Russian Crossroads Toward The New Millennium

René De La Pedraja

Russian Crossroads Toward The New Millennium:

Russian Crossroads Yevgeny Primakov, 2008-10-01 A prominent Russian politician who served as prime minister foreign minister and head of foreign intelligence during the 1990s Yevgeny Primakov has been part of all vital decisions on Russian domestic and foreign policy for the past two decades His memoir is both an insider's account of post perestroika Russian politics and a statement from a representative of the enlightened Russian establishment on their nation's relationship with America and the world Primakov is a specialist in the Middle East and his personal involvement in the problems of that region make his commentary particularly valuable as he articulates Russia's view of the conflicts there and its stance toward Iraq Israel and Palestine Primakov also offers pertinent opinions on the Gulf War NATO enlargement spying and other aspects of contemporary international relations and he gives personal assessments of a wide variety of major players from Saddam Hussein and Yassir Arafat to Madeleine Albright and Bill Clinton Providing behind the scenes information about government shake ups in Moscow the history of speculative privatizations the formation of the new political and economic oligarchy and much more this book will be an invaluable aid to political analysts historians and anyone interested in Russia's recent past and future plans

Russian Strategic Thought toward Asia Gilbert Rozman, Kazuhiko Togo, 2006-11-27 The book explains the Putin era's ambivalent approach to Asia and finds lessons from earlier approaches worthy of further attention The overview compares how strategic thinking evolved while reflecting on factors that shaped it

Palestine in EU and Russian Foreign Policy Malath Alagha, 2016-10-04 The establishment of a Palestinian state has long been a strategic objective of EU and Russian foreign policy in the Middle East However over a decade after the creation of the road map the establishment of an independent Palestinian state has still not been achieved Palestine in EU and Russian Foreign Policy uses the school of constructivism to provide a new understanding of EU and Russian foreign policy It explores the failure of these global actors to speed up the process of establishing a Palestinian state despite this being a strategic objective and top priority of their involvement in the Middle East peace process The book then analyses the role of identity and self other perception in the making of EU and Russian foreign policy towards the Middle East peace process It is argued that Palestinian statehood provides a telling empirical example of how and to what extent the search for global actorness as a matter of international identity informs foreign policy making by global actors The book then proceeds to discuss why the EU and Russia are so eager to be involved in initiating a peace settlement Offering a new understanding of foreign policy making by global players in Middle Eastern politics this book will appeal to students scholars and policymakers working in International Relations and European Russian and Middle Eastern studies

Putin Confronts the West René De La Pedraja, 2021-03-22 Russia's surprising return to the world stage since 2000 has aroused the curiosity if not the fear of the West Gradually the Kremlin went from a policy of deference to foreign powers to acting with independence The driver of this transformation was President Vladimir Putin who with skillful caution navigated Russia back into the ranks of global powers

In theaters of conflict such as Georgia Syria and Ukraine the Kremlin won significant victories at little cost to consolidate its decisive position Following a chronological approach from the fall of the Soviet Union to the present this book draws on new documents to describe how Russia regained its former global prominence Clear accounts of key decisions and foreign policy events many presented for the first time provide important insights into the major confrontations with the West Cold War Carole K. Fink,2021-11-29 Now in its third edition Cold War provides an accessible and comprehensive account of the decades long conflict between two nuclear armed Superpowers during the twentieth century This book offers a broader timeline than any other Cold War text charting the lead up to the conflict from the Russian Revolution to World War II providing an authoritative narrative and analysis of the period between 1945 and 1991 and scrutinizing the 30 year aftermath including the prospect of a new Cold War In this new edition Carole K Fink provides new insights and perspectives on key events with an emphasis on people power and ideas The third edition covers developments in Africa Asia the Middle East and Latin America as well as in Europe It also includes Eleven new or revised maps that illustrate the global reach of the long conflict An extended chronology that includes recent international events A discussion of the post Cold War roles of the US Russia and China in world politics An updated bibliography reflecting new scholarship in Cold War and post Cold War history Cold War is the consummate book on this complex twentieth century rivalry and will be of interest to students of contemporary US and international history and history enthusiasts alike **Nationalism and Democracy** André Lecours,Luis Moreno,2010-02-25 This book sheds light on the complicated multi faceted relationship between nationalism and democracy by examining how nationalism in various periods and contexts shapes or is shaped by democratic practices or the lack thereof This book examines nationalism s relationship with democracy using three approaches The challenge of democracy for sub state nationalism analyzing the circumstances under which sub state nationalism is compatible with democracy and assessing the democratic implications of various nationalist projects The impact of state nationalism on democratic practices examining the implications of state nationalism for democracy both in countries where liberal democratic principles and practices are well established and where they are not Understanding how state nationalism affects democratization processes and what impact sub state nationalism has in these contexts Featuring a range of case studies on Western Eastern and Central Europe Russia African and the Middle East this book will be of interest to students and scholars of political science sociology nationalism and democracy **The Eastern International** Masha Kirasirova,2024 The Eastern International traces how the concept East Vostok was used by the world s first communist state and its mediators to project channel and contest power across Eurasia It highlights the roles played in this process by Jewish activists Arab intellectuals and Central Asian politicians and artists *EU and NATO Relations with Russia* Glenn Diesen,2016-03-09 Do the EU and NATO threaten Russian security The book explores the rise of these exclusive inter democratic security institutions after the collapse of the Soviet Union and the ensuing effects on relations with Russia Two competing theories

