

A black and white portrait of Robert Kennedy, looking slightly to the right. The image is the background of the book cover.

Robert Kennedy In His Own Words

The Unpublished
Recollections of
the Kennedy Years

Foreword by Arthur M. Schlesinger, Jr.

Robert F Kennedy In His Own Words

David Kaiser

Robert F Kennedy In His Own Words:

Let Every Nation Know Robert Dallek, Terry Golway, 2007-05 *Let Every Nation Know* is the first book of its kind a historical biography in Kennedy's own words Combining a remarkable audio CD of Kennedy's most famous speeches debates and press conferences with the insights of two of America's preeminent historians the result is a unique look at the world changing words and presidency of John F Kennedy Robert Dallek author of the 1 bestselling biography *An Unfinished Life* and Terry Golway author of *Washington's General* bring to life the soaring oratory marvelous wit and the intense drama of Kennedy's words and the events they evoke I had forgotten just how powerful these speeches were but the CD brings them to life once more and Dallek and Golway have done a masterful job of putting them into context Bob Schieffer CBS News

Robert Kennedy Robert F. Kennedy, Edwin O. Guthman, Jeffrey Shulman, 1988-01-01 *Robert F. Kennedy in his own words* Robert F. Kennedy, 1988 *Robert Kennedy* Edwin O. Guthman, Arthur M. Schlesinger, Jr., 1991-01-01 Kennedy offers a candid account of a turbulent era drawn from previously unpublished conversations with famous figures of the day including Arthur Schlesinger Jr Edward Guthman and Anthony Lewis *John F. Kennedy in His Own Words* John Fitzgerald Kennedy, 2005 A powerful far reaching collection of Kennedy's words revealing a broad picture not only of the man but the great reach of his ideas often obscured by the drama of history A Pulitzer Prize winning journalist and a clinical psychologist collect examples of Kennedy's thinking on diverse issues distilled from formal addresses speeches newspaper and magazine articles and presidential debates as well as private correspondence with friends and aides conversations and his college diary

An Idea Whose Time Has Come Todd S. Purdum, 2014-04-01 The story of the behind the scenes political battle to pass the 1964 Civil Rights Act Excellent a highly readable play by play *The Atlantic* It was a turbulent time in America a time of sit ins freedom rides a March on Washington and a governor standing in the schoolhouse door when John F Kennedy sent Congress a bill to bar racial discrimination in employment education and public accommodations Countless civil rights measures had died on Capitol Hill in the past But this one was different because as one influential senator put it it was an idea whose time has come In this revealing book Todd S Purdum tells the story of the Civil Rights Act of 1964 recreating the legislative maneuvering and the larger than life characters who made its passage possible From the Kennedy brothers to Lyndon Johnson from Martin Luther King Jr to Hubert Humphrey and Everett Dirksen Purdum shows how these all too human figures managed in just over a year to create a bill that prompted the longest filibuster in the history of the US Senate yet was ultimately adopted with overwhelming bipartisan support He evokes the high purpose and low dealings that marked the creation of this monumental law drawing on extensive archival research and dozens of new interviews that bring to life this signal achievement in American history an example in our own troubled time of what is possible when bipartisanship decency and patience rule the day Brilliantly rendered and emotionally powerful a riveting account of one of the most dramatic and significant moments in American history Doris Kearns Goodwin Today's reader will be startled if not astonished by how the

