Russian Assignment Leslie C. Stevens,1953 *Russian Assignment* Leslie C. Stevens,1954 Legal guide to investing in Russia , The World Atlas of Language Structures Martin Haspelmath,2005-07-21 The World Atlas of Language Structures is a book and CD combination displaying the structural properties of the world s languages 142 world maps and numerous regional maps all in colour display the geographical distribution of features of pronunciation and grammar such as number of vowels tone systems gender plurals tense word order and body part terminology Each world map shows an average of 400 languages and is accompanied by a fully referenced description of the structural feature in question The CD provides an interactive electronic version of the database which allows the reader to zoom in on or customize the maps to display bibliographical sources and to establish correlations between features The book and the CD together provide an indispensable source of information for linguists and others seeking to understand human languages The Atlas will be especially valuable for linguistic typologists grammatical theorists historical and comparative linguists and for those studying a region such as Africa Southeast Asia North America Australia and Europe It will also interest anthropologists and geographers More than fifty authors from many different countries have collaborated to produce a work that sets new standards in comparative linguistics No institution involved in language research can afford to be without it

The Russian Armed Forces at the Dawn of the Millennium ,2000 This anthology is an outgrowth of a conference titled The Russian Armed Forces at the Dawn of the Millennium held at the Collins Center of the Army War College s Center for Strategic Leadership from 7 through 9 February 2000 The genesis for the conference was the realization by several members of the staff of the Collins Center and Army War College faculty that the U S led NATO operation in Kosovo resulted in a significant shift of Russian views on the United States and NATO The conference also complemented our general objective of examining the changing environment in which the United States including its armed forces finds itself The conference brought together over 50 individuals from academia and the policy and intelligence communities to examine the current state of the Russian military Focusing primarily on the socio political dimension of the military but not ignoring the military technical dimension the presentations delivered during the conference looked at Russia s domestic environment the state of the military perceived threats and Russia s capacity to generate responses to those threats DTIC web site

Interrogativity William Chisholm,Louis T. Milic,John A.C. Greppin,1984-01-01 This is a comparative study on the subject of interrogativity presenting broad and narrow attributes on this subject in diverse languages Russian Mandarin Georgian Bengali Bantu Japanese West Greenlandic and Ute Each contribution presents first the basic facts about the language in question its more recent provenience facts about numbers of speakers writing systems and related areal and sociolinguistic points An overview of the typological hallmarks follows together with a sketch of the grammar broadly construed Finally the grammar of interrogativity is described and the semantics and pragmatics of it are explored *Contract Law in Russia*

Maria Yefremova, Svetlana Yakovleva, Jane Henderson, 2014-12-01 The book explains Russian contract law in a form understandable to lawyers qualified in other countries especially common law countries The introduction gives a concise overview of the Russian legal system in general and contract law in particular as well as a brief insight into the history of contract law in Russia Then the main concepts of Russian contract law are explained using the conceptual framework of English contract law to make them accessible to someone not familiar with the codified Russian system The book not only considers the legislation regulating Russian contractual relations but also includes appropriate case law to show how the legislation is interpreted The focus is on contract law in Russia as it actually operates rather than merely the legislative texts so that it will be directly relevant to legal practitioners and others who wish to acquire knowledge of the practical application of an important element of the Russian legal system as well as those seeking an insight into the realities of codified law in action The target readership therefore includes legal practitioners who have to deal with Russian law academics and students with an interest in Russian law the law of contract and comparative civil law as well as scholars of comparative legal systems and Russian area studies *Aircraft Repossession and Enforcement* Berend J. H. Crans, Ravi Nath, 2009-01-01 Designed as a detailed practical guide to the management of aircraft during default periods and their repossession this very useful book is also of great value as a preventive guide in the drafting of aircraft lease and financing contracts Local aviation law experts from 32 jurisdictions worldwide provide in depth responses country by country to an extremely detailed questionnaire that includes eighty real life questions Fees time periods costs of all kinds remedies immunities required documentation recognition of foreign judgments interim measures all these and many other crucial considerations are fully explained for each jurisdiction Book Jacket *Hearings* United States. Congress. House, 1954 **Gender in Grammar and Cognition** Barbara Unterbeck, Matti Rissanen, Terttu Nevalainen, Mirja Saari, 2011-07-20 No detailed description available for Gender in Grammar and Cognition
