American Military Shoulder Arms, Volume III George D. Moller, 2011-11-16 VOLUME 1 American Military Shoulder Arms Volume I Colonial and Revolutionary War Arms focuses on the arms used from the early exploratory period throughout the colonial period and the American Revolution Arranged chronologically it contains definitive descriptions of the pre flintlock and flintlock shoulder arms used in North America and detailed accounts of the development and progression of military regulation shoulder arms of the major colonial powers from the early eighteenth century through the Revolutionary War

Gunsmoke and Saddle Leather Charles G. Worman, 2005-12-15 The many roles played by guns in the old West with personal accounts by many early settlers and hundreds of photos

The Spanish-American War and Philippine Insurrection, 1898-1902 Mark Barnes, 2010-09-13 An often overshadowed event in American military history the Spanish American War began as a humanitarian effort on the part of the United States to provide military assistance for the liberation of Cuba from Spanish domination At the time no one knew that this simple premise would result in an American empire Through extensive research Mark Barnes has created a comprehensive annotated bibliography detailing this globally significant conflict and its aftermath Insightful notes are included for every title in each chronologically organized chapter By drawing together an impressive collection of sources including some previously not readily available to English language readers Barnes has created an invaluable resource for scholars of this conflict Routledge Research Guides to American Military Studies provide concise annotated bibliographies to the major areas and events in American military history With the inclusion of brief critical annotations after each entry the student and researcher can easily assess the utility of each bibliographic source and evaluate the abundance of resources available with ease and efficiency Comprehensive concise and current Routledge Research Guides to American Military Studies are an essential research tool for any historian

The Union Army 1861-65 (1) Ron Field, 2024-01-18 This fully illustrated study investigates the uniforms and equipment of the US regular troops and volunteers from the territories fighting for the Union during the American Civil War During the American Civil War the United States Army pitted against the forces of the fledgling Confederacy fought to defend and preserve the Union during five long years of bitter conflict This volume describes and illustrates the uniforms insignia and personal equipment of the Union Army's regular infantry artillery cavalry and engineers plus specialists such as US Sharpshooters Veteran Reserve Corps Medical Corps and Signal Corps This volume also covers the troops fielded by the Territories that fought for the Union Eight plates of original artwork showing officers and enlisted men of the Union Army are complemented by previously unpublished photographs of soldiers and items of uniform from some of the most comprehensive collections in the United States

Confederate Odyssey Gordon L. Jones, 2014-11-15 Throughout his life Atlanta resident George W Wray Jr 1936 2004 built a collection of more than six hundred of the rarest Confederate artifacts including not just firearms and edged weapons but also flags uniforms and accoutrements Today Wray's collection forms an integral part of the

Atlanta History Center's holdings of some eleven thousand Civil War artifacts Confederate Odyssey tells the story of the Civil War through the Wray Collection Analyzing the collection as material evidence Gordon L Jones demonstrates how a slave based economy on the cusp of industrialization attempted to fight an industrial war The broad range of the collection includes many rare or one of a kind objects such as a patent model and early inventions by gun maker George W Morse the bloodstained coat of a seventeen year old South Carolina soldier battle flags made of cloth imported from England and arms made in Georgia the heart of the Confederacy's burgeoning military industrial complex As Civil War history Confederate Odyssey benefits from the study of material remains as it bridges the domains of professional scholars and amateur collectors such as Wray The book tells of the stories significance and context of these artifacts to general readers and Civil War buffs alike The Wray Collection is more than a gathering of relics it is a tale of historical truths revealed in small details
