Russia In The Age Of Modernisation And Revolution 1881 1917:

Russia in the Age of Modernisation and Revolution 1881 - 1917 H. Rogger, 2014-07-30 Hans Rogger's study of Russia under the last two Tsars takes as its starting point what the Russians themselves saw as the central issue confronting their nation the relationship between state and society and its effects on politics economics and class in these critical years

Russian Nationalism Since 1856 Astrid S. Tuminez, 2000 This thoughtful book describes the range of nationalist ideas that have taken root in Russia since 1856 Drawing on a wide range of archival documents and unparalleled interview material from the post Soviet period Tuminez analyzes two cases_Russian panslavism in 1856 1878 and great power nationalism in 1905 1914_when aggressive nationalist ideas clearly influenced Russian foreign policy and contributed to decisions to go to war Yet not all forms of nationalism have been malevolent and the author assesses competing nationalist ideologies in the post Soviet period to clarify the conditions under which a particularly belligerent nationalism could flourish and influence Russian international behavior

Europe 1850-1914 Jonathan Sperber,2014-01-14 This
innovative survey of European history from the middle of the nineteenth century to the outbreak of the First World War tells
the story of an era of outward tranquillity that was also a period of economic growth social transformation political
contention and scientific and artistic innovation During these years the foundations of our present urban industrial society
were laid the five Great Powers vied in peaceful and violent fashion for dominance in Europe and throughout the world and
the darker forces that were to dominate the twentieth century violent nationalism totalitarianism racism ethnic cleansing
began to make themselves felt Jonathan Sperber sets out developments in this period across the entire European continent
from the Atlantic to the Urals from the Baltic to the Mediterranean To help students of European history grasp the main
dynamics of the period he divides the book into three overlapping sections covering the periods from 1850 75 1871 95 and
1890 1914 In each period he identifies developments and tendencies that were common in varying degrees to the whole of
Europe while also pointing the unique qualities of specific regions and individual countries Throughout his argument is
supported by illustrative material tables charts case studies and other explanatory features and there is a detailed
bibliography to help students to explore further in those areas that interest them

Russia's French Connection Adam
Coker,2020-05-28 While it is generally acknowledged that Russia s culture has been influenced by France the present study
goes beyond the Francophile preferences of the noble elite and examines Russian society more broadly exploring those
elements of French cultural influence that are still relevant today This is done through an historical analysis of French
loanwords in the Russian language from the time of Peter the Great to the present The result of this lexical analysis and
subsequent study of eighteenth and nineteenth century archival periodical and memoir material is to empirically link Russia s
present culture to two major Franco Russian events the wave of immigration to Russia following the French Revolution and
Russia s war with Napoleon This is primarily a book for those interested in European history particularly imperial Russia the
French Revolution and the Napoleonic Wars The study of Russian officer memoirs includes original campaign maps which
may be of interest to military historians The analysis of periodical literature will likewise be a resource for those studying the
history of printing publishing and journalism in Russia The book s interdisciplinary nature however broadens its relevance to
linguists cultural historians and those in the emerging field of Immigration Studies