bill made its way through Congress The Washington Post Worthy timely and intelligent The New Yorker A first rate narrative The Wall Street Journal Robert Kennedy Evan Thomas,2013-02-05 He was Good Bobby who as his brother Ted eulogized him saw wrong and tried to right it saw suffering and tried to heal it And Bad Bobby the ruthless and manipulative bully of countless conspiracy theories Thomas s unvarnished but sympathetic and fair minded portrayal is packed with new details about Kennedy s early life and his behind the scenes machinations including new revelations about the 1960 and 1968 presidential campaigns the Cuban Missile Crisis and his long struggles with J Edgar Hoover and Lyndon Johnson **Robert F. Kennedy** Steven K. Schneider,2001-01-11 What we need in the United States is not division what we need in the United States is not hatred what we need in the United States is not violence or lawlessness but love and wisdom and compassion toward one another Robert F Kennedy It was this message that Robert Kennedy took to the American people in his ill fated senatorial campaign his last and final one that would lead to his assassination It would end not only a colorful career but also end a message of hope for the troubled 60 s Robert F Kennedy was born into a wealthy and competitive family The message for every Kennedy was to strive hard work hard and by all means win your battles He spent his whole life trying to reach new goals and new heights Whether it was helping his brother with campaigning becoming Attorney General or by scaling mountaintops or kayaking down swift rivers Robert always believed in pushing oneself further and further Even with the untimely death of his brother John Robert continued his quest to make it on his own He was successful in becoming a United States senator from New York which gave him an opportunity to help the poor and uneducated **Robert Kennedy** James Hilty,2000-04 For most of his life Robert Kennedy stood in the shadow cast by his older brother John only after President Kennedy s assassination did the public gain a complete sense of Robert Bobby we called him as a committed advocate for social justice and a savvy politician in his own right In this comprehensive biography James W Hilty offers a detailed and nuanced account of how Robert was transformed from a seemingly unpromising youngster unlikely to match the accomplishments of his older brothers to the forceful man who ran the family business orchestrating the Kennedy quest for political power *RFK* Robert F. Kennedy,2018-05-01 An inspiring collection of Robert Francis Kennedy s most famous speeches accompanied by commentary from notable historians and public figures Twenty five years after Bobby Kennedy was assassinated RFK His Words for Our Times a celebration of Kennedy s life and legacy was published to enormous acclaim Now this classic volume has been thoroughly edited and updated Through his own words we get a direct and intimate perspective on Kennedy s views on civil rights social justice the war in Vietnam foreign policy the desirability of peace the need to eliminate poverty and the role of hope in American politics Here too is evidence of the impact of those he knew and worked with including his brother John F Kennedy Lyndon Johnson Martin Luther King Jr and Cesar Chavez among others The tightly curated collection also includes commentary about RFK s legacy from major historians and public figures among them Barack Obama Bill Clinton Eric Garcetti William Manchester Elie Wiesel and Desmond Tutu Assembled with the full

cooperation of the Kennedy family RFK His Words for Our Times is a potent reminder of Robert Kennedy's ability to imagine a greater America a faith and vision we could use today Themes include civil rights mistrust of large government citizen participation in local government eliminating poverty and ending the Vietnam War The speeches demonstrate Kennedy's skill at connecting with large enthusiastic audiences with promises of hope and equality Library Journal A blueprint for the future Vital Speeches *Martyrs to the Unspeakable* Douglass, James W.,2025-10-29 A Companion to John F. Kennedy Marc J. Selverstone,2014-03-24 b A COMPANION TO JOHN F KENNEDY A COMPANION TO JOHN F KENNEDY Marc J Selverstone has compiled an indispensable volume of essays on John F Kennedy and his presidency written by a stellar cast of scholars What stands out in sharp relief in this wide ranging and authoritative book is how consequential were Kennedy's thousand days for the United States and for the world and how controversial is his legacy Fredrik Logevall Stephen and Madeline Anbinder Professor of History Cornell University Marc J Selverstone has brought together a remarkable group of scholars who illuminate the many important ideas of and events that occurred during this brief administration This book is the best record of the Kennedy years Alan Brinkley Allan Nevins Professor of American History Columbia University This collection of talented scholars and their research and thoughts on John F Kennedy is an invaluable resource a deeply informed conversation for the ages Richard Reeves writer syndicated columnist and senior lecturer at the Annenberg School for Communication at the University of Southern California **The Dillon Era** Richard Aldous,2023-10-02 C Douglas Dillon heir to a vast investment banking fortune and one of the richest men in America during his political career was a Republican who served in a Democratic administration and became one of the greatest modern treasury secretaries He believed in bipartisanship and public duty a sensibility that has all but faded from the current political climate With exclusive access to the family's archive in *The Dillon Era* Richard Aldous sets fresh eyes on a well documented period in recent American history unfolding a deeply influential but somewhat overlooked political career In 1953 President Eisenhower appointed Dillon as ambassador to Paris and he promoted him to second in command in the State Department in 1958 Tapped by Presidents Kennedy and Johnson for treasury secretary to reassure Wall Street that the nation's finances were in safe hands Dillon would become one of President Kennedy's closest advisors and perhaps the only cabinet member who was a personal friend His impact on the Kennedy and Johnson administrations was immense not least in delivering the most comprehensive income tax cuts the nation had ever seen Overseas he worked to sustain political cooperation as the Bretton Woods system threatened to unravel By the time he left office in 1965 the Washington Post recognized Dillon as by far the best Secretary of the Treasury of the postwar period and European Economic Community president Walter Hallstein hailed a new Dillon era Dillon advocated for evolution and reform over radicalism and he placed the national interest above party interest *The Dillon Era* throws new light on the postwar period identifying Dillon as a pivotal figure in American policymaking during these crucial years of the Cold War *Robert F. Kennedy in His Own Words [sound Recording]* Robert F. Kennedy,1995

