Lennington,2012 *Perfect Partners* Jayne Ann Krentz,2004-02-01 Midwestern librarian Letitia Thornquist didn't have the right stuff to run Thornquist Gear Inc That was the bottom line opinion of Joel Blackstone the seasoned CEO who had built the small Seattle sporting goods store into an industry giant But Letty's rich Uncle Charlie willed her the company and now she was bubbling with enthusiasm to have Joel a perfect mentor show her the ropes Teaching her the business was all Joel grudgingly planned to do until the sensuous curves under Letty's navy suit and the unabashed desire in her wide innocent eyes left him longing for a personal kind of merger Soon his sizzling kisses convinced her that she wasn't in Kansas anymore But no matter how skilled Joel was in the art of love Letty knew she was at risk in his arms Behind his tough facade she sensed a world of hurt that cried out for her warmth and understanding She realized the L word might never be spoken if trust didn't make them perfect partners 9 to 5 and in the loving after hours of midnight to dawn In a witty classical duel of romance and ambition Jayne Ann Krentz deftly portrays two fiery opposites caught by an irresistible attraction in a deliciously spicy tale of life at the top and love in the depths of the heart *Scandal at the Savoy* Ron Base,Prudence Emery,2023-03-25 The rich and famous are converging on the iconic Savoy Hotel in swinging 60s London including a famous Broadway producer with anger issues a demanding Indian raja and a gorgeous film star with certain kinky predilections All is as it should be until the murder of a showgirl threatens to scandalize the hotel The list of suspects includes Priscilla Tempest the trouble-prone Canadian head of the Savoy press office Clearing her name would be easy enough if only she hadn't spent the night of the murder with a certain beguiling Canadian prime minister Blackmailed by a Scotland Yard detective wooed by a notorious gangster and hounded by the press Priscilla must use wit and resourcefulness to survive the treacherous upper echelons of London society and find a killer This is the thrilling sequel to *Death at the Savoy* described by Publishers Weekly as light frothy perfect escapist fare **Summer At Lakeside** Leeanna Morgan,2020-08-01 Fans of Pamela Kelley and Robyn Carr will love this

small town feel good romance Diana Terry's life has been turned upside down by a bitter divorce. When her beautiful eccentric grandmother dies, she's devastated. Taking nothing but a battered suitcase and her canine buddy Charlie, she leaves her old life behind to comfort her family and find a new kind of normal. Ethan Preston is a former Navy SEAL and a counselor at the medical clinic in Sapphire Bay. For him, the best thing about living in the small Montana town is the way the community embraces people who come there seeking refuge, compassion, and support. Meeting Diana has changed Ethan's life. Her kindness and quiet strength makes what he has seen and done during his military career easier to bear. Before long, he begins to see a brighter future for both of them. When a family heirloom disappears from The Lakeside Inn, a series of events is set in motion that tests Diana and Ethan's growing relationship. Can Diana trust Ethan, or will her past experiences overshadow what is in her heart?

SUMMER AT LAKESIDE is the second book in a new series that will follow the Terry sisters as they return to a community with big hearts and warm smiles. Romance, adventure, and intrigue are waiting for you in Sapphire Bay. This novel can easily be read as a standalone. Each of Leeanna's series are linked, so you can find out what happens to your favourite characters in other books.

Happy reading! Praise for Leeanna Morgan's books: I am addicted to Leeanna Morgan's books. The only problem with them is that I hate coming to the end of one and can't wait for the next good read. I love how she weaves the characters together and draws you right into their lives. If you haven't discovered her, please do give her books a try. You won't be disappointed except for not having found her sooner. I thoroughly enjoyed this book. I couldn't put it down. I purchased it today and finished it just now. Captivating story from beginning to end. Definitely a five-star book.

Princess Diana Jon King, John Beveridge, 2008-06. The book that the British government tried to ban. British investigative journalists Jon King and

John Beveridge have maintained from the outset that they were informed of a plot to assassinate Princess Diana one week before her death Three years ago Royal Butler Paul Burrell s revelations confirmed their claim In an astonishing letter written ten months before her death Princess Diana confirmed that a plot to assassinate her in a road traffic accident was indeed planned and carried out by order of the British Royal Establishment The letter owned by Burrell and written by Diana in October 1996 reads This particular phase in my life is the most dangerous My husband is planning an accident in my car brake failure and serious head injury in order to make the path clear for him to marry Ten months later on 23 August 1997 one week before her death the authors were informed of this same plot to kill Diana The EVIDENCE they uncovered during their subsequent investigation is truly disturbing *Letters to a Lady* Joan Smith,2010-09-14 Diana Beecham s only use for her neighbor Lord Harrup was to get him to provide a job for her brother Ronald So she picked up the documents Harrup sought only to have them stolen Seems Harrup seeking a high government position was being blackmailed by his former mistress Undeterred by a little setback or a little housebreaking Diana pursued where her heart led Regency Romance by Joan Smith originally published by Fawcett Crest *American Cinema of the 1920s* Lucy Fischer,2009 In ten original essays American Cinema of the 1920s examines the film industry s continued growth and prosperity while focusing on important themes of the era that witnessed the birth of the star system that supported the meteoric rise and celebrity status of actors including Charlie Chaplin Mary Pickford Joan Crawford Greta Garbo and Rudolph Valentino while black performers relegated to race films appeared infrequently in mainstream movies **English Novel in History, 1895-1920** David Trotter,2003-10-01 Written especially for students and assuming no prior knowledge of the subject David Trotter s The English Novel in History 1895 1920 provides a comprehensive introduction to early 20th century fiction This study embraces the whole range of early 20th century fiction from avant garde innovations to popular mass market genres Separate sections are devoted to James Conrad Kipling Bennett Lawrence Lewis and Joyce It establishes a classification of literary styles in the period Based on this classification it offers an account of the subject matters which preoccupied writers of all kinds gender race nationality sexual psychology production and consumption The English Novel in History aims to redefine our understanding of literary Modernism and should be useful reading for all students of modern English literature **Diana Inquest: How and Why Did Diana Die?** John Morgan,2009-08-27 Princess Diana survived the 12 23 a m crash in Paris witness and photographic evidence clearly showed she was alive conscious and talking in the back of the Mercedes Yet just after 4 a m Diana was pronounced dead What occurred in the intervening 3 1 2 hours that brought on her premature death Are there people who should be held accountable for what occurred on that final tragic night Based on the evidence heard during the inquest The Untold Story reveals to the public for the first time the minute by minute events that were occurring both inside and outside Diana s ambulance It establishes the surprising truth of precisely what led to Diana being virtually dead when she finally arrived at the hospital at 2 06 a m 1 hour and 43 minutes after the crash This 2nd volume of The
