Russia Is No Riddle:

Russia is No Riddle Stevens, Edmund, 1945 Russia Is No Riddle Edmund Stevens, 2013-10 This is a new release of the original 1945 edition **Motherland in Danger** Karel C. Berkhoff, 2012-04-13 Main description Much of the story about the Soviet Union's victory over Nazi Germany has yet to be told In *Motherland in Danger* Karel Berkhoff addresses one of the most neglected questions facing historians of the Second World War how did the Soviet leadership sell the campaign against the Germans to the people on the home front For Stalin the obstacles were manifold Repelling the German invasion would require a mobilization so large that it would test the limits of the Soviet state Could the USSR marshal the manpower necessary to face the threat How could the authorities overcome inadequate infrastructure and supplies Might Stalin's regime fail to survive a sustained conflict with the Germans *Motherland in Danger* takes us inside the Stalinist state to witness from up close its propaganda machine Using sources in many languages including memoirs and documents of the Soviet censor Berkhoff explores how the Soviet media reflected and distorted every aspect of the war from the successes and blunders on the front lines to the institution of forced labor on farm fields and factory floors He also details the media's handling of Nazi atrocities and the Holocaust as well as its stinting treatment of the Allies particularly the United States the UK and Poland Berkhoff demonstrates not only that propaganda was critical to the Soviet war effort but also that it has colored perceptions of the war to the present day both inside and outside of Russia **The Theory and Practice of Communism** United States. Congress. House. Committee on Internal Security, 1973 The Theory and Practice of Communism, (People's Republic of China), Hearings ..., 93-1 ... United States. Congress. House Internal Security, 1973 **A Century of Pulitzer Prize Russia Press Coverage 1922 - 2022** Heinz-Dietrich Fischer, 2024-04-01 This volume contains Russia related articles and political cartoons over the span of a century Developments during the 1920s and 1930s are documented and in the post World War II period the Cold War became a major source of concern for the American press also reflected in Pulitzer Prizes There are awards about the Russian rulers like Lenin Stalin Malenkov Bulganin Khrushchev Brezhnev Gorbachev and Yeltsin followed by works on the many Putin years *Best of Times, Worst of Times* Walter Laqueur, 2012-07-03 A memoir by a prominent and highly respected historian and political commentator Covering McCarthyism Lawrence N. Strout, 1999-09-30 Strout examines how the *Christian Science Monitor* a highly influential newspaper of the era covered Joseph R McCarthy and McCarthyism from the Senator's Lincoln Day speech in February 1950 through his censure in December 1954 Through his in depth examination of the Monitor's interoffice communications Strout examines how the Monitor's coverage compared with other elite and popular press newspapers and how the pressures associated with McCarthyism affected individuals at the Monitor An extensive review of the Monitor's editorials and news articles suggests that it was remarkably thorough and fair in its reporting while still being outspoken but responsible in its criticism While many newspapers attacked McCarthy personally the Monitor concentrated on the actions of the junior

senator and the negative effects they were having at home and abroad As Strout sees it the Monitor served as a voice of moderation while simultaneously being a persistent critic of McCarthy s tactics **Journals of the Legislature of the State of California** California. Legislature,1955 **Moscow Despatches** John Watkins,1987-01-01 In 1964 Canadian diplomat John Watkins died of a heart attack while being interrogated by the RCMP as a suspected Soviet spy The RCMP could find no evidence to confirm their suspicions yet Watkins death was hushed up for nearly 20 years and his reputation fell under a shadow The intrigue surrounding John Watkins career obscured his exceptional talents as a diplomat First posted to the USSR in 1948 Watkins learned Russian and developed a wide circle of Russian friends He was allowed to travel to places barred to other foreigners and in 1955 he organized an historic meeting between Canadian External Affairs Minister Lester Pearson and Communist Party chief Nikita Khrushchev Intelligent eccentric and convivial John Watkins was famous for the wit insight and common sense he brought to his task of interpreting the byzantine politics of Cold War Russia Moscow Despatches offers an unequalled glimpse into the world of Canadian foreign policy during this crucial period in world history

An Accidental Journalist Cheryl Heckler,2007 When an idealistic American named Edmund Stevens arrived in Moscow in 1934 his only goal was to do his part for the advancement of international Communism His job writing propaganda led to a reporting career and an eventual Pulitzer Prize in 1950 for his uncensored descriptions of Stalin s purges This book tells how Stevens became an accidental journalist and the dean of the Moscow press corps The longest serving American born correspondent working from within the Soviet Union Stevens was passionate about influencing the way his stateside readers thought about Russia s citizens government and social policy Cheryl Heckler now traces a career that spanned half a century and four continents focusing on Stevens s professional work and life from 1934 to 1945 to tell how he set the standards for reporting on Soviet affairs for the Christian Science Monitor Stevens was a keen observer and thoughtful commentator and his analytical mind was just what the Monitor was looking for in a foreign correspondent He began his journalism career reporting on the Russo Finnish War in 1939 and was the Monitor s first man in the field to cover fighting in World War II He reported on the Italian invasion of Greece participated in Churchill s Moscow meeting with Stalin as a staff translator and distinguished himself as a correspondent with the British army in North Africa Drawing on Stevens s memoirs to which she had exclusive access as well as his articles and correspondence and the unpublished memoirs of his wife Nina Heckler traces his growth as a frontline correspondent and interpreter of Russian culture She paints a picture of a man hardened by experience who witnessed the brutal crushing of the Iron Guard in 1941 Bucharest and the Kharkov hangings yet who was a failure on his own home front and who left his wife during a difficult pregnancy in order to return to the war zone Heckler places his memoirs and dispatches within the larger context of events to shed new light on both the public and the private Stevens portraying a reporter adapting to new roles and circumstances with a skill that journalists today could well emulate By exposing the many facets of Stevens s life and experience Heckler gives readers a clear understanding of how this

accidental journalist was destined to distinguish himself as a war reporter analyst and cultural interpreter An Accidental Journalist is an important contribution to the history of war reporting and international journalism introducing readers to a man whose inside knowledge of Stalinist Russia was beyond compare as it provides new insight into the Soviet era

American Opinion and the Russian Alliance, 1939-1945 Ralph B. Levering, 2017-10-10 In this analysis of the years of greatest American friendship with the Soviet Union Levering comes to two conclusions First cosmopolitan educated Americans of all classes were much more likely to change their negative attitudes of 1939 to positive ones by 1943 than were the provincial and poorly educated Second governmental leaders and the media whether conservative or liberal did not prepare the public for the probable realities of postwar international politics Originally published in 1976 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value Parliamentary Debates New Zealand.
