

Your Conflict Rituals

Describe two conflict rituals in one of your important relationships. One of your examples should consist of a positive ritual and the other of a negative ritual. For each example, explain:

1. a subject that is likely to trigger the conflict (such as money, leisure time, affection)
2. the behavior of one partner that initiates the ritual
3. the series of responses by both partners that follows the initiating event
4. how the ritual ends

Based on your description, explain an alternative to the unsatisfying ritual, and describe how you might be able to manage the conflict in a more satisfying way.

- To help you answer this question, you might take some time to compare your positive and negative conflict rituals. What makes one ritual positive and the other negative? Is the difference in the trigger subject, initiation behavior, ritualistic responses, the outcome, or a combination of factors? Perhaps you will be able to use factors from your positive ritual to make changes to the negative one.

Rituals Of Conflict

Jeffery M. Paige, Karen Ericksen Paige

Rituals Of Conflict:

Ritual and Symbol in Peacebuilding Lisa Schirch, 2005 Serves as a guide to using ritual acts in peacebuilding efforts Abundant with examples of symbolic acts that aided the peace process Conflict is dramatic In theater literature story telling and news reporting it is a powerful mechanism that draws attention heightens the senses and evokes emotion Schirch argues that peacebuilding has the potential to do just the same Examples of peacebuilding often center on the serious rational negotiations and formal problem solving efforts in conflict situations Schirch argues though that what truly bonds adversaries and helps achieve peace are the symbolic non verbal ritual acts shaking hands sharing a meal showing a photograph of a loved one Yet these are often overlooked as deliberate components of peace negotiations *Ritual and Symbol in Peacebuilding* underscores the importance of incorporating symbolic tools including ritual into traditional approaches to conflict Ritual assists in solving complex deep rooted conflicts and helps to confirm and transform worldviews identities and relationships With theories and language to explain the symbolic dimensions of conflict this text will be useful to scholars and practitioners active in the diverse field of peacebuilding

The Rituals of Conflict Kathleen Lusk, 1975 *Ritual, Media, and Conflict* Ronald L. Grimes, Ute Husken, Udo Simon, Eric Venbrux, 2011-03-23 An interdisciplinary team of twenty four scholars locates describes and explores cases in which media driven rituals or ritually saturated media instigate disseminate or escalate conflict The book s central question is When ritual and media interact either by the mediatizing of ritual or by the ritualizing of media how do the patterns of conflict change Rituals of Conflict Ira Sharkansky, 1996 Kosher food secular marriage divorce burial abortion and other medical procedures

The Role of Traditional Rituals in Conflict Management Job Akuni, 2011-07 For over two decades northern Uganda has been at the epicentre of the most violent conflict waged by the Lord s Resistance Army LRA rebels against the Government of Uganda The LRA has been using some traditional and Christian rituals in its war The LRA conflict has evolved and has had regional security implications to the Great Lakes of Africa In this book the author examines whether integrating context specific indigenous ritual elements into contemporary conflict management approaches would address the characteristically ritualistic LRA conflict Using the case of the Acholi of northern Uganda the author critically examines the efficacy of indigenous rituals in conflict transformation The major findings revealed that some Acholi indigenous rituals have been used for generations in the management of small scale conflicts and are perceived to be effective Whether the indigenous rituals that are perceived as effective in the management of small scale conflicts have the potentials of being adapted in the management of the LRA conflict remains controversial It is through this unique lens that the book contributes to the contemporary debate on ending the LRA conflict

Religious Interaction Ritual Scott Draper, 2019-02-12 This book is a microsociological study of religious practice based on fieldwork with Conservative Jews Bible Belt Muslims white Baptists black Baptists Buddhist meditators and Latino Catholics In each case the author scrutinizes how a congregation s ritual strategies help or hinder their efforts to achieve a transformative

spiritual encounter an intense feeling that becomes the basis of their most fundamental understandings of reality The book shows how these transformative spiritual encounters routinely depend on issues that can seem rather mundane by comparison such as where the sanctuary's entrance is located how many misprints end up in the church bulletin or how long the preacher continues to preach beyond lunchtime The spirit responds to other dynamics as well such as how congregations collectively imagine outsiders or how they talk about ideas like individualism and patriarchy Building on provocative theories from sociologists such as mile Durkheim Erving Goffman Randall Collins and Anne Warfield Rawls this book shows how interaction ritual theory opens compelling new pathways for sociological scholarship on religion Micro level specifics from fieldwork in Texas are supplemented with large scale survey analysis of a wide array of religious organizations from across the United States

Relational Rituals and Communication D. Kádár, 2013-06-27 This book provides a ground breaking interaction based framework of rituals drawing on multiple research disciplines It examines ritual as a relational action constructed in interaction through pre existing patterns and captures the features of ritual phenomena by analysing interactants behaviour in culturally and socially diverse contexts

