## **Russkie Pisateli Emigratsii:**

**Русские писатели эмиграции** Nicolas Zernov, 1977      Handbook of Russian Literature Victor Terras, 1985-01-01  
Profiles the careers of Russian authors scholars and critics and discusses the history of the Russian treatment of literary genres such as drama fiction and essays      **Lenin's Private War** Lesley Chamberlain, 2008-06-24 In the autumn of 1922 Lenin personally drew up a list of some 220 undesirable intellectuals mostly philosophers academics scientists and journalists to be deported before the creation of the Soviet Union in December that year Two ships sailed from Petrograd that autumn taking around seventy of these eminent men and their families away to what became permanent exile in Berlin Prague and Paris Lenin's Private War tells the story of these writers journalists and scholars expelled from their homeland It describes the world they left behind and the emigre communities they were forced to join Lesley Chamberlain paints a rich portrait of this chilling historical moment using the journals letters and memoirs of those involved Lenin's Private War also tells the story of the fate of ideas not just those of Lenin but also of the men forced to leave their homeland Men like Nicholas Berdyaev Semyon Frank and Sergei Bulgakov made unique contributions to the intellectual life of the twentieth century through their work on creativity and faith They perpetuated core Russian cultural traditions that were banned in the Soviet Union and incomparably deepened Western understanding of Russian history and culture      *A History of Russian Philosophy 1830-1930* G. M. Hamburg, Randall A. Poole, 2010-04-22 The great age of Russian philosophy spans the century between 1830 and 1930 from the famous Slavophile Westernizer controversy of the 1830s and 1840s through the Silver Age of Russian culture at the beginning of the twentieth century to the formation of a Russian philosophical emigration in the wake of the Russian Revolution This volume is a major history and interpretation of Russian philosophy in this period Eighteen chapters plus a substantial introduction and afterword discuss Russian philosophy's main figures schools and controversies while simultaneously pursuing a common central theme the development of a distinctive Russian tradition of philosophical humanism focused on the defence of human dignity As this volume shows the century long debate over the meaning and grounds of human dignity freedom and the just society involved thinkers of all backgrounds and positions transcending easy classification as religious or secular The debate still resonates strongly today      **The Cambridge History of Christianity: Volume 5, Eastern Christianity** Michael Angold, 2006-08-17 This volume encompasses the whole Christian Orthodox tradition from 1200 to the present Its central theme is the survival of Orthodoxy against the odds into the modern era It celebrates the resilience shown in the face of hostile regimes and social pressures in this often neglected period of Orthodox history      **African Studies in Russia**, 1999      **The Papers of the Bibliographical Society of America** Bibliographical Society of America, 1974      Russian and Soviet History University of Virginia. Library, 1980      *A Thousand Years of Russian Christianity* George C. *A World Bibliography of Geographical Bibliographies* Takashi Okuno, 1993      *The Ravine of Memory* Shay A. Pilnik, 2025-03-15 The Nazis and their collaborators buried over 100 000 victims at Babyn Yar a ravine in modern day Ukraine Most of the individuals were Jewish making this area one of the most infamous mass murder sites in history The Ravine of Memory starts when the travesty ends telling the story of the ravine s memory and forgetting in Soviet literature and culture in Russian as well as in Yiddish This book challenges the prevailing binary conceptions of Babyn Yar as exclusively a Holocaust or a Great Patriotic War story It is neither the exclusive product of Soviet censorship nor individual dissidents Babyn Yar is more than a physical space where untold horrors took place Symbolically it is the ultimate meeting point of so many disparate threads of Soviet culture the state and the artist the Jew and the non Jew and the Holocaust and the Great Patriotic War Ultimately it is a place that reveals the frailty and courage of those who bear witness to atrocity

**A History of Russian Literary Theory and Criticism** Evgeny Dobrenko, Galin Tihanov, 2011-11-27 This edited volume assembles the work of leading international scholars in a comprehensive history of Russian literary theory and criticism from 1917 to the post Soviet age By examining the dynamics of literary criticism and theory in three arenas political intellectual and institutional the authors capture the progression and structure of Russian literary criticism and its changing function and discourse The chapters follow early movements such as formalism the Bakhtin Circle Proletkult futurism the fellow travelers and the Russian Association of Proletarian Writers By the cultural revolution of 1928 literary criticism became a mechanism of Soviet policies synchronous with official ideology The chapters follow theory and criticism into the 1930s with examinations of the Union of Soviet Writers semantic paleontology and socialist realism under Stalin A more humanized

literary criticism appeared during the ravaging years of World War II only to be supplanted by a return to the party line Soviet heroism and anti-Semitism in the late Stalinist period During Khrushchev's Thaw there was a remarkable rise in liberal literature and criticism that was later refuted in the nationalist movement of the long 1970s The same decade saw on the other hand the rise to prominence of semiotics and structuralism Postmodernism and a strong revival of academic literary studies have shared the stage since the start of the post Soviet era For the first time anywhere this collection analyzes all of the important theorists and major critical movements during a tumultuous ideological period in Russian history including developments in emigre literary theory and criticism
