John Lewis Gaddis

Russia The Soviet Union And The United States An Interpretive History:

Russia, the Soviet Union, and the United States John Lewis Gaddis, 1978 Forfatteren er professor i historie ved Ohio University Gennemgår og forklarer de vekslende relationer mellem de to magter siden 1781 *Russia, the Soviet Union, and the United States* John Lewis Gaddis, 1978 **Russia, the Soviet Union and the United States** Distinguished Professor of History and Director of the Contemporary History Institute John Lewis Gaddis, 1978-01-01 *Russia, the Soviet Union, and the United States: an Interpretive History. Second Edition* John Lewis Gaddis, 1990 **russia, the soviet union, and the united states: an interpretive history** john lewis gaddis, 1978 **The First Cold Warrior** Elizabeth Spalding, 2006-05-26 From the first days of his unexpected presidency in April 1945 through the landmark NSC 68 of 1950 Harry Truman was central to the formation of America's grand strategy during the Cold War and the subsequent remaking of U.S. foreign policy Others are frequently associated with the terminology of and responses to the perceived global Communist threat after the Second World War Walter Lippmann popularized the term cold war and George F. Kennan first used the word containment in a strategic sense Although Kennan Secretary of State Dean Acheson and Secretary of Defense George C. Marshall have been seen as the most influential architects of American Cold War foreign policy *The First Cold Warrior* draws on archives and other primary sources to demonstrate that Harry Truman was the key decision maker in the critical period between 1945 and 1950 In a significant reassessment of the thirty-third president and his political beliefs Elizabeth Edwards Spalding contends that it was Truman himself who defined and articulated the theoretical underpinnings of containment His practical leadership style was characterized by policies and institutions such as the Truman Doctrine the Marshall Plan NATO the Berlin airlift the Department of Defense and the National Security Council Part of Truman's unique approach shaped by his religious faith and dedication to anti-communism was to emphasize the importance of free peoples democratic institutions and sovereign nations With these values he fashioned a new liberal internationalism distinct from both Woodrow Wilson's progressive internationalism and Franklin D. Roosevelt's liberal pragmatism which still shapes our politics Truman deserves greater credit for understanding the challenges of his time and for being America's first cold warrior This reconsideration of Truman's overlooked statesmanship provides a model for interpreting the international crises facing the United States in this new era of ideological conflict **The Rise of Nations in the Soviet Union** Council on Foreign Relations, 1991 In this collection of essays five experts on the Soviet Union describe the disintegration of the Soviet empire and its implications for American policy It begins with a historical overview of the multinational character of Russia and the Soviet Union with special attention to the similarities and differences between the present moment and the years immediately following the revolution of 1917 Other essays assess the strength of nationalism in the Soviet West the Baltics the Slavic republics of Belorussia Ukraine and Russia and Moldova and the Soviet South including Armenia Azerbaijan Georgia and the five largely Muslim republics of Central Asia Kazakhstan Uzbekistan Tajikistan Turkmenistan and Kirghizia The volume concludes with a

look at the issues that the upheaval in the 15 republics presents for U S foreign and security policy ISBN 0 87609 100 1 pbk 14 95

A History of Russia Volume 1 Walter G. Moss, 2003-07-01 This new edition retains the features of the first edition that made it a popular choice in universities and colleges throughout the US Canada and around the world Moss s accessible history includes full treatment of everyday life the role of women rural life law religion literature and art In addition it provides many other features that have proven successful including a well organized and clearly written text references to varying historical perspectives numerous illustrations and maps fully updated bibliographies accompanying each chapter as well as a general bibliography a glossary and chronological and genealogical lists

The Oxford Encyclopedia of American Military and Diplomatic History Timothy J. Lynch, 2013 Entries written by renowned diplomatic and military historians as well as key scholars in international relations Provides assessments and analyses of key episodes issues and actors in the military and diplomatic history of the United States Based on the award winning Oxford Companion to United States History Comprehensive collection of entries that span the founding of the U S to its present state Offers a wide range of perspectives to provide an encompassing context of the United States military and diplomatic legacies Expansive bibliographies and suggested readings for each article to aid in research The Oxford Encyclopedia of American Military and Diplomatic History a two volume set will offer both assessment and analysis of the key episodes issues and actors in the military and diplomatic history of the United States At a time of war in which ongoing efforts to recalibrate American diplomacy are as imperative as they are perilous the Oxford Encyclopedia will present itself as the first recourse for scholars wishing to deepen their understanding of the crucial features of the historical and contemporary foreign policy landscape and its perennially martial components Entries will be written by the top diplomatic and military historians and key scholars of international relations from within the American academy supplemented as is appropriate for an encyclopedia of diplomacy with entries from foreign based academics in the United Kingdom and elsewhere The crucial importance of the subject is reflected in the popularity of university courses dedicated to diplomatic and military history and the enduring appeal of international relations IR as a political science discipline drawing on both The Oxford Encyclopedia will be a basic reference tool across both disciplines a potentially very significant market Readership University level undergraduate and graduate students in History