Identity, Ritual, and Power in Colonial Puebla Frances L. Ramos, 2012-09-01 Located between Mexico City and Veracruz Puebla has been a political hub since its founding as Puebla de los ngeles in 1531 Frances L Ramos's dynamic and meticulously researched study exposes and explains the many and often surprising ways that politics and political culture were forged tested and demonstrated through public ceremonies in eighteenth century Puebla colonial Mexico's second city With Ramos as a guide we are not only dazzled by the trappings of power the silk canopies brocaded robes and exploding fireworks but are also witnesses to the public spectacles through which municipal councilmen consolidated local and imperial rule By sponsoring a wide variety of carefully choreographed rituals the municipal council made locals into audience participants and judges of the city's tumultuous political life Public rituals encouraged residents to identify with the Roman Catholic Church their respective corporations the Spanish Empire and their city but also provided arenas where individuals and groups could vie for power As Ramos portrays the royal oath ceremonies funerary rites feast day celebrations viceregal entrance ceremonies and Holy Week processions we have to wonder who paid for these elaborate rituals and why Ramos discovers and decodes the intense debates over expenditures for public rituals and finds them to be a central part of ongoing efforts of councilmen to negotiate political relationships Even with the Spanish Crown's increasing disapproval of costly public ritual and a worsening economy Puebla's councilmen consistently defied all attempts to diminish their importance Ramos innovatively employs a wealth of source materials including council minutes judicial cases official correspondence and printed sermons to illustrate how public rituals became pivotal in the shaping of Puebla's complex political culture

Taking Wrongs Seriously Elazar Barkan, Alexander Karn, 2006 This multi disciplinary collection examines the recent wave of political apologies for acts of past injustice

Ritual and Rhetoric in Leviticus James W. Watts, 2007-07-02 Ritual and Rhetoric in Leviticus uses rhetorical analysis to expose the

motives behind the writing of the central book of the Torah Pentateuch and its persuasive function in ancient Judaism The answer to the question who was trying to persuade whom of what by writing these texts proves to be quite consistent throughout Leviticus 1 16 Aaronide high priests and their supporters used this book to legitimize their monopoly over the ritual offerings of Jews and Samaritans With this priestly rhetoric at its center the Torah supported the rise to power of two priestly dynasties in Second Temple Judaism Their ascendancy in turn elevated the prestige and rhetorical power to the book making it the first real scripture in Near Eastern and Western religious traditions

When Rituals Go Wrong Ute Hüsken, 2007 This volume investigates the implications of breaking ritual rules of failed performances and of the extinction of ritual systems The essays thus break new ground in the comparative analysis of rituals and introduce new perspectives to ritual studies

Pictorial Law Volker Boehme-Neßler, 2010-10-07 We live in a digital Media Society in which pictures are becoming more and more important So human communication is increasingly becoming a visual communication That is not a new finding But the new question is What does this development mean for the law Up to now the law is the part of the society which is most sceptical towards images Law has still resisted the visual temptation This will not last for ever The rush of pictures in everyday life and in every part of the society is much too strong and it is even getting stronger The invasion of images will change the character of modern law deeply Modern law will become a Pictorial Law What are the chances and the risks of Pictorial Law and visual law communication This is the topic of the book

Conflict and Conflict Resolution Among Waliso Oromo of Eastern Macha Dejene Gemechu, 2007

Ritual, Media, and Conflict, 2011 Here an interdisciplinary team of 24 scholars locates describes and explores cases in which media driven rituals or ritually saturated media instigate disseminate or escalate conflict Each chapter built around global and local examples of ritualized mediatized conflict is multi authored

The Halo of Golden Light Asuka Sango, 2015-03-31 In this pioneering study of the shifting status of the emperor within court society and the relationship between the state and the Buddhist community during the Heian period 794 1185 Asuka Sango details the complex ways in which the emperor and other elite ruling groups employed Buddhist ritual to legitimate their authority Although considered a descendant of the sun goddess Amaterasu the emperor used Buddhist idiom particularly the ideal king as depicted in the Golden Light Sutra to express his right to rule Sango's book is the first to focus on the ideals presented in the Sutra to demonstrate how the ritual enactment of imperial authority was essential to justifying political power These ideals became the basis of a number of court sponsored rituals the most important of which was the emperor's Misae Assembly Sango deftly traces the changes in the assembly's format and status throughout the era and the significant shifts in the Japanese polity that mirrored them In illuminating the details of these changes she challenges dominant scholarly models that presume the gradual decline of the political and liturgical influence of the emperor over the course of the era She also compels a reconsideration of Buddhism during the Heian as state Buddhism by showing that monks intervened in creating the state's policy toward the religion to their own advantage Her

analysis further challenges the common view that Buddhism of the time was characterized by the growth of private esoteric rites at the expense of exoteric doctrinal learning The Halo of Golden Light draws on a wide range of primary sources from official annals and diaries written by courtiers and monks to ecclesiastical records and Buddhist texts many of them translated or analyzed for the first time in English In so doing the work brings to the surface surprising facets in the negotiations between religious ideas and practices and the Buddhist community and the state

