A Russian Lullaby Deldon Anne McNeely, 2012-06-21 2012 I fell in love with Russia from afar when I was a child Fate brought me to live there from 1977 to 1980 and I continued a dysfunctional love affair with her culture When I first wrote this memoir twenty years later in 2000 it was an expression of hope Hope had seen me through those three years in the Soviet Union and I wanted to record that for whoever needed to hear it In 2000 the USSR as we knew it had collapsed and the Russian and Ukrainian citizens that I had known were facing the task of founding a democratic society for the first time in their histories Now a dozen years later the task is still ongoing and the news out of Russia is that voices from the people are being heard as never before The older generation that I had met in the 70s had seen their hopes for a benevolent communism dashed The bright young adults of that time conditioned to serve the state are having to ask questions and make decisions about their leadership that were never possible before So much has changed So little has changed My little memoir seems timely again another small voice from the street
