Humber, 2016-01-19 DAD S BEST MEMORIES AND RECOLLECTIONS is Chazz Humber s epitaph casting a very long and sentimental shadow across North America and beyond This 230 page volume is his granite monument well polished It lavishly records 125 of his best memories over a life span of nearly eighty years The vignettes are serenaded with more than 400 illustrations Those discovering this volume likely will find themselves wanting to record in their own sunset years their personal memories and recollections And when they do they are apt to recall what it was like to live in their fluctuating world dominated by a variety of personalities and cascading events Mr Humber vividly describes what it was like in 1945 to travel in a 1930 Model A Ford from Toronto to Boston With lively enthusiasm he reports what it was like to

live in post World War II Boston to cook a lobster for a former President of the United States or to sell a pair of elevator shoes to one of Hollywood's shortest celebrities or to shine the shoes of a Derby hatted father of a future President of the United States It is not a remarkable achievement to reflect to recall or to have memories that are treasured But to tell them with literary aplomb to recall the events that happened nearly seventy five years ago with utmost clarity is definitely an admirable achievement and should be cherished not only by the kin who follow Mr Humber but by those who might like to imitate what he has monumentally achieved in Dad's Best Memories and Recollections *Rusty's Story* Carol

Gino,2010-10-12 Why do they keep locking me up Rusty's Story is Carol Gino's account of the extraordinary life of the woman she undertook to help the woman who ended up teaching her an invaluable lesson about the will to live the strength of hope Rusty used to wonder if she would make it through the day seeing danger in everyday living Rusty has epilepsy She was twenty when Carol Gino met her and learned of her past ordeals the stigma of mental illness the drugs that took away her self control the treatments that only worsened her symptoms Carol and Rusty set out to prove that illness can be overcome and that there is no substitute for love and care From Library Journal While many advancements have been made in understanding and treating epilepsy the disease is still surrounded by an aura of dread Rusty was a teenager when she was stricken with epilepsy Misdiagnosed as a paranoid schizophrenic for years she suffered more from inappropriate medical treatment than from her condition The reader is mesmerized as Gino passionately relates Rusty's plight Despite repeated incarcerations in a frightful state mental institution and the toxic effects of drugs she never lost her sense of humanity or her strong desire to help others Gino's deep distrust of the medical establishment her fervent attachment to nursing and her conviction that the patient knows best are themes that are interwoven into the emotional story of Rusty's fight for a normal life Carol R Glatt Helene Fuld Medical Center Lib Trenton N J *Justice Is for the Lonely* Steve Clark ,2015-06-30 A Kristen Kerry novel of suspense Jacket [The Whitsun Daughters](#) Carrie Mesrobian,2021-08-24 The ghost of a 19th century Irish immigrant to Minnesota watches over three contemporary American teenagers who live on the plot of land she did as they try to terminate an unwanted pregnancy [I Fired My Doctors and Saved My Life](#) Sam Sewell,Bunny Sewell,2008-08 Sam Sewell thought about making the title of his book Buy this book for your man and save his life Not only do many men have little interest in their own health they will actively avoid other people usually the women in their lives any time they attempt to call attention to the obvious Sometimes men accuse the women who love them of nagging Sewell was that way His wife and daughters pointed out that his lifestyle was like committing suicide on an installment plan He embraced the alpha male attitude If I hurt I will just tough it out and conquer the problem with determination and power His new self doesn't pretend to be Superman Radical life style change saved his life The research that has gone into this book includes scientific studies supporting the conclusion that changing how you live will cure you and protect you better than drugs or surgery So Sewell doesn't really expect men to buy this book He urges women to save men's lives and give them this book [The UFO Guy](#)
