**Prophecy** Wayne J. Bentley, 2022-08-25 Prophecy Now through End Times starts with the Great Apostasy a falling away and continues to explain the events of Revelation in order up to the Return of Jesus If Jesus did not return the events explained in this text would lead to the extinction of humanity Jesus said No flesh shall be saved Humanity ends it is an extinction event The events leading up to Jesus s return have the days shortened and the Earth tilting four times killing off most of humanity Everyone in Asia dies except the two hundred million man army that is attacking Israel when Jesus returns Here in the United States the coastlines will be destroyed by an object from outer space that hits the Earth and sends tidal waves around the globe The heartland will survive with the help of the Church of Philadelphia There is little to zero trade between the countries of the world because the object from space destroys the ships The Antichrist rules in the revived Holy Roman Empire and declares himself god He kills every Catholic in his empire and attacks Israel Jesus said Watch that you may be accounted worthy to escape all these things <https://www.prophecynowtoendtimes.com> **Russia's Hawaiian Adventure, 1815-1817** Richard A. Patrick E. Quainoo, 2016-10-14 Democracy has seemingly outward appeal but inward characteristics of evil and deception because God Yahweh has no place in it It is about the rule of man's laws and not God's law therefore there is no absolute truth that exists in democracy but absolute truth in God's law In a democratic view since no one possesses absolute truth all side to an argument or discussion must be given free expression because no truth is so certain that it may not be challenged not even the truth of democracy itself In the end when tension looms then there is an unending appeal for tolerance With time democracy has developed from a largely northern European style of governance to a worldwide phenomenon in the 21st century Consequently almost everybody today consider democracy to be the ideal form of government under a widely accepted consensus that it is a government of choice in the global market place of social systems but how true is it As you read this book I pray that you will be enlightened in the knowledge of God so as you are not tossed about by any wind of doctrines of men but by God     Alexander Bestuzhev-Marlinsky and Russian Byronism Lewis Bagby, 2010-11-01     *The Jews in Poland and Russia* Antony Polonsky, 2012-02-09 A comprehensive socio political economic and religious history an important story whose relevance extends beyond the Jewish world or the bounds of east central Europe     **New Word Volume 2** Lela Kakulia, 2013-01-25 Hereinafter is my book *New word* the work unique by its contents and in essence This is a book of prediction Years beforehand I described all those necessary expected political events or natural phenomenon related to the whole world Most of them have already precisely come true some of them are now being fulfilled and the rest will come true in future This is a live cosmic information new word that I Georgian prophet Lela Kakulia pronounce by God's will I was sent to the earth in order to let countries states particular politicians or humankind in general know their future By this means cosmos gave a chance to the universe to soften destined blows and avoid destruction I predict all my life from birth and will predict till I am on the earth A prophet is sent by cosmos once in few centuries when the earth faces a special danger when it is on the edge of the existence I Georgian prophet am sent with the mission to save the world I bring enormous protecting energy for people and countries and hand it out with no regret I often draw cosmic information and my drawings are the source of colossal energy that fill people with hope and peace This is the book that would live for ages and give answer to people's any question No one on earth owns such information neither particular individual nor analytical centres My prediction has no analogue and thus is unique With respect and love Georgian prophet Lela Kakulia     *How to*

World War III Gabriel Michaels, 2020-11-24 WW III The mention of such an event brings fear and dread to the hearts of people the world over. The prophet Ezekiel and many other Bible prophets saw a great end time war taking place. A war that would burn like a furnace upon the earth. A war that would trigger many other end time events. The Bible prophets of the Old and New Testaments and Jesus himself speak together in harmony warning our generation of the approach of a nuclear fire war that will change the world forever. The drumbeat of the approach of WW III is growing louder day by day by day. Have you been thinking that something just doesn't seem right about what is happening in the world today? This hard hitting book answers many of the questions that you may have about these days in which you live. This planet seems to be on a collision course with disaster. Something is about to happen, something very terrible and something very wonderful. Author Gabriel Michaels helps to explain in easy to understand language what is coming upon this planet and he shows how it may be much sooner than you think. The book is not for the squeamish. It's the end times on steroids. The future of our planet and the destiny of many nations including the USA hangs in the balance. Today the world teeters on the brink of the most destructive world changing war in history WW III. Very few people realize the peril that they are in or that there is only one escape from what is coming. This book could be the final warning that many people will receive. For the sake of you, your family and your friends, you need to listen to this warning, a warning done out of love.
