Rustication Of Urban Youth In China:

The Rustication of Urban Youth in China Peter J. Seybolt, 1977 **The Rustication of Urban Youth in China** Peter Jordan Seybolt, 1977 **The Rustication of Urban Youth in China. A Social Experiment. Ed. by P.J. Seybolt. Introd. by Th. P. Bernstein** P. J. Seybolt, Th. P. Bernstein, 1977 *China Under the Four Modernizations* United States. Congress. Joint Economic Committee, 1982 **China Under the Four Modernizations**, 1982 China's Sent-Down Generation Helena K. Rene, 2013-03-29 During China's Cultural Revolution Chairman Mao Zedong's rustication program resettled 17 million urban youths known as sent downs to the countryside for manual labor and socialist reeducation This book the most comprehensive study of the program to be published in either English or Chinese to date examines the mechanisms and dynamics of state craft in China from the rustication program's inception in 1968 to its official termination in 1980 and actual completion in the 1990s Rustication in the ideology of Mao's peasant based revolution formed a critical component of the Cultural Revolution's larger attack on bureaucrats capitalists the intelligentsia and degenerative urban life This book assesses the program's origins development organization implementation performance and public administrative consequences It was the defining experience for many Chinese born between 1949 and 1962 and many of China's contemporary leaders went through the rustication program The author explains the lasting impact of the rustication program on China's contemporary administrative culture for example showing how and why bureaucracy persisted and even grew stronger during the wrenching chaos of the Cultural Revolution She also focuses on the special difficulties female sent downs faced in terms of work pressures to marry local peasants and sexual harassment predation and violence The author's parents were both sent downs and she was able to interview over fifty former sent downs from around the country something never previously accomplished China's Sent Down Generation demonstrates the rustication program's profound long term consequences for China's bureaucracy for the spread of corruption and for the families traumatized by this authoritarian social experiment The book will appeal to academics graduate and undergraduate students in public administration and China studies programs and individuals who are interested in China's Cultural Revolution era *A Century of Student Movements in China* Xiaobing Li, Qiang Fang, 2019-12-02 In this book the authors offer their unique perspectives on the important roles Chinese students and intellectuals played in the shaping of the twentieth century China Their answers to these pivotal questions explore new nationalistic spirit modern world views and willingness of self sacrifice which had attributed to the spontaneous actions of the students as a New Culture emerged during the May Fourth Movement These articles show how China nurtured these spontaneous student movements even though the Nationalist Party in the Republic of China and the Communist Party in the People's Republic had exerted tight control over schools Both governments established organizations as well as operations among students that effectively turned some of the student movements into a political instrument by the parties for their own agenda *The Fading of the Maoist Vision* Rhoads Murphey, 2013-11-05

First published in 1980 This book analyzes Chinese society and evaluates the achievements and failures of the Maoist ideology The central theme is the urban and rural balance in China s development from the Revolution to the late twentieth century The Fading of the Maoist Vision shows how the original Revolutionary blueprint was altered and the ways in which China has steered a different course from that charted by Mao as the ideological vision encountered an increasingly pressing set of economic realities The book Is particularly valuable in setting China s achievements in the larger context of global ideas about the problems of national development and by comparing them to the experience of India in its pursuit of the Gandhian ideal

Education in the People's Republic of China, Past and Present Franklin Parker, Betty June Parker, 2017-12-12 The 3 053 entries in this work first published in 1986 comprise the compilers attempt at a comprehensive annotated bibliography of the most useful locatable books monographs pamphlets regularly and occasionally issued serials scholarly papers and selected newspaper accounts dealing in a significant way with formal and informal public and private education in the People s Republic of China before and since 1949

Young Rebels in Contemporary Chinese Cinema Zhou Xuelin, 2007-09-01 In the 1980s a new type of central character emerged in contemporary Chinese films angry and alienated youth Filmmakers treated youth as a separate category and showed them in urban situations behaving in unconventional and socially rebellious ways Young Rebels in Contemporary Chinese Cinema looks for evidence in films that exemplify this trend