are tested to explore whether these institutions aggravate or mitigate the security dilemma with Russia These institutions can be theorised to promote security as a positive sum game through European integration and democracy promotion or pursue collective hegemony with ideologically uncompromising bloc politics Glenn Diesen argues that a European security architecture that demotes the largest state on the continent to an object of security inevitably results in European integration becoming a zero sum geopolitical project that has set the West on a collision course with Russia **Exploring the**

Implications of Local and Regional Conflicts Pietrzak, Piotr,2024-12-05 In today s turbulent global landscape the proliferation of local and regional conflicts presents a formidable challenge to policymakers and scholars alike From the War in Yemen to the Civil War in Syria these conflicts not only have a devastating toll on human lives but also threaten the stability of the international order As the world grapples with the complexities of post Cold War geopolitics there is an urgent need for a comprehensive framework to understand and address these pressing issues Exploring the Implications of Local and Regional Conflicts is a groundbreaking resource meticulously curated for academics and professionals in current affairs and security studies This essential volume offers a multidimensional analysis of critical conflicts shedding light on their underlying dynamics and implications for global power dynamics Drawing from disciplines such as geoeconomics geopolitics and security studies it equips readers with the analytical tools needed to navigate the complexities of this turbulent world

Emotional Choices Robin Markwica,2018 This book examines coercive diplomacy and presents a theory of emotional choice to analyse how affect enters into decision making Russia in the Changing International System Emel Parlar Dal,Emre Erşen,2019-08-26 This volume seeks to explore Russia s perceptions of the changing international system in the twenty first century and evaluate the determinants of Russian motives roles and strategies towards a number of contemporary regional and global issues The chapters of the volume discuss various aspects of Russian foreign policy with regard to key actors like the U S EU and China international organizations such as the BRICS Shanghai Cooperation Organization Eurasian Economic Union and Collective Security Treaty Organization and a number of regional conflicts including Ukraine and Syria The contributors seek to understand how the discourses of anti Westernism and post Westernism are employed in the redefinition of Russia s relations with the other actors of the international system and how Russia perceives the concept of regional hegemony particularly in the former Soviet space and the Middle East

Recalibrating U.S. Strategy toward Russia Kathleen H. Hicks,Lisa Sawyer Samp,2017-04-12 These are turbulent times for American foreign policy Nowhere are the challenges facing the United States more evident than in U S policy toward Russia Drawing on scholars across several disciplines and perspectives CSIS conducted a year long study that sought to achieve two goals First to provide policymakers with a clearer understanding of Russia s strategic motivations and objectives along with the tools it uses to advance its goals Second to lay out a comprehensive strategy to secure U S and transatlantic interests in the face of the complex Russia challenge set **The End of the Cold War: 1985-1991** Robert

