# Russian Foreign Policy After The Cold War

**Jeffrey Mankoff**

### **Russian Foreign Policy After The Cold War:**

Russian Foreign Policy After the Cold War Leszek Buszynski, 1996-08-23 This important new study drawing primarily on Russian sources analyzes Russian foreign policy in the context of an ongoing national identity crisis The work examines Russia's foreign policy in terms of two salient factors 1 political and economic reform given that foreign policy has been strongly influenced by reactions positive and negative to Yeltsin's reform agenda and 2 Russia's geopolitical predicament between Europe and Asia between East and West which requires it to reconcile various strategic imperatives with regard to NATO China and the Islamic world Buszynski's study reveals current Russian foreign policy as a process of interaction between these two factors the result being considerable vacillation between support for the West and opposition to it An important analysis that will be of interest to foreign policy and international relations experts in academia and government

**The Sources Of Russian Foreign Policy After The Cold War** Celeste A Wallander, Anne Wildermuth, 2019-07-11 In this timely and pathbreaking volume scholars in comparative politics and international relations build upon earlier theoretical work on the interaction of domestic and international systems applying it innovatively to the study of post Soviet Russian policy and conduct Individual chapters focus on regime type leadership politics interest group politics nationalism as ideology international conflict and threat and international economic opportunities and constraints The complex interplay between domestic and international factors is highlighted Exploring both the origins and the outcomes of Russian policy and behavior this book provides a telling measure of the direction and significance of political change since 1991

**Understandings of Russian Foreign Policy** Ted Hopf, 2010-11-01 Scholars from Asia Europe and North America working with the support of the Finnish Institute of International Affairs combine their efforts to bring us new insights into how Russia has conducted its foreign affairs since the fall of Communism Drawing on both archival sources and interviews they cover such major issues as Russia's decision to use military force in Chechnya its reactions to NATO expansion and its emergent relations with Japan and East Asia The contributors are Eunsook Chung Henrikki Heikka Ted Hopf Andrea Lopez Hiroshi Kimura Sergei Medvedev and Christer Pursiainen

*Vladimir Putin and the Evolution of Russian Foreign Policy* Bobo Lo, 2008-04-30 Almost three years after the first voluntary handover of power in Russian history this book examines Putin's management of this complex agenda and considers how Moscow's current approach to international relations resembles and differs from that under Yeltsin Examines Putin's management of Russia's foreign policy two years after the first voluntary handover of power in Russian history Considers how Moscow's current approach to international relations resembles and differs from that under Yeltsin Analyses whether changes in foreign policy have been qualitative or largely cosmetic Explores growing talk of a strategic partnership with the US and the West Assesses the realism of such hopes and considers whether we are indeed witnessing a strategic shift in the mentality and conduct of such Russian foreign policy

**Russian-Belarusian Integration** Alex Danilovich, 2018-02-06 Russian domestic politics has long been both labyrinthine

and pragmatic at once both inordinately complex and breathtakingly dynamic The same can be said of Russia's foreign policy in particular in relations with former Soviet republics Any study of Russian foreign policy comes back to the intriguing question of why Russia long perceived as an inveterate imperial power would refuse to take back a handsome portion of its former empire a portion that offers a bridge to Europe and an advantageous geostrategic position Despite formal declarations Russia has made little progress in achieving union with its ex Soviet neighbour Belarus Linking Russia's foreign policy to its domestic politics Alex Danilovich clarifies this paradox and explains why specific attempts to reunify Russia and Belarus failed contrary to the desires of significant forces on both sides and to certain theory based expectations Russia after the Cold War Mike Bowker, Cameron Ross, 2014-06-17 In Russia after the Cold War the editors provide an accessible and comprehensive survey of the state of Russia at the end of the twentieth century as it seeks to come to terms with its new status in the world community the pressures and tensions arising from economic and social change and with the problems of ensuring a democratic future Written by a specially commissioned team of internationally respected experts on contemporary Russia Russia after the Cold War is ideally suited as a main text for introductory courses on modern Russia within a politics Area Studies or combined social science degree Contributors Alexei Avtonomov Edwin Bacon John Berryman Christoph Bluth Michael Cox Nadia Davidova Mark Galeotti James Hughes Roger E Kanet Julie A Lund Nick Manning Andrew Patmore Anthony Phillips Richard Sakwa Peter Shearman Mark Webber Stephen Webber Stephen White Matthew Wyman

