From one of our finest literary biographers comes a brilliant biography of Roald Dahl, the much-loved author and creator of countless iconic literary characters. Roald Dahl was one of the world's greatest storytellers. He conceived his vocation as that of any fearless explorer, and in his writing for children he was able to tap into a child's viewpoint throughout his life. He crafted tales that were exotic in scenario, frequently invested with a moral, and filled with vibrant characters that endure in public imagination to the present day. In this brand new biography, Matthew Dennison re-evaluates the traditional narrative surrounding Dahl, that of school sporting hero, daredevil pilot, and wartime spy, turned author, and examines surviving primary resources as well as Dahl's extensive literary output to tell the story of a man who identified as a rule breaker, an iconoclast, and a romantic, both insider and outsider, war hero and child's friend. **Roald Dahl** Ann Alston, Catherine Butler,2012-11-01 Roald Dahl is one of the world's best-loved authors. More than twenty years after his death, his books are still highly popular with children and have inspired numerous feature films; yet he remains a controversial figure. This volume, the first collection of academic essays ever devoted to Dahl's work, brings together a team of well-known scholars of children's literature to explore the man, his books for children, and his complex attitudes towards various key subjects. Including essays on education, crime, Dahl's humour, his long-term collaboration with the artist Quentin Blake, and film adaptations, this fascinating collection offers a unique insight into the writer and his world. **Roald Dahl: Whizzpopping Joke Book** Roald Dahl,2016-09-13 This collection of hundreds of great jokes would make even the Trunchbull laugh. Inspired by Roald Dahl's wonderful world, these gigglesome gags are guaranteed to raise a chuckle from human beans young and old. [Roald Dahl](#) Jason Hook,2004 Introduces the life and work of children's author Roald Dahl, whose famous characters include Charlie Wonka, Matilda, James, and the BFG. **Roald Dahl and Philosophy** Jacob M.
