Breaking Babe Ruth Edmund F. Wehrle, 2018-05-31 Rather than as a Falstaffian figure of limited intellect Edmund Wehrle reveals Babe Ruth as an ambitious independent operator one not afraid to challenge baseball's draconian labor system To the baseball establishment Ruth's immense popularity represented opportunity but his rebelliousness and

potential to overturn the status quo presented a threat After a decades long campaign waged by baseball to contain and discredit him the Babe frustrated and struggling with injuries and illness grew more acquiescent but the image of Ruth that baseball perpetuated still informs how many people remember Babe Ruth to this day This new perspective approaching Ruth more seriously and placing his life in fuller context is long overdue Ruth Ilana Pardes, 2022-10-04 A wide ranging exploration of the story of Ruth a foreigner who became the founding mother of the Davidic dynasty A virtuoso exploration of the Book of Ruth as an admirable touchstone in the realms of literature art and human values Ilana Pardes foregrounds the timeless emergency of migrants and refugees with compassion and depth Galit Hasan Rokem author of *Web of Life* The biblical Ruth has inspired numerous readers from diverse cultural backgrounds across many centuries In this insightful volume Ilana Pardes invites us to marvel at the ever changing perspectives on Ruth s foreignness She explores the rabbis lauding of Ruth as an exemplary convert and the Zohar s insistence that Ruth s Moabite background is vital to her redemptive powers In moving to early modern French art she looks at pastoral paintings in which Ruth becomes a local gleaner holding sheaves in her hands Pardes concludes with contemporary adaptations in literature photography and film in which Ruth is admired for being a paradigmatic migrant woman Ruth s afterlives not only reveal much about their own times but also shine new light upon this remarkable ancient tale and point to its enduring significance In our own era of widespread migration and dislocation Ruth remains as relevant as ever *Ruth and Esther* Bruce G Epperly, 2016-01-12 How does one read the literature of a patriarchal society in a 21st century context Where can one find good role models for girls and women in the Bible All too often these questions are answered by presenting the answers given by patriarchal society and not by looking for liberating examples It is all too easy to let God s message of setting the captives free ring forth but directed to a limited audience But Ruth and Esther provide strong counter examples of women who had to struggle against the cultural norms in order to live and to do great things for their people All too often these women are excluded from our studies or when included are portrayed as subordinate people But Dr Bruce Epperly pastor father grandfather and theology sees them as women of agency and adventure resourceful and proactive women in patriarchal cultures But despite being subject to the apparently arbitrary decisions of males with authority both women were agents in their destiny fulfilling their vocations in their particular culture If you are a Christian pastor or teacher you owe it to those in your circle of influence to let them experience these two Bible books in new ways to see them as liberating documents that let everyone know that God doesn t exclude them From these women of agency and adventure those who find themselves excluded from power can find encouragement to stand up and be the persons of agency and adventure that God created them to be no matter what restrictions others have placed upon them **Babe Ruth Biography: How The Baseball Legend Shaped The Sport Industry and Made Baseball Popular?** Chris Dicker, Babe Ruth known as George Herman Ruth was a big baseball legend lived back in the yearly 1900s Some speculate if wasn t for Babe Ruth the baseball would not be as famous in

the United States as it is today Babe Ruth successfully managed to draw attention to baseball due to his playing capabilities and impressive hits at that time In fact as a result of Ruth s contract to New York baseball may be as meaningless in the US today as less popular sports such as Cricket or Lacrosse Babe Ruth came from a poor family a kid that was not getting much attention from his parents Overtime he discovered the love for sports and baseball He wasn t just a baseball pitcher he became a legend Babe Ruth s legacy continues far beyond the outstanding statistics He essentially changed how baseball was played entirely He single handedly moved baseball forward from the Dead Ball Era when teams were simply bunting using the hit and run and stealing bases to win games to the Live Ball Era where teams are now investing in sluggers to hit them 30 home runs per season in hopes of scoring more runs per game and driving up attendance numbers Before Babe Ruth s arrival in New York Yankees in the 1920s the Yankees were unknown team He was the one to bring the franchise to stardom When Ruth first played with the Yankees attendance in the stadiums rose dramatically eventually bring the Yankees management and ownership enough money to build their own stadium Yankee Stadium If you want to learn more about Babe Ruth s life and accomplishments grab your copy now
