Russia Under the Last Tsar Theofanis G. Stavrou, 1969 The reign of Russia s last tsar Nicholas II from 1894 to 1917 constitutes a period of continuing controversy among historians Interesting in its own right it is also a time of great importance to an understanding of the cataclysmic events which follo **The Course of Russian History, 5th Edition** Melvin C. Wren, Taylor Stults, 2009-01-08 Now in its fifth edition this definitive history of the Russian land and people builds on its success as a fascinating survey of two thousand years of struggle to harness vast resources and talents into a powerful and cohesive nation From its beginning as a savage and exotic land Russia underwent a complex evolution of political social and religious forces the barbarism of its internal conflicts in seeming contradiction with its goals to advance in the realms of technology art education and high culture From the conflicts of the fantastically wealthy ruling class to the poor and oppressed masses emerged the Communist party and the enigmatic figures whose charismatic manipulation of political power reflected the myriad rulers before them Finally as the modern world watched this great entity collapsed in a devastatingly brief time millennia of precarious conflict proving too much for the tenuous coalescence of twentieth century politics Written in an engaging and accessible style this text presents students with a comprehensive look at the momentous events and legendary figures which helped shape Russia s turbulent history **The News under Russia's Old Regime**

Louise McReynolds, 2014-07-14 In this lively account of the rise of a commercial newspaper industry in imperial Russia Louise McReynolds explores how the mass circulation press created a forum for popular opinion advocating political change From the Great Reforms of Tsar Alexander II in 1855 to the Bolsheviks shut down of the newspapers in 1917 she chronicles the exploits of publishers and editors writers and readers Arguing that this prosperous industry both expressed and shaped the development of ideas among new social groups McReynolds provides insight into the growth in Russia of a fragile pluralism characteristic of modern societies Her discussion of the relationship between communications and politics which draws especially on Jurgen Habermas combines a variety of interrelated ingredients institutional histories of major newspapers biographical sketches of journalists the intellectual impact of the new language of newspaper journalism the political ramifications of public opinion under the auspices of an autocratic government Comparing the Russian press with independent commercial newspaper industries in the United States England and France McReynolds examines the extent to which Russia was evolving according to Western political and socioeconomic patterns before the Bolshevik Revolution Originally published in 1991 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of

United Government and Foreign Policy in Russia, 1900-1914 David MacLaren McDonald, 1992 In 1904 a small distant war brought Russia to the brink of internal collapse and yet within ten years the country embroiled itself in an incomparably larger conflict close to home How the war with Japan and its aftermath actually steered Russia toward such an unlikely fateful decision is the subject of David McDonald's book an analysis of Russian foreign policy on the eve of World War I

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office, 1973 Bulletin Virginia. State Board of Education, 1925 *Russia in the Nineteenth Century* A. I. U. Polunov, Thomas C. Owen, L. G. Zakharova, 2015-02-12 This is a comprehensive interpretive history of Russia from the defeat of Napoleon to the eve of World War I It is the first such work by a post Soviet Russian scholar to appear in English Drawing on the latest Russian and Western historical scholarship Alexander Polunov examines the decay of the two central institutions of tsarist Russia serfdom and autocracy Polunov explains how the major social groups the gentry merchants petty townspeople peasants and ethnic minorities reacted to the Great Reforms and why despite the emergence of a civil society and capitalist institutions a reformist evolutionary path did not become an alternative to the Revolution of 1917 He provides detailed portraits of many tsarist bureaucrats and political reformers complete with quotations from their writings to explain how the principle of autocracy although significantly weakened by the Great Reforms in mid century reasserted itself under the last two emperors Polunov stresses the relevance for Russians in the post Soviet period of issues that remained unresolved in the pre Revolutionary period such as the question of private property in land and the relationship between state regulation and private initiative in the economy

Revolutions and the Collapse of Monarchy Zhand Shakibi, 2007-02-23 What causes revolution What brought about the end of the last major monarchies of the modern period Were Louis XVI Nicholas II and Mohammad Reza Pahlavi the unwitting victims of historical circumstance or did their own actions help to bring about the revolutions that overthrew them This powerful and original book is the first comparative study of the revolutions in Bourbon France Romanov Russia and Pahlavi Iran Zhand Shakibi analyses fully the timing and causes of these three revolutions and reveals the important similarities between them *Revolutions and the Collapse of Monarchy* argues provocatively that it is often the monarch's own personality that provides the vital spark which produces revolution This ambitious and important book challenges the Marxist interpretation of history and adds a compelling new perspective to theories of revolution

Philanthropy in the World's Traditions Warren F. Ilchman, Stanley N. Katz, Edward L. Queen, 1998-09-22 A study of global giving The provocative information challenges the assumptions that philanthropy is a primarily Western or Christian tradition Choice This book is an investigation of how cultures outside the Western tradition
