Problems of Communism ,1968 *Russian Literary Criticism* R. H. Stacy,1974-04-01 Russian Literary Criticism is a survey of the various ways in which representative Russian critics from the eighteenth century to the twentieth century have viewed not only the literary works of other Russian and non Russian writers but also the problems of literature in general Primarily intended for readers who do not know Russian this book discusses the major Russian critics and critical movements The author provides sufficient historical and political background to enable the reader to understand both the literary situation and the problems facing Russian critics at any given time whether the influx of various ideologies official Soviet views or dissident opinion form the Decembrists to Solzhenitsyn **The New Leader** ,1991 **Transitions from Communism in Russia and Eastern Europe** Constantine C. Menges,1994 The unraveling of communist regimes in Europe since 1989 raised hopes for a brighter future of freedom and peace in those countries and around the world This work combines in depth analysis of individual countries with essays offering the perspectives of participants in the transitions It conceptualizes and provides an overview of four different patterns of political development which have followed the end of communist rule The studies provide new insights into the ongoing struggles among three competing political currents those seeking democracy and market oriented economies former elements of the communist power structure including some in the communist party the upper echelons of government and economic managers the secret police and the military who seek to retain or expand their power and ultranationalist or ethnic extremists advocating the dominance of their particular group Countries covered are Russia Poland Hungary Czech and Slovak Federative Republic Romania Bulgaria Yugoslavia and Albania Contributors Jozsef Antall Vadim Bakatin Thomas G Baker Eniko Bollobas Peter A Clark Emil Constantinescu Miles Costich Petre Datculescu Carl Gershman Frone Golem Alexander Henderson Robert Hutchings Oleg Kalugin Phyllis Kaminsky Rita Klimova Andrei Kolosovskiy Maciej Kozlowski Eugenio Lari Constantine C Menges Mihajlo Mihajlov Thomas Niles Ernest Petric John Robson James M Sheehan Viktor Sheinis John Sullivan Pal Tar Gyorgy Tokay Dorin Tudoran Vernon A Walters Sharon Wolchik and Irena Zikova Co published with the Program on Transitions to Democracy **Art and Protest in Putin's Russia** Lena Jonson,2015-02-20 The Pussy Riot protest and the subsequent heavy handed treatment of the protestors grabbed the headlines but this was not an isolated instance of art being noticeably critical of the regime As this book based on extensive original research shows there has been gradually emerging over recent decades a significant counter culture in the art world which satirises and ridicules the regime and the values it represents at the same time putting forward through art alternative values The book traces the development of art and protest in recent decades discusses how art of this kind engages in political and social protest and provides many illustrations as examples of art as protest The book concludes by discussing how important art has been in facilitating new social values and in prompting political protests

Historiography of Imperial Russia: The Profession and Writing of History in a Multinational State Thomas Sanders,2015-02-12 This collection of the best new and recent work on historical consciousness and practice in late Imperial Russia assembles the building blocks for a fundamental reconceptualization of Russian history and history writing

Unattainable Bride Russia Ellen Rutten,2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In *Unattainable Bride Russia* Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration *Unattainable Bride Russia* locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths

Textological Aspects of Musicology in Russia and the Former Soviet Union Tatyana Naumenko,2018-03-29 In this monograph Tatyana Naumenko Doctor of Arts and a professor at Moscow's Gnessin Russian Academy of Music looks at modern Russian musicology through the prism of texts representing it She mentions subjects addressed in musicological studies names genres of music that scholars preference to explore and describes modern methods of research and criteria of assessment largely with the aim of overcoming Soviet era dogmatism Special consideration is given to the writing of academic degree dissertations on music in the former Soviet Union and post Soviet Russia *The Annex* lists dissertations approved between 1970 and 2013 **Contribution for the Bibliography of Mihajlo Mijahlov** Rusko Matuli?,2014-11-26

