*The Short Story* Andrew Kahn, 2021-12-09 What defines a modern short story is much more than a question of length Despite the efforts of early pioneers like Edgar Allan Poe the genre was originally synonymous with the anecdote or tale and seen more as entertainment than art However it has become far more than that and this Very Short Introduction considers afresh the form's ongoing innovations in plot construction capacity for psychological insight and ability to offer intensely concentrated perceptions This book charts the rise of the short story from its original appearance in magazines and newspapers largely in the United States and Great Britain For much of the nineteenth century tales were written for the press and the form's history is marked by engagement with popular fiction

From the later nineteenth century the short story earned a reputation for its skillful use of plot design and character study distinct from the novel After the First World War it found outlets in high brow publications and single author collections as well as anthologies were regularly published Exploring the form s techniques and themes Andrew Kahn considers the continuity and variation in key structures and techniques such as the beginning the creation of voice the ironic turn or plot twist and how writers manage endings Throughout he draws on examples from an international and flourishing corpus of work with close analysis of classic and lesser known stories by American Canadian Irish Australian Russian and French masters such as James Baldwin Grace Paley Alice Munro Elizabeth Taylor William Trevor Helen Garner Chekhov and Guy de Maupassant Very Short Introductions Brilliant Sharp Inspiring ABOUT THE SERIES The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area These pocket sized books are the perfect way to get ahead in a new subject quickly Our expert authors combine facts analysis perspective new ideas and enthusiasm to make interesting and challenging topics highly readable

**Peter the Great's African** Alexander Pushkin, 2022-04-12 Newly translated unfinished works about power class conflict and artistic inspiration by Russia's greatest poet Alexander Pushkin Russia's foundational writer was constantly experimenting with new genres and this fresh selection ushers readers into his creative laboratory Politics and history weighed heavily on Pushkin's imagination and in *Peter the Great's African* he depicts the Tsar through the eyes of one of his closest confidantes Ibrahim a former slave modeled on Pushkin's maternal great grandfather At once outsider and insider Ibrahim offers a sympathetic yet questioning view of Peter's attempt to integrate his vast archaic empire into Europe In the witty *History of the Village of Goriukhino* Pushkin employs parody and self-parody to explore problems of writing history while *Dubrovsky* is both a gripping adventure story and a vivid picture of provincial Russia in the late eighteenth century with its class conflicts ready to boil over in violence *The Egyptian Nights* an effervescent mixture of prose and poetry reflects on the nature of artistic inspiration and the problem of the poet's place in a rapidly changing and ever more commercialized society

**Slav Sisters** Natasha Perova, 2020-04-30 This anthology illustrates the evolution of Russian women's writing over the 20th century It wasn't until the 1900s that women authors finally made a notable breakthrough on the Russian literary scene Despite a brilliant start further development of women's writing in Russia was crudely interrupted by Soviet censorship and only resumed after the downfall of the USSR Whereas critics unanimously recognise the greatness of such literary stars as Anna Akhmatova and Marina Tsvetayeva opinions differ about other writers such as Nadezhda Teffi and Lydia Ginzburg who reached wide readerships only in the 1990s when most of the formerly banned books were published Mid-century women were almost invisible in Russian literature but world famous authors like Ludmila Ulitskaya Galina Scherbakova and Svetlana Alexiyevich were still writing Latterly women writers such as Olga Slavnikova Irina Muravyova and Margarita Khemlin increasingly dominated publishing programmes

Andrey Platonov, 2007-12-04. A New York Review Books Original. The Soviet writer Andrey Platonov saw much of his work suppressed or censored in his lifetime. In recent decades, however, these lost works have reemerged, and the eerie poetry and poignant humanity of Platonov's vision have become ever more clear. For Nadezhda Mandelstam and Joseph Brodsky, Platonov was the writer who most profoundly registered the spiritual shock of revolution. For a new generation of innovative post-Soviet Russian writers, he figures as a daring explorer of word and world, the master of what has been called alternative realism. Depicting a devastated world that is both terrifying and sublime, Platonov is without doubt a universal writer who is as solitary and haunting as Kafka. This volume gathers eight works that show Platonov at his tenderest, warmest, and subtlest. Among them are The Return, about an officer's difficult homecoming at the end of World War II, described by Penelope Fitzgerald as one of three great works of Russian literature of the millennium; The River Potudan, a moving account of a troubled marriage; and the title novella, the extraordinary tale of a young man unexpectedly transformed by his return to his Asian birthplace, where he finds his people deprived not only of food and dwelling but of memory and speech. This prizewinning English translation is the first to be based on the newly available uncensored texts of Platonov's short fiction.

**Molotov's Magic Lantern** Rachel Polonsky, 2011-01-11. When the British journalist Rachel Polonsky moves to Moscow, she discovers an apartment on Romanov Street that was once home to the Soviet elite. One of the most infamous neighbors was the ruthless apparatchik Vyacheslav Molotov, a henchman for Stalin who was a participant in the collectivizations and the Great Purge, and also an ardent bibliophile. In what was formerly Molotov's apartment, Polonsky uncovers an extensive library and an old magic lantern, two things that lead her on an extraordinary journey throughout Russia and ultimately renew her vision of the country and its people. In *Molotov's Magic Lantern*, Polonsky visits the haunted cities and vivid landscapes of the books from Molotov's library, works by Chekhov, Dostoevsky, Pushkin, Akhmatova, and others, some of whom were sent to the Gulag by the very man who collected their books. With exceptional insight and beautiful prose, Polonsky writes about the longings and aspirations of these Russian writers and others in the course of her travels from the Arctic to Siberia and from the forests around Moscow to the vast steppes. A singular homage to Russian history and culture, *Molotov's Magic Lantern* evokes the spirit of the great artists and the haunted past of a country ravaged by war, famine, and totalitarianism.
