Rescuing God From Christianity:

Rescuing God from Christianity Sven E. Erlandson, 2004-09 Erlandson articulates the growing frustration that many people have with Christianity and shows how a church is not needed to create a challenging and life changing new path based on the simple call to love God and love one's neighbor *Deliverance: Rescuing God's People* Pat Legako, Cyndi Gribble, 2007-07 What are good intentioned God loving Christians church leaders and pastors overlooking The message that many Christians are missing today is that self discipline alone is not enough to stop Satan from his onslaught against the Church In *Deliverance Rescuing God's People* authors Cyndi Gribble and Pat Legako provide a ground breaking scripture supported teaching on what the Bible says about Satan step by step instructions on how to cast out demons and how to establish and operate the ministry in your local church *Saving God from Religion* Robin R. Meyers, 2020-01-28 A revelatory manifesto on how we can reclaim faith from abstract doctrines and rigid morals to find God in the joys and ambiguities of everyday life from the acclaimed author of *Saving Jesus from the Church* In this book of stories from four decades of ministry Meyers powerfully captures what it means to believe in a God who's revealed not in creeds or morals but in the struggles and beauty of our ordinary lives Richard Rohr bestselling author of *The Universal Christ* People across the theological and political spectrum are struggling with what it means to say that they believe in God For centuries Christians have seen him as a deity who shows favor to some and dispenses punishment to others according to right belief and correct behavior But this transactional approach to a God up there famously depicted by Michelangelo on the ceiling of the Sistine Chapel no longer works if it ever did leaving an increasing number of Christians upset disappointed and heading for the exits In this groundbreaking inspiring book Robin R Meyers the senior minister of Oklahoma City's Mayflower Congregational United Church of Christ shows how readers can move from a theology of obedience to one of consequence He argues that we need to stop seeing our actions as a means for pleasing a distant God and rediscover how God has empowered us to care for ourselves and the world Drawing on stories from his decades of active ministry Meyers captures how the struggles of ordinary people hint at how we can approach faith as a radical act of trust in a God who is all around us even in our doubts and the moments of life we fear the most ***Saving God*** Mark Johnston, 2011-07-11 A bold and persuasive case for abandoning old religions and still believing in God In this book Mark Johnston argues that God needs to be saved not only from the distortions of the undergraduate atheists Richard Dawkins Christopher Hitchens and Sam Harris but more importantly from the idolatrous tendencies of religion itself Each monotheistic religion has its characteristic ways of domesticating True Divinity of taming God's demands so that they do not radically threaten our self love and false righteousness Turning the monotheistic critique of idolatry on the monotheisms themselves Johnston shows that much in these traditions must be condemned as false and spiritually debilitating A central claim of the book is that supernaturalism is idolatry If this is right everything changes we cannot place our salvation in jeopardy by tying it essentially to the

supernatural cosmologies of the ancient Near East Remarkably Johnston rehabilitates the ideas of the Fall and of salvation within a naturalistic framework he then presents a conception of God that both resists idolatry and is wholly consistent with the deliverances of the natural sciences Princeton University Press is publishing Saving God in conjunction with Johnston s forthcoming book Surviving Death which takes up the crux of supernaturalist belief namely the belief in life after death Some images inside the book are unavailable due to digital copyright restrictions