This volume serves as an example of compilations of books writings essays speeches and lectures by Mihajlo Mihajlov A scholar writer and commentator in Yugoslavia and on the world stage he was also one of the best known dissident in Tito's Yugoslavia For his articles critical of the regime's human rights record both in the Soviet Union and in Yugoslavia he spent seven years in prison Best R Matulic **Directory of World Cinema: Russia 2** Birgit Beumers,2015-02-20 Soviet and Russian filmmakers have traditionally had uneasy relationships to the concept of genre This volume rewrites that history by spotlighting some genres not commonly associated with cinema in the region including Cold War spy movies and science fiction films blockbusters and horror films remakes and adventure films and chernukha films and serials Introductory essays

establish key aspects of these genres and directors biographies provide the background for the key players Building on the work of its predecessor which explored cinema from the time of the tsars to the Putin era this book will be warmly received by the serious film scholar as well as all those who love Russian cinema *Directory of World Cinema Russia 2* is an essential companion to the filmic legacy of one of the world's most storied countries **Daily Report, Foreign Radio Broadcasts** United States. Central Intelligence Agency, 1966 *Russia's Uncommon Prophet* Wallace L. Daniel, 2016-04-20 This lucidly written biography of Aleksandr Men examines the familial and social context from which Men developed as a Russian Orthodox priest Wallace Daniel presents a different picture of Russia and the Orthodox Church than the stereotypes found in much of the popular literature Men offered an alternative to the prescribed ways of thinking imposed by the state and the church Growing up during the darkest most oppressive years in the history of the former Soviet Union he became a parish priest who eschewed fear who followed Christ's command to love thy neighbor as thyself and who attracted large diverse groups of people in Russian society How he accomplished those tasks and with what ultimate results are the main themes of this story Conflict and controversy marked every stage of Men's priesthood His parish in the vicinity of Moscow attracted the attention of the KGB especially as it became a haven for members of the intelligentsia He endured repeated attacks from ultraconservative anti-Semitic circles inside the Orthodox Church For Men represented the spiritual vision of an open non authoritarian Christianity and his lectures were extremely popular He was murdered on September 9 1990 For years his work was unavailable in most church bookstores in Russia and his teachings were excoriated by some both within and outside the church But his books continue to offer hope to many throughout the world they have sold millions of copies and are testimony to his continuing relevance and enduring significance This important biography will appeal to scholars and general readers interested in religion politics and global affairs **My Musical Life** Nikolay Rimsky-Korsakov, 1923

With Shakespeare's Eyes Catherine O'Neil, 2003 *With Shakespeare's Eyes* is the first monograph to focus exclusively on the relationship between the Russian poet Alexander Pushkin and Shakespeare Taking into account contemporary perceptions of Shakespeare in print and on the Russian stage O'Neil examines all levels of poetic influence of Shakespeare on Pushkin In addition to untangling the central presence of Shakespeare on Pushkin's historical tragedy *Boris Godunov* O'Neil examines Shakespeare's influence in many other works by Pushkin an influence that ranges from the textual to the conceptual The Shakespeare plays addressed most closely in this book are *Othello* *Measure for Measure* and *Julius Caesar* all of which interact in a dynamic way with Pushkin's creative development This book will help English readers understand better what it means to say Pushkin is the Shakespeare of Russia Catherine O'Neil is Assistant Professor of Russian at the University of Denver *Reference Guide to Russian Literature* Neil Cornwell, 2013-12-02 First Published in 1998 This volume will surely be regarded as the standard guide to Russian literature for some considerable time to come It is therefore confidently recommended for addition to reference libraries be they academic or public *Russia at War* Timothy C.

Russian Themes Moscow Summer Introduction

In today's digital age, the availability of Russian Themes Moscow Summer books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Themes Moscow Summer books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Themes Moscow Summer books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Themes Moscow Summer versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Themes Moscow Summer books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Themes Moscow Summer books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Themes Moscow Summer books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Themes Moscow Summer books

and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Themes Moscow Summer books and manuals for download and embark on your journey of knowledge?