**Russian Foreign Policy** Jeffrey Mankoff, 2011-10-16 Now thoroughly updated this widely praised book provides a thoughtful and balanced examination of the development of Russian foreign policy since the end of the Cold War This edition also places developments of the past two decades into the broader sweep of Russian history Jeffrey Mankoff argues that Russia's more assertive behavior since Vladimir Putin became president in 2000 has resulted from both a deep seated consensus among its elite about Russia's identity and interests as well as a favorable convergence of events including the persistence of high energy prices and the check on U S power resulting from the wars in Iraq and Afghanistan Because these factors are the result of long term trends the author argues that there is little reason to expect that the election of Dmitry Medvedev will fundamentally alter Russian foreign policy behavior Presenting an evenhanded treatment of controversial issues Mankoff analyzes Russia's interactions with major global actors including the United States the European Union the Commonwealth of Independent States and China Despite Moscow's often harsh rhetoric and the deployment of Russian forces against Georgia in 2008 the author convincingly demonstrates that there is little reason to fear a return to a Cold War like standoff with the West Instead he argues today's Russia is more interested in restoring what its leaders consider to be its rightful place among the world's major powers rather than in directly challenging the West Thoroughly researched and knowledgeable this book will be invaluable for all readers interested in Russia **Force and Legitimacy in World Politics** David Armstrong, Theo Farrell, Bice Miguashca, 2005 A leading group of international authorities consider the issues

surrounding the legitimization of force      **The Sense of Mission in Russian Foreign Policy** Alicja Curanović, 2021-03-05

This book explores how far messianism the conviction that Russia has a special historical destiny is present in and affects Russian foreign policy Based on extensive original research including analysis of public statements policy documents and opinion polls the book argues that a sense of mission is present in Russian foreign policy that it is very similar in its nature to thinking about Russia's mission in Tsarist times that the sense of mission matters more for Russia's elites than for Russia's masses and that Russia's special mission is emphasised more when there are questions about the regime's legitimacy as well as great power status Overall the book demonstrates that a sense of mission is an important factor in Russian foreign policy

Explaining Change in Russian Foreign Policy C. Thorun, 2008-11-27 An assessment of the explanatory utility of different approaches to account for post Soviet Russia's foreign policy towards the West arguing that only by focusing both on external constraints and changes in the Russian leadership's foreign policy thinking can we explain major facets of Russia's conduct from 1992-2007      **Soviet Foreign Policy, 1917-1941** George F. Kennan, 1960      **Routledge Handbook of Russian**

**Foreign Policy** Andrei Tsygankov, 2018-03-20 Providing a comprehensive overview of Russia's foreign policy directions this handbook brings together an international team of scholars to develop a complex treatment of Russia's foreign policy The chapters draw from numerous theoretical traditions by incorporating ideas of domestic institutions considerations of national security and international recognition as sources of the nation's foreign policy Covering critically important subjects such as Russia's military interventions in Ukraine and Syria the handbook is divided into four key parts Part I explores the social and material conditions in which Russia's foreign policy is formed and implemented Part II investigates tools and actors that participate in policy making including diplomacy military media and others Part III provides an overview of Russia's directions towards the United States Europe Asia the Middle East Eurasia and the Arctic Part IV addresses the issue of Russia's participation in global governance and multiple international organizations as well as the Kremlin's efforts to build new organizations and formats that suit Russia's objectives The Routledge Handbook of Russian Foreign Policy is an invaluable resource to students and scholars of Russian Politics and International Relations as well as World Politics more generally

**Russian Foreign Policy and the CIS** Nicole J. Jackson, 2003-09-04 This book investigates the options the debates and the ensuing policies of the fledgling Russian government It examines the evolution of policy from the collapse of the Soviet Union in December 1991 until the Presidential elections in June 1996 Analysing Russia's actions in the context of contemporary foreign policy theory Nicole J Jackson discusses and compares three key conflicts the separatist war between Moldova and Transdniestria the separatist war between Georgia and Abkhazia and the civil war in Tajikistan It will be of interest to students and researchers of international relations security foreign policy analysis and Russian studies