China's Road to Development N. Maxwell, 2014-06-28 China s Road to Development is a collection of papers by specialists on aspects of China s economy and society It covers a wide range of subjects from development strategy to the specifics of small scale energy exploitation from the role of women in China s development to the greening of China through great efforts in afforestation Commenting on the limited issue original edition a special issue of the journal World Development from which this volume has been greatly expanded Dr Knowles President of the Rockefeller Foundation wrote A magnificent collection of essays by very astute and experienced observers covering everything from population control health economic planning trade city planning and rural development to Chinese aid in building the Tanzania Zambia railway If I could only afford two books on modern China I would get this one

[China's Changing Population](#) Judith Banister, 1987 In this comprehensive analysis of thirty five years of population change in the People s Republic of China the author highlights China s shifting population policies and pieces together the available data assessing and adjusting them as necessary in order to discover the actual population changes

1968: The World Transformed Carole Fink, Philipp Gassert, Detlef Junker, 1998-10-28 1968 The World Transformed presents a global perspective on the tumultuous events of the most crucial year in the era of the Cold War By interpreting 1968 as a transnational phenomenon authors from Europe and the United States explain why the crises of 1968 erupted almost simultaneously throughout the world Together the eighteen chapters provide an interdisciplinary and comparative approach to the rise and fall of protest movements worldwide The book represents an effort to integrate international relations the role of media and the cross cultural exchange of people and

ideas into the history of that year 1968 emerges as a global phenomenon because of the linkages between domestic and international affairs the powerful influence of the media the networks of communication among activists and the shared opposition to the domestic and international status quo in the name of freedom and self determination *Economic*

Higher Education, Meritocracy and Inequality in

China Ye Liu, 2016-10-08 This book investigates the changing opportunities in higher education for different social groups during China's transition from the socialist regime to a market economy The first part of the book provides a historical and comparative analysis of the development of the idea of meritocracy since its early origins in China and in more recent western thought The second part then explores higher education reforms in China the part played by supposedly meritocratic forms of selection and the implications of these for social mobility Based on original empirical data Ye Liu sheds light on the socio economic gender and geographical inequalities behind the meritocratic facade of the Gaokao Liu argues that the Chinese philosophical belief in education based meritocracy had a modern makeover in the Gaokao and that this ideology induces working class and rural students to believe in upward social mobility through higher education When the Gaokao broke the promise of status improvement for rural students they turned to the Chinese Communist Party and sought political connections by actively applying for its membership This book reveals a bleak picture of visible and invisible inequality in terms of access to and participation in higher education in contemporary China Written in an accessible style it offers a valuable resource for researchers and non specialist readers alike **Chinese Education Since 1949** Theodore Hsi-en

Chen, 2014-05-19 *Chinese Education Since 1949 Academic and Revolutionary Models* covers the developments in the education in China This book is composed of 11 chapters that discuss the contrasting models of education Academic Model and Revolutionary Model It addresses the effectiveness of combining these models This book begins with the description of a political education ideological remolding development of a new school system assessment of worker peasant education types of literacy campaigns review of the Language Reform after 1949 description of Spare time Education and analysis of Sovietized Education Other chapters consider the study of Friendship Association the Hundred Flowers campaign and the response of the so called intellectuals A chapter is devoted to the educational revolution and transitional period The last chapter focuses on the revolutionary model of education The book can provide useful information to historians sociologists students and researchers *Historical Dictionary of the Chinese Cultural Revolution* Guo Jian, Yongyi Song, Yuan

Zhou, 2015-07-23 As the world's only English language historical dictionary of the Chinese Cultural Revolution 1966-1976 this book offers a comprehensive coverage of major historical figures events political terms and other matters relevant to this unique period of modern Chinese history that had profound influence on social and cultural movements of the world in the 1960s and 1970s This second edition of *Historical Dictionary of the Chinese Cultural Revolution* covers its history through a chronology an introductory essay glossary and an extensive bibliography The dictionary section has over 400 cross

referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about this important period in Chinese history