LIFESAVER: Rescuing God's People from the PTR Ship John F. Finkbeiner, 2013-03-31 Nothing is more crucial to survival during the dark days ahead than knowing the truth While lies evil schemes and frauds increase daily one book the Bible stands in stark opposition to deceit God s Word shines as a beacon of light directing the storm tossed wayfarer safely to the peaceful shore LIFESAVER was written to expose the hypocrisy the abuse of trust and the fatal flaws in modern American Christianity s most popular and trumpeted position on the end times the Pre tribulation rapture PTR view Twenty five 25 powerful arguments called Torpedoes are launched from LIFESAVER s pages each argument sufficient to sink the PTR ship before it invites the innocent to board her for its last doomed voyage Without malice angry rhetoric or unfair personal attacks chapters such as The Rapture Isn t Next Good Fiction Desertion and No Trouble dissect the clever speech remove the fa ade and expose the holes in an interpretation of prophecy that will not hold water The only weapon used by LIFESAVER in this war of ideas is Scripture that is rightly interpreted Though shooting torpedoes at the flaws fallacies and inaccuracies in the PTR ship must be done LIFESAVER has another purpose The author not only goes after the easy to target weak supporting pillars of PTR such as any moment rapture and Christians will escape the Tribulation but he provides a thoroughly rational and solidly Biblical alternative for Christians to embrace the Pre wrath rapture position What LIFESAVER wants to alert every sincere believer to is that there is a true Biblical eschatology Doctrine of Last Things that surfaces when objectively utilizing the Five Basic Rules of Bible Interpretation Sadly because it threatens their power and prestige knowledge of the Pre wrath rapture view is the very thing the PTR elite tries to undermine with distortions or attempts to hide by shutting it out of the debate As time runs out on this present age the Spirit is awakening those who belong to God It is time for the saints to understand what is false and what is genuine Since Christ is coming soon his people are not only to grasp what he has taught but to proclaim his plan of salvation that was revealed by the prophets Deliverance will come to those prepared to weather the most severe challenges that believers of any generation have ever faced LIFESAVER alongside the Bible will help make the difference between catastrophe and triumph between despair and everlasting joy or between falling short and being an over comer It is time for truth not feel good theology It is time for strong faith It is time for LIFESAVER

Saving God's Face Jackson Wu, 2013-04 Years ago the author had a startling realization Theologians and pastors have long taught on the glory of God and its central importance in the Bible However because he was living in East Asia it also dawned on the author that this sort of talk about God s glory praising Him and magnifying His name was simply another way of talking about honor and shame When the

author looked at most theology and ministry related books he found that honor and shame seemed to be treated differently Anthropologists talked about honor shame but theologians largely focused more on legal metaphors The author could see both themes in Scripture but couldn't find help as to how to bring them together This study was developed in order to address this gap and bring those themes together Sign up for the WCIU Press newsletter to be notified about new books from this author and more <http://eepurl.com/rB15L>

Saving God's Green Earth Tri Robinson, 2006 The Creator has called us to care for life his creation Unfortunately many evangelical Christians have decided that value has too much political baggage attached to it and has forsaken caring for God's creation In this book pastor and author Tri Robinson clearly shows the biblical mandate for environmental stewardship and how doing so will change the world around us Through biblical examples everyday stories and practical know how Robinson delivers a powerful message that cannot be ignored His insights into how to move people from the idea of stewarding God's creation to actually participating will clearly show leaders in the evangelical Christian community how to raise this value

Schleiermacher on Christian Consciousness of God's Work in History Abraham Varghese Kunnuthara, 2008-01-01 This work is a fresh unusually lucid approach to Christian theology and interfaith dialogue from India Its basic aim is to examine the Christian consciousness of God's work in history redemption history within the entire history of the world It uses Christian Faith by Friedrich Schleiermacher 1768 1834 as its main text so as to view this theme in a reversed order from the way it is presented there This approach which centers on God's new creation in Christ leads to an incisive understanding of Christianity's relation to other modes of faith Throughout Dr Kunnuthara compares the thought of another Indian Christian leader steeped in Hindu thought Pandippedi Chenchiah 1886 1959 to enable renewed interfaith dialogue across a wide spectrum

The Suicide of American Christianity Michael D. LeMay, 2012-05-11 American Christianity is dying a slow death at its own hands Instead of positively affecting the secular culture we are being infected by it under the guise of being seeker friendly and loving Soon the church may be an exact mirror of the culture that seeks to destroy us With a lack of strong principled leaders and with followers who want their ears tickled instead of being challenged to pursue righteousness American Christianity is writing its own epitaph as it slowly dies Unless we reverse course by embracing the complete absolute truth of God's Word and stop trying to redefine God in our selfish human image only a remnant will remain from a once powerful church Do we have the courage to challenge our leaders and ourselves to reject secular culture and its influences Or will we continue to die a slow death at our own hands as we continue to inhale the cancer of secular humanism Time is running out