FDR and the Soviet Union Mary E. Glantz, 2005 Throughout his presidency Franklin Roosevelt was determined to pursue a peaceful accommodation with an increasingly powerful Soviet Union an inclination reinforced by the onset of world war Roosevelt knew that defeating the Axis powers would require major contributions by the Soviets and their Red Army and so despite his misgivings about Stalin s expansionist motives he pushed for friendlier relations Yet almost from the moment he was inaugurated lower level officials challenged FDR s ability to carry out this policy Mary Glantz analyzes tensions shaping the policy stance of the United States toward the Soviet Union before during and immediately after World War II Focusing on the conflicts between a president who sought close relations between the two nations and the diplomatic and

military officers who opposed them she shows how these career officers were able to resist and shape presidential policy and how their critical views helped shape the parameters of the subsequent Cold War Venturing into the largely uncharted waters of bureaucratic politics Glantz examines overlooked aspects of wartime relations between Washington and Moscow to highlight the roles played by U S personnel in the U S S R in formulating and implementing policies governing the American Soviet relationship She takes readers into the American embassy in Moscow to show how individuals like Ambassadors Joseph Davies Lawrence Steinhardt and Averell Harriman and U S military attaches like Joseph Michela influenced policy and reveals how private resistance sometimes turned into public dispute She also presents new material on the controversial military attach lend lease director Phillip Faymonville a largely neglected officer who understood the Soviet system and supported Roosevelt s policy Deftly combining military with diplomatic history Glantz traces these philosophical and policy battles to show how difficult it was for even a highly popular president like Roosevelt to overcome such entrenched and determined opposition Although he reorganized federal offices and appointed ambassadors who shared his views in the end he was unable to outlast his bureaucratic opponents or change their minds With his death anti Soviet factions rushed into the policymaking vacuum to become the primary architects of Truman s Cold War containment policy A case study in foreign relations high level policymaking and civil military relations FDR and the Soviet Union enlarges our understanding of the ideologies and events that set the stage for the Cold War It adds a new dimension to our understanding of Soviet American relations as it sheds new light on the surprising power of those in low places

From Colony to Superpower George C. Herring, 2008-10-28 The Oxford History of the United States is the most respected multi volume history of our nation in print The series includes three Pulitzer Prize winners a New York Times bestseller and winners of prestigious Bancroft and Parkman Prizes From Colony to Superpower is the only thematic volume commissioned for the series Here George C Herring uses foreign relations as the lens through which to tell the story of America s dramatic rise from thirteen disparate colonies huddled along the Atlantic coast to the world s greatest superpower A sweeping account of United States foreign relations and diplomacy this magisterial volume documents America s interaction with other peoples and nations of the world Herring tells a story of stunning successes and sometimes tragic failures captured in a fast paced narrative that illuminates the central importance of foreign relations to the existence and survival of the nation and highlights its ongoing impact on the lives of ordinary citizens He shows how policymakers defined American interests broadly to include territorial expansion access to growing markets and the spread of an American way of life And Herring does all this in a story rich in human drama and filled with epic events Statesmen such as Benjamin Franklin and Woodrow Wilson and Harry Truman and Dean Acheson played key roles in America s rise to world power But America s expansion as a nation also owes much to the adventurers and explorers the sea captains merchants and captains of industry the missionaries and diplomats who discovered or charted new lands developed new avenues of commerce and established and defended the nation s interests in

foreign lands From the American Revolution to the fifty year struggle with communism and conflicts in Afghanistan and Iraq From Colony to Superpower tells the dramatic story of America s emergence as superpower its birth in revolution its troubled present and its uncertain future [Guide to U.S. Foreign Policy](#) Robert J. McMahon,Thomas W. Zeiler,2012-08-02

At no time in American history has an understanding of the role and the art of diplomacy in international relations been more essential than it is today Both the history of U S diplomatic relations and the current U S foreign policy in the twenty first century are major topics of study and interest across the nation and around the world Spanning the entire history of American diplomacy from the First Continental Congress to the war on terrorism to the foreign policy goals of the twenty first century Guide to U S Foreign Policy traces not only the growth and development of diplomatic policies and traditions but also the shifts in public opinion that shape diplomatic trends This comprehensive two volume reference shows how the United States gained the strength of a giant and also analyzes key world events that have determined the United States changing relations with other nations The two volumes structure makes the key concepts and issues accessible to researchers The set is broken up into seven parts that feature 40 topical and historical chapters in which expert writers cover the diplomatic initiatives of the United States from colonial times through the present day Volume II s appendix showcases an A to Z handbook of diplomatic terms and concepts organizations events and issues in American foreign policy The appendix also includes a master bibliography and a list of presidents secretaries of state war and defense and national security advisers and their terms of service This unique reference highlights the changes in U S diplomatic policy as government administrations and world events influenced national decisions Topics include imperialism economic diplomacy environmental diplomacy foreign aid wartime negotiations presidential influence NATO and its role in the twenty first century and the response to terrorism Additional featured topics include the influence of the American two party system the impact of U S elections and the role of the United States in international organizations Guide to U S Foreign Policy is the first comprehensive reference work in this field that is both historical and thematic This work is of immense value for researchers students and others studying foreign policy international relations and U S history ABOUT THE EDITORS Robert J McMahon is the Ralph D Mershon Professor of History in the Mershon Center for International Security Studies at The Ohio State University He is a leading historian of American diplomatic history and is author of several books on U S foreign relations Thomas W Zeiler is professor of history and international affairs at the University of Colorado at Boulder and is the executive editor of the journal Diplomatic History **Russia and Eastern Europe, 1789-1985** Raymond Pearson,1989 [Imagining America](#) Alan M. Ball,2004-09-09 In Imagining America historian Alan M Ball explores American influence in two newborn Russian states the young Soviet Union and the modern Russian Republic Ball deftly illustrates how in each era Russians have approached the United States with a conflicting mix of ideas as a land to admire from afar to shun at all costs to emulate as quickly as possible or to surpass on the way to a superior society Drawing on a wide variety of sources including

