Out Takes Ellis Hanson,1999 Brings together the work of both film scholars and queer theorists to advance a more sophisticated notion of queer film criticism **The Road Movie Book** Steven Cohan,Ina Rae Hark,2002-01-04 The Road Movie Book is the first comprehensive study of an enduring but ever changing Hollywood genre its place in American culture and its legacy to world cinema The road and the cinema both flourished in the twentieth century as technological advances brought motion pictures to a mass audience and the mass produced automobile opened up the road to the ordinary American When Jean Baudrillard equated modern American culture with space speed cinema technology he could just as easily have added that the road movie is its supreme emblem The contributors explore how the road movie has confronted and represented issues of nationhood sexuality gender class and race They map the generic terrain of the road movie trace its evolution on American television as well as on the big screen from the 1930s through the 1980s and finally consider road movies that go off the road departing from the US landscape or travelling on the margins of contemporary American culture Movies discussed include Road classics such as It Happened One Night The Grapes of Wrath The Wizard of Oz and the Bob Hope Bing Crosby Road to films 1960 s reworkings of the road movie in Easy Rider and Bonnie and Clyde Russ Meyer s road movies from Motorpsycho to Faster Pussycat Kill Kill Contemporary hits such as Paris Texas Rain Man Natural Born Killers and Thelma and Louise The road movie Australian style from Mad Max to the Adventures of Priscilla Queen of the Desert

Humoring the Other Mounir Sanhaji,2018-10-09 This book offers an inquiry into the ways in which entertainment discourse extends beyond entertainment and its initial humorous function due to its political and ideological underpinnings Rather than considering entertainment discourse as just for fun this book justifies the importance of taking it seriously Humorous features in entertainment discourses can trivialize some stereotypical moments and in doing so encourage viewers to downplay the seriousness of the events they are watching In other words these stereotypical images are camouflaged and mitigated by the inclusion of humorous elements and imaginative images which can lead the audience to perceive them as natural scenes that do not deserve criticism Embedding banalities within entertainment discourses remains an effective strategy that drives the audience to laugh meaning that they fail to detect the embedded ideologies regarding different cultures and identities This confirms the fact that small talk can often become big talk

Hollywood Movie Musicals John Howard Reid,2006-04 When most people think of movie musicals films like Singin in the Rain Sound of Music The Red Shoes On the Town White Christmas Ziegfeld Follies Top Hat Funny Face and Funny Girl immediately come to mind Such films are included in this book as are many of the works of major stars including Fred Astaire Bing Crosby Gene Kelly Betty Grable Shirley Temple Julie Andrews Elvis Presley Lucille Ball

Alice Faye Jeanette MacDonald Maurice Chevalier Nelson Eddy Doris Day Dick Powell Betty Hutton Eleanor Powell and Al Jolson But attention is also drawn to less lavishly produced but very pleasant musical offerings from both major and minor studios including perhaps the finest B musical ever made In all 125 pictures are reviewed and detailed with full cast and technical credits plus songs and musical numbers awards release dates and other essential background information **Is**

ROME RISING: ROAD TO ARMAGEDDON ROME RISING: ROAD TO ARMAGEDDON,2023-02-09 As 1942 draws to a close the world is still in a state of Chaos with fighting occurring nearly worldwide The intensity of the fighting seems to grow with each passing day In the far east there is a growing hope by the Allies that serious cracks are developing in the Japanese plan to dominate the region Following the triumph battle of Midway Churchill has released to the Pacific submarines and aircraft carriers previously engaged in supply and defense of the lost island of Malta The added effect was victory after victory in the region Never thought possible teams of American generals and Admirals were working hand in hand with their British counterparts to save China and drive the Japanese back However this stood in sharp contrast with the setbacks Hitler was inflicting on Stalin The port city of Sevastopol had fallen and yet another vicious struggle led by German General Erich von Manstein was being waged in the environs of Leningrad and the far north On the Eurasian Steppe rebuilt Panzer Divisions from the winter debacle had sweep Stalin s troops before them all the way to the gates of Stalingrad It now appears the 1942 German Russian offensive has been stopped however Italian sea air and land forces had just successfully captured much of the Russian Black Sea coast It would appear that things were looking up for Hitler and that Stalin was in a bad way Although Stalin was furious with his field commanders for letting so much of the motherland slip out of his hands he knew winter was coming and with it revenge Literally millions of Soviet troops and thousands of tanks and planes were standing in the wings preparing for a whole host of offenses All were backed up with thousands of tons of weapons and supplies courtesy Roosevelt and Churchill But Hitler s iron grip was beginning to slip In hundreds of secret conversations criticism was building as

growing evidences of secret brutality excesses and regime incompetence were building Fuel tanks were near empty serious raw material shortage were at hand and everyday and night more British and American bombs fell on German factories and cities The U boat blockade appeared to be having no effect not true Those in the know recognized the imprint of competent leadership by Generals like Heinz Guderian who had even managed to turn the Italian military around Here again things were not what they seemed for while acquiring German and captured technology and equipment Italian spies and salvage crews also acquired information Information these spies recently came into revealed how threatened Italy s survival truly was Mussolini was keenly aware this information was both dangerous and potentially an avenue to securing the empire he so greatly desired perhaps even preeminence in the Axis camp Before he could win the battle in the shadows his forces must successfully defend the central Mediterranean If German Admiral Raeder was correct the Allies would most surely wager everything they had to regain control and destroy Italy This great challenge began more quickly than Mussolini would have liked He knew even if they won it would probably not be enough but if they lost nothing could save them After holding off much of British 8th Army attempting to capture Mersa Matruh North Africa Italian forces counter attack using their modified captured tanks While Italians attack in the north German Africa Korps attacks from the south British forces are driven across the desert past Mussolini s recently erected Triumphal Arch One pincer of the Allies plan to trap Axis forces in Africa has been removed In the west the Allies massive Torch invasion fleet must now take back the Mediterranean on its own