Service,2015-11-10 On 26 December 1991 the hammer and sickle flag was lowered over the Kremlin for the last time Yet just six years earlier when Mikhail Gorbachev became general secretary of the Communist Party of the Soviet Union and chose Eduard Shevardnadze as his foreign minister the Cold War seemed like a permanent fixture in world politics Until its denouement no Western or Soviet politician foresaw that the standoff between the two superpowers after decades of struggle over every aspect of security politics economics and ideas would end within the lifetime of the current generation Nor was it at all obvious that that the Soviet political leadership would undertake a huge internal reform of the USSR or that the threat of a nuclear Armageddon could or would be peacefully wound down Drawing on pioneering archival research Robert Service's gripping investigation of the final years of the Cold War pinpoints the extraordinary relationships between Ronald Reagan Gorbachev George Shultz and Shevardnadze who found ways to cooperate during times of exceptional change around the world A story of American pressure and Soviet long term decline and overstretch *The End of the Cold War 1985-1991* shows how a small but skillful group of statesmen grew determined to end the Cold War on their watch and transformed the global political landscape irreversibly

Russia's Foreign Policy Andrei P. Tsygankov,2013-02-14 Now fully updated and revised this clear and comprehensive text explores the past quarter century of Soviet Russian international relations comparing foreign policy formation under Gorbachev Yeltsin Putin and Medvedev Drawing on an impressive mastery of both Russian and Western sources Andrei P Tsygankov shows how Moscow's policies have shifted with each leader's vision of Russia's national interests He evaluates the successes and failures of Russia's foreign policies explaining its many turns as Russia's identity and interaction with the West have evolved The book concludes with reflections on the emergence of the post Western world and the challenges it presents to Russia's enduring quest for great power status along with its desire for a special relationship with Western nations

The Cambridge History of the Cold War: Volume 3, Endings Melvyn P. Leffler,Odd Arne Westad,2012-01-26 Volume III of *The Cambridge History of the Cold War* examines the evolution of the conflict from the Helsinki Conference of 1975 until the Soviet collapse in 1991 A team of leading scholars analyzes the economic social cultural religious technological and geopolitical factors that ended the Cold War and discusses the personalities and policies of key leaders such as Brezhnev Reagan Gorbachev Thatcher Kohl and Deng Xiaoping The authors show how events throughout the world shaped the evolution of Soviet American relations and they explore the legacies of the superpower confrontation in a comparative and transnational perspective Individual chapters examine how the Cold War affected and was affected by environmental issues economic trends patterns of consumption human rights and non governmental organizations The volume represents the new international history at its best emphasizing broad social economic demographic and strategic developments while keeping politics and human agency in focus

The Cold War 1949-2016 Martin McCauley,2017-05-18 Covering the development of the Cold War from the mid twentieth century to the present day *The Cold War 1949-2016* explores the struggle for world domination that took place between the United States

and the Soviet Union following the Second World War The conflict between these two superpowers shaped global history for decades and this book examines how this conflict developed into a nuclear arms race spurred much of the wider world towards war and eventually resulted in the collapse of the Soviet empire In this accessible yet comprehensive volume Martin McCauley examines not only the actions of the United States and the Soviet Union but also the effects upon and involvement of other regions such as Africa Central America Asia Europe and the Middle East Key themes include the Sino Soviet relationship and the global ambitions of the newly formed People s Republic of China the rise and fall of communism in countries such as Cuba Angola and Ethiopia the US defeat in Vietnam the gradual unravelling of the Soviet Union and the changing shape of the post Cold War world Providing a wide ranging overview of the main turning points of the conflict and illustrated throughout with photographs and maps this is essential reading for all students of the Cold War and its lasting global impact

