrigue his faithful wife Nene holds his love dear even when she must share it the chaste Oyu sister of Hideyoshi's chief strategist falls prey to his desires and the seductive Chacha whom he rescues from the fiery destruction of her father's castle tempts his weakness As recounted by Eiji Yoshikawa author of the international best seller *Musashi* Taiko tells many stories of the fury of Nobunaga and the fatal arrogance of the black toothed Yoshimoto of the pathetic downfall of the House of Takeda how the scorned Mitsuhide betrayed his master how once impregnable ramparts fell as their defenders died gloriously Most of all though Taiko is the story of how one man transformed a nation through the force of his will and the depth of his humanity Filled with scenes of pageantry and violence acts of treachery and self sacrifice tenderness and savagery Taiko combines the panoramic spectacle of a Kurosawa epic with a vivid evocation of feudal Japan Chrysalis Corporation T.A. Venedicktov,2015-11-17

Chrysalis Corporation Book One Together they can change the rules of the galaxy and the definition of humanity When

Damion Hawk is offered an opportunity to escape the destitute life of a miner on Mars and become an elite Alpha Fighter pilot he jumps at the chance Within the Chrysalis Corporation Damion must learn to work with his Core a man with computerized implants no human emotions and no rights But unlike other Fighters Damion can't treat Core 47 as a tool He sees 47 as more than a machine and he'll take deadly risks to help 47 find the humanity inside him Fighters and Cores are designed to work together and enhance each other's strengths in defense of their employer Damion and 47 will need each other's support as suspicions about the all powerful Chrysalis Corporation arise Someone wants Damion and 47 gone and they need to find out who and why while hiding 47's growing emotions and the love forming between them If they can succeed they might save not only themselves but all Cores enslaved by the Corporation **Seamus Heaney** Richard Rankin Russell,2016-09-13 The first detailed introduction to the entirety of Seamus Heaney's work This study will enable readers to gain clearer understanding of the life and major works of Seamus Heaney It considers literary influences on Heaney ranging from English poets such as Wordsworth Hughes and Auden to Irish poets such as Kavanagh and Yeats to world poets such as Virgil and Dante It shows how Heaney was closely attuned to poetry's impact on daily life and current events even as he articulated a convincing apologia for poetry's own life and integrity Discussing Heaney's deep immersion in Irish Catholicism this book demonstrates how faith influenced his belief system poetry and politics Finally it also considers how deeply Heaney's artistic endeavours were intertwined with politics in Northern Ireland especially through his embrace of constitutional nationalism but rejection of physical force republicanism Key Features Includes sections on biography historical cultural and political contexts poetry and other genres as well as a concluding section on primary works and secondary criticism Pays special attention to the marriage of form and content in the poetry and how they work together to express subtle shades of meaning Offers close readings of Heaney's canonical poems throughout his career including the early seminal poems such as Digging the bog poems and his many elegies such as Casualty Station Island and Clearances Draws on drafts of the poems and prose at the Heaney archives at Emory University and the National Library of Ireland *The Battle of Blair Mountain* Robert Shogan,2006-07-26 The Battle of Blair Mountain covers a profoundly significant but long neglected slice of American history the largest armed uprising on American soil since the Civil War In 1921 some 10 000 West Virginia coal miners outraged over years of brutality and lawless exploitation picked up their Winchesters and marched against their tormentors the powerful mine owners who ruled their corrupt state For ten days the miners fought a pitched battle against an opposing legion of deputies state police and makeshift militia Only the intervention of a federal expeditionary force spearheaded by a bomber squadron commanded by General Billy Mitchell ended this undeclared civil war and forced the miners to throw down their arms The significance of this episode reaches beyond the annals of labor history Indeed it is a saga of the conflicting political economic and cultural forces that shaped the power structure of 20th century America **Forgetful Remembrance** Guy Beiner,2018-11-09 Forgetful Remembrance examines the paradoxes of what actually happens when

communities persistently endeavour to forget inconvenient events The question of how a society attempts to obscure problematic historical episodes is addressed through a detailed case study grounded in the north eastern counties of the Irish province of Ulster where loyalist and unionist Protestants and in particular Presbyterians repeatedly tried to repress over two centuries discomfiting recollections of participation alongside Catholics in a republican rebellion in 1798 By exploring a rich variety of sources Beiner makes it possible to closely follow the dynamics of social forgetting His particular focus on vernacular historiography rarely noted in official histories reveals the tensions between professed oblivion in public and more subtle rituals of remembrance that facilitated muted traditions of forgetful remembrance which were masked by a local culture of reticence and silencing Throughout *Forgetful Remembrance* comparative references demonstrate the wider relevance of the study of social forgetting in Northern Ireland to numerous other cases where troublesome memories have been concealed behind a veil of supposed oblivion
