Riverchase Heather Jones Skaggs, 2016 If residents of the original c 1900s mining town of Acton Alabama looked into the future would they have imagined that the area would develop into the multimillion dollar planned community it is today In the late 1960s John M Harbert III 1921 1995 founder of Harbert Corporation saw tremendous potential for land in Acton owned by the Chace brothers In 1974 the Harbert Corporation partnered with Equitable Life Assurance Society of the United States to form Harbert Equitable Joint Venture Riverchase This plan was not a concrete jungle of homes and businesses The venture called for a careful blending of new development with its surrounding natural landscape This plan spoke to man's need to be part of nature albeit in a new and responsible way Today Riverchase is a picturesque community steeped in land preservation business development and community pride The story of Riverchase is conveyed through the memories of its residents in *Images of Modern America Riverchase* In her third book with Arcadia Publishing author Heather Jones Skaggs a former editor for FOX6 News steps into the modern history of Riverchase to share another Hoover Alabama community through photographs from the late 1970s to today Publisher's description