The Spy and the Traitor Ben Macintyre, 2018-09-18 NEW YORK TIMES BESTSELLER From the celebrated author of *Operation Mincement* and *The Siege* comes the thrilling Americans era tale of Oleg Gordievsky the Russian whose secret work helped hasten the end of the Cold War The best true spy story I have ever read JOHN LE CARR Named a Best Book of the Year by The Economist Shortlisted for the Bailie Giffords Prize in Nonfiction If anyone could be considered a Russian counterpart to the infamous British double agent Kim Philby it was Oleg Gordievsky The son of two KGB agents and the product of the best Soviet institutions the savvy sophisticated Gordievsky grew to see his nation s communism as both criminal and philistine He took his first posting for Russian intelligence in 1968 and eventually became the Soviet Union s top man in London but from 1973 on he was secretly working for MI6 For nearly a decade as the Cold War reached its twilight Gordievsky helped the West turn the tables on the KGB exposing Russian spies and helping to foil countless intelligence plots as the Soviet leadership grew increasingly paranoid at the United States s nuclear first strike capabilities and brought the world closer to the brink of war Desperate to keep the circle of trust close MI6 never revealed Gordievsky s name to its counterparts in the CIA which in turn grew obsessed with figuring out the identity of Britain s obviously top level source Their obsession ultimately doomed Gordievsky the CIA officer assigned to identify him was none other than Aldrich Ames the man who would become infamous for secretly spying for the Soviets Unfolding the delicious three way gamesmanship between America Britain and the Soviet Union and culminating in the gripping cinematic beat by beat of Gordievsky s nail biting escape from Moscow in 1985 Ben Macintyre has crafted an electrifying account of an international hero Like the greatest novels of John le Carr *The Spy and the Traitor* brings readers deep into a world of treachery and betrayal where the lines bleed between the personal and the professional and one man s hatred of communism had the power to change the future of nations

Encyclopedia of the Cold War Ruud van Dijk, William Glenn Gray, Svetlana Savranskaya, Jeremi Suri, Qiang Zhai, 2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short to a full blown war

Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945 1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day

The Secret World Christopher Andrew, 2018-09-04 A comprehensive exploration of spying in its myriad forms from the Bible to the present day Easy to dip into and surprisingly funny Ben Macintyre in The New York Times Book Review The history of espionage is far older than any of today's intelligence agencies yet largely forgotten The codebreakers at Bletchley Park the most successful WWII intelligence agency were completely unaware that their predecessors had broken the codes of Napoleon during the Napoleonic wars and those of Spain before the Spanish Armada Those who do not understand past mistakes are likely to repeat them Intelligence is a prime example At the outbreak of WWI the grasp of intelligence shown by US President Woodrow Wilson and British Prime Minister Herbert Asquith was not in the same class as that of George Washington during the Revolutionary War and eighteenth century British statesmen In the first global history of espionage ever written distinguished historian and New York Times bestselling author Christopher Andrew recovers much of the lost intelligence history of the past three millennia and shows us its continuing relevance Accurate comprehensive digestible and startling a stellar achievement Edward Lucas The Times For anyone with a taste for wide ranging and shrewdly gossipy history or for that matter for anyone with a taste for spy stories Andrew's is one of the most entertaining books of the past few years Adam Gopnik The New Yorker Remarkable for its scope and delightful for its unpredictable comparisons there are important lessons for spymasters everywhere in this breathtaking and brilliant book Richard J Aldrich Times Literary Supplement Fans of Fleming and Furst will delight in this skillfully related true fact side of the story Kirkus Reviews A crowning triumph of one of the most adventurous scholars of the security world Financial Times Includes illustrations

Paradox of Power John Heathershaw, Edward Schatz, 2024-02-13 State weakness is seen to be a widespread problem throughout Central Asia and other parts of post socialist space and more broadly in areas of the developing world Challenging the widespread assumption that these weak states inevitably slide toward failure Paradox of Power takes careful stock of the varied experiences of Eurasian states to reveal a wide array of surprising outcomes The case studies show how states teeter but do not collapse provide public goods against all odds interact with societies in creative ways utilize coercion effectively against internal opponents and establish practices that are far more durable than the language of weakness would allow While deepening our understanding of the phenomenon in Eurasia in particular the essays also contribute to more general theories of state

weakness

Russian Crossroads Toward The New Millennium Introduction

In today's digital age, the availability of Russian Crossroads Toward The New Millennium books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Russian Crossroads Toward The New Millennium books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Russian Crossroads Toward The New Millennium books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Russian Crossroads Toward The New Millennium versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Russian Crossroads Toward The New Millennium books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Russian Crossroads Toward The New Millennium books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Russian Crossroads Toward The New Millennium books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them

invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Russian Crossroads Toward The New Millennium books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Russian Crossroads Toward The New Millennium books and manuals for download and embark on your journey of knowledge?

FAQs About Russian Crossroads Toward The New Millennium Books

1. Where can I buy Russian Crossroads Toward The New Millennium books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