Robert F. Kennedy and the Shaping of Civil Rights, 1960-1964 Philip A. Goduti, Jr., 2012-11-08 From the 1960 John F Kennedy presidential campaign to the signing of the Civil Rights Act of 1964 Attorney General Robert F Kennedy and the Department of Justice worked tirelessly to change the climate of civil rights in the nation This book explores how the Kennedy brothers and leaders such as Martin Luther King Jr John Lewis and James Meredith among others pushed for change at a critical time Through an analysis of White House memoranda speeches telephone conversations and recorded discussions as well as secondary sources this study explores Robert Kennedy's role in key events of the civil rights movement which include the Freedom Rides in 1961 the Ole Miss crisis in 1962 and the Birmingham campaign and March on Washington in 1963 The combined efforts of the Kennedys and these leaders helped change the atmosphere in the nation to one of acceptance and opportunity for African Americans and other minorities *The Road to Dallas* David Kaiser, 2008-03-31 Neither a random event nor the act of a lone madman the assassination of President John F Kennedy was an appalling and grisly conspiracy This is the unvarnished story With deft investigative skill David Kaiser shows that the events of November 22 1963 cannot be understood without fully grasping the two larger stories of which they were a part the U S government's campaign against organized crime which began in the late 1950s and accelerated dramatically under Robert Kennedy and the furtive quest of two administrations along with a cadre of private interest groups to eliminate Fidel Castro The seeds of conspiracy go back to the Eisenhower administration which recruited top mobsters in a series of plots to assassinate the Cuban leader The CIA created a secretive environment in which illicit networks were allowed to expand in dangerous directions The agency's links with the Mafia continued in the Kennedy administration although the President and his closest advisors engaged in their own efforts to overthrow Castro thought this skullduggery had ended Meanwhile Cuban exiles right wing businessmen and hard line anti Communists established ties with virtually anyone deemed capable of taking out the Cuban premier Inevitably those ties included the mob The conspiracy to kill JFK took shape in response to Robert Kennedy's relentless attacks on organized crime legal vendettas that often went well beyond the normal practices of law enforcement Pushed to the wall mob leaders merely had to look to the networks already in place for a solution They found it in Lee Harvey Oswald the ideal character to enact their desperate revenge against the Kennedys Comprehensive detailed and informed by original sources *The Road to Dallas* adds surprising new material to every aspect of the case It brings to light the complete frequently shocking story of the JFK assassination and its aftermath **The Kennedys in the World** Lawrence J. Haas, 2021-03 Lawrence J Haas explores how the Kennedy brothers reshaped America's empire for more than six decades after World War II **The Road to Camelot** Thomas Oliphant, Curtis Wilkie, 2017-05-09 John F Kennedy and his young warriors invented modern presidential politics They turned over accepted wisdom that his Catholicism was a barrier to winning an election and plotted a successful course to that constituency They hired Louis Harris a polling entrepreneur to become the first presidential pollster They twisted arms and they charmed They lined up party bosses young enthusiasts and

fellow Catholics and turned the traditional party inside out The last minute invitation to Lyndon B Johnson for vice president in 1956 surprised them only because they had failed to notice that he wanted it They invented The Missile Gap in the Cold War and out glamoured Richard Nixon in the TV debates Now journalists Tom Oliphant and Curtis Wilkie provide the most comprehensive account based on a depth of personal reporting interviews and archives The authors have examined more than 1 600 oral histories at the John F Kennedy library they ve interviewed surviving sources including JFK s sister Jean Smith and they draw on their own interviews with insiders including Ted Sorensen and Arthur Schlesinger Jr From the start of the campaign in 1955 when his father tried to persuade President Johnson to run with JFK as his running mate The Road to Camelot reveals him as a tough shrewd political strategist who kept his eye on the prize Justice Rising Patricia Sullivan,2021-06-08 Bobby Kennedy wasn t the most visible figure in the civil rights movement but his impact was

transformative As attorney general he protected the Freedom Riders and turned the Justice Department from an enemy of civil rights into an enforcer of antiracist policies Patricia Sullivan gives Kennedy his rightful place as a force for racial justice

Ask Not Thurston Clarke,2010-12-28 2013 is the 50th Anniversary of JFK s assassination A narrative of Kennedy s quest to create a speech that would distill American dreams and empower a new generation Ask Not is a beautifully detailed account of the inauguration and the weeks preceding it During a time when America was divided and its citizens torn by fears of war John F Kennedy took office and sought to do more than just reassure the American people His speech marked the start of a brief optimistic era Thurston Clarke s portrait of JFK is balanced revealing the president at his most dazzlingly charismatic and cunningly pragmatic Thurston Clarke s latest book JFK s Last Hundred Days is currently available in hardcover