**Russian Foreign Policy** Jeffrey Mankoff, 2011-09-22 Introduction the guns of August Contours of Russian foreign policy Bulldogs fighting under the rug the making of Russian foreign policy Resetting expectations Russia and the United States

Europe between integration and confrontation Rising China and Russia's Asian vector Playing with home field advantage Russia and its post Soviet neighbors Conclusion dealing with Russia's foreign policy reawakening *Russian Foreign Policy and International Relations Theory* Christer Pursiainen, 2017-07-05 An original and challenging examination of how to transform post Sovietological study of Soviet and Russian foreign policy into a more integrated part of the Social Sciences and International Relations Theory This book represents the first detailed and sustained synthesis international relations theory and Soviet Russian foreign and security policy in academic literature Russia's Foreign Policy Andrei P. Tsygankov, 2006-05-25 Exploring Soviet Russian international relations this book compares foreign policy formation under Gorbachev Yeltsin and Putin Showing how Moscow's policies have shifted with each leader's vision of Russia's national interests it also evaluates the successes and failures of Russia's foreign policies *Russia* Neil Robinson, 2003-09-02 This invaluable text traces Russia's complex historical development in the last century its recent political troubles and economic misfortunes and its place in the contemporary international system The Sources of Russian Foreign Policy Assertiveness Angela Borozna, 2022-01-31 This book explores the sources of Russia's foreign policy conduct since the end of the Cold War It is aimed at those interested in Russian foreign policy international security and diplomacy The book embraces an eclectic approach by applying insights from several strands of IR theory exploring both international and domestic sources The author argues that Russian foreign policy is influenced by the country's strategic culture which exhibits some persistent elements inherited from Russia's imperial past and from Soviet times The challenges to Russia's security interests from Western policies led to an increase in Russian foreign policy assertiveness As a result Russia is becoming more committed to Eurasian integration and nurturing relations with China This book further argues that Russia's relations with the post Soviet states have been and will remain a priority of its foreign relations and therefore Russia is likely to continue challenging any Western interference in these states The author maintains that geoeconomics and the protection of overseas economic interests are becoming more prominent in Russia's foreign policy calculus The role of domestic factors in the country's foreign policy such as authoritarianism regime vulnerability and the role of political factions is also examined **Russian Foreign Policy Since 1990** Peter Shearman, 2018-02-12 A book which brings together leading experts on Russia's foreign relations providing the most comprehensive coverage of contemporary Russian foreign policy currently available in a single volume Detailed case studies of relations with specific countries and regions are complemented by chapters that examine the process of decision making conflict between domestic institutional actors the role of groups such as the military and Russia's search for a new identity The Russian People and Foreign Policy William Zimmerman, 2009-02-09 Since the fall of communism public opinion in Russia including that of a now more diverse elite has become a substantial factor in that country's policymaking process What this opinion might be and how it responds to American actions is the subject of this study William Zimmerman offers important and sometimes disturbing insight into the thinking of citizens in America's former

Cold War adversary about such matters as NATO expansion Drawing on nearly a decade of unprecedented surveys he conducted with a wide spectrum of the Russian public he gauges the impact of Russia's opening on its foreign policy and how liberal democrats orient themselves to foreign policy He also shows that insights from the study of American foreign policy are often portable to the study of Russian foreign policy attitudes As Zimmerman shows the general public which had a modest but real role in foreign policy decision making tended much more toward isolationism than did the predominant elites who steered Russia's foreign policy in the 1990s Interspersing smooth prose with a wide array of richly informative tables the book represents an invaluable opportunity to discern probable shifts in Russian foreign policy that domestic political changes would bring And it powerfully suggests that the West by forging its own policies toward Russia with more prudence can have a say in the outcome of the great choice facing Russia whether to forge ahead with democracy or slip back into authoritarianism

### **Russian Foreign Policy After The Cold War Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Russian Foreign Policy After The Cold War free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Russian Foreign Policy After The Cold War free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Russian Foreign Policy After The Cold War free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Russian Foreign Policy After The Cold War. In conclusion, the internet offers numerous platforms and websites that allow users to download

free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Russian Foreign Policy After The Cold War any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Russian Foreign Policy After The Cold War Books

1. Where can I buy Russian Foreign Policy After The Cold War books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