contemporary journals newspapers films and popular songs Ball traces the shifting Russian perceptions of American cultural social and political life As he clearly demonstrates throughout their history Russian imaginations featured a United States that political figures and intellectuals might embrace exploit or attack but could not ignore **Crucible of Power** Howard Jones,2008-12-16 Employing a narrative approach that uncovers the tangled and often confusing nature of foreign affairs Crucible of Power focuses on the personalities security interests and post war Cold War tendencies behind the formulation and implementation of U S foreign policy since 1945 The book includes updated coverage of the Bush administration s foreign policy with particular emphasis on the Middle East Selections from key foreign policy documents appear in each chapter **Massacres and Morality** Alex J. Bellamy,2012-09-27 Most cultural and legal codes agree that the intentional killing of civilians whether in peacetime or war is prohibited Yet despite this fact the deliberate killing of large numbers of civilians remains a persistent feature of global political life *Stalin's Cold War* Caroline Kennedy-Pipe,1995 In the first analysis of the start of the Cold War from a Soviet viewpoint Caroline Kennedy Pipe draws on Russian source material to reach some startling conclusions She challenges the prevailing orthodoxy of Western historians to show how Moscow saw the presence of US troops in Europe in the 1940s and early 1950s as advantageous rather than as a check on Soviet ambitions The author points to a complex web of concerns than fuelled Moscow s actions and explores how the Soviet leadership and Stalin in particular responded to American policy She shows how the Soviet experience of the United States and Europe both before during and after the Second World War led Moscow to a policy that was not simply fuelled by anti Americanism Six chapters cover events from the wartime conferences of 1943 until the death of Stalin A final chapter places the book in the context of the current debate over the causes of the Cold War *Russian-American Dialogue on Cultural Relations, 1776-1914* Norman E. Saul,Richard D. McKinzie,1997 Russian American Dialogue on Cultural Relations 1776 1914 the third volume in the Russian American Dialogues series provides English translations of the best Russian scholarship on cultural relations Each essay originally appeared as an article in the former Soviet Union Five issues are discussed the contributions that each country made to the cultural life of the other the correspondence and interactions between scientists writers and others from the two nations the development of public perceptions and how these changed over time the American focus in Russian periodicals during the nineteenth century and the significant roles of Russians and the Russian presence in American history The Russian articles on each of these subjects are followed by comments from American historians The articles by the Russian scholars make extensive use of and liberally cite material from Russian archives and publications As a result they provide American readers with new scientific exchanges personalities and points of view The result is a plethora of new material for Western historians of Russia as well as of the United States The book provides an opportunity for scholars to examine more thoroughly the relevant issues of Russian American cultural relations An important scholarly contribution Russian American Dialogue on Cultural Relations 1776 1914 brings a new dimension to the relationship between the United

States and Russia before 1914 It will be of interest not only to historians of this period but to all historians and students of international cultural relations *Entangled East and West* Simo Mikkonen, Giles Scott-Smith, Jari Parkkinen, 2018-12-17

Despite increasing scholarship on the cultural Cold War focus has been persistently been fixed on superpowers and their actions missing the important role played by individuals and organizations all over Europe during the Cold War years This volume focuses on cultural diplomacy and artistic interaction between Eastern and Western Europe after 1945 It aims at providing an essentially European point of view on the cultural Cold War providing fresh insight into little known connections and cooperation in different artistic fields Chapters of the volume address photography and architecture popular as well as classical music theatre and film and fine arts By examining different actors ranging from individuals to organizations such as universities the volume brings new perspective on the mechanisms and workings of the cultural Cold War Finally the volume estimates the pertinence of the Cold War and its influence in post 1991 world The volume offers an overview on the role culture played in international politics as well as its role in the Cold War more generally through interesting examples and case studies **Strategies of Containment** John Lewis Gaddis, 2005-06-23 A classic synthesis of US security policy now updated to include analysis of how Reagan Bush Snr Clinton Bush Jnr have defended the nation Previous ed 1982

Russia The Soviet Union And The United States An Interpretive History Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Russia The Soviet Union And The United States An Interpretive History PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books

and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Russia The Soviet Union And The United States An Interpretive History PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Russia The Soviet Union And The United States An Interpretive History free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Russia The Soviet Union And The United States An Interpretive History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