Contemporary Confucian Political Philosophy Stephen C. Angle, 2012-06-25 Confucian political philosophy has recently emerged as a vibrant area of thought both in China and around the globe This book provides an accessible introduction to the main perspectives and topics being debated today and shows why Progressive Confucianism is a particularly promising approach Students of political theory or contemporary politics will learn that far from being confined to a museum contemporary Confucianism is both responding to current challenges and offering insights from which we can all learn The Progressive Confucianism defended here takes key ideas of the twentieth century Confucian philosopher Mou Zongsan 1909 1995 as its point of departure for exploring issues like political authority and legitimacy the rule of law human rights civility and social justice The result is anti authoritarian without abandoning the ideas of virtue and harmony it preserves the key values Confucians find in ritual and hierarchy without giving in to oppression or domination A central goal of the book is to present Progressive Confucianism in such a way as to make its insights manifest to non Confucians be they philosophers or simply citizens interested in the potential contributions of Chinese thinking to our emerging shared world

Rituals for Work Kursat Ozenc, Margaret Hagan, 2019-04-09 Experience the transformative power of creative rituals in the workplace Rituals for Work shows us how creative rituals can make our personal and business lives more meaningful and rewarding Rituals are powerful tools they reinforce good habits motivate personal and professional achievement create a common bond between co workers and build shared values they can transform an organization s culture and provide a foundation to achieve common goals Focusing on real world examples this book takes a practical approach to the power and benefits of workplace rituals This insightful guide presents 50 creative rituals from business and management to design and personal development Specific case studies highlight the use of rituals and their positive impact to real world organizations while vivid visuals allow us to feel their energy and emotion A ritual is only effective when its purpose is clearly defined This book goes beyond simple analysis to provide actual recipes for individual rituals designed to promote specific habits change negative behaviors and instill values Each ritual can be adapted to achieve a multitude of goals and tailored to fit your organization or team s specific needs Change behaviors form positive habits and assign meaning to shared goals Build shared values foster innovation and encourage strong teamwork Deal with conflicts effectively and engage others to work on resolutions Learn the fundamental concepts of ritual building and share your knowledge with your team An informative and inspirational resource for executives managers team leaders and employees of every level Rituals for Work provides a blueprint for building a culture of

engagement innovation and shared purpose for organizations of all sizes across industries **The Politics of Reproductive Ritual** Jeffery M. Paige, Karen Ericksen Paige, 2023-04-28 A welcome addition They argue that rituals of reproduction in preindustrial societies are essentially political In these societies they say men need to control the reproductive power of women in order to establish political power where there is no law or central government ritual is used as a way of gaining control The type of ritual will vary they conclude according to the economic base of the society for those who are interested in the subject this book is indispensable Its thesis is challenging and the documentation is excellent Paige and Paige have made an essential contribution to a long debate and their theory is sure to stir new and lively controversy Science Digest This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1981 *Prehispanic Settlement Patterns in the Upper Mantaro and Tarma Drainages, Junín, Peru* Jeffrey R. Parsons, Charles M. Hastings, Ramiro Matos M., 2000-01-01 An archaeological study of ancient settlement patterns in Peru's rugged and diverse central highlands **The Wiley Blackwell Companion to Religion and Peace** Jolyon Mitchell, Suzanna R. Millar, Francesca Po, Martyn Percy, 2022-08-02 Incisive contributions from leading and emerging scholars in the field of Peace Studies In the Wiley Blackwell Companion to Religion and Peace a team of renowned scholars delivers an authoritative and interdisciplinary sourcebook that addresses the key concepts history theories models resources and practices in the complex and ambivalent relationship between religion and peace The editors have included contributions from a wide range of perspectives and locations that reflect diverse methods and approaches The Companion provides a collection grounded in experience and context that draws on established developing and new research characterized by academic rigor The differences between the approaches taken by several religious traditions are fully explored and numerous case studies highlight relevant theories models and resources Accessible as either a standalone collection or as a partner to the Companion to Religion and Violence this edited volume also offers A thorough introduction to religion and its search for peace including the relationships between religion and peace and theories and practices for studying the interplay between religion and peace Comprehensive explorations of religion and peace in local contexts including discussions of women's empowerment and peacebuilding in an Islamic context Practical discussions of practices and embodiments of religion and peace including treatments of museums for peace and self religion in global peace movements In depth examinations of lived Christian theologies and building peace including discussions of Martin Luther King Jr and spiritual activism in Scotland Perfect for students and scholars of peacemaking peacekeeping and peace building the Wiley Blackwell Companion to Religion and Peace will also earn a place in the libraries of anyone professionally or personally interested in the field of Peace or Religious Studies International Relations History Politics or Theology
