writes a conventionally sentimental story However she actually divorced her first husband became the administrator of a juvenile reformatory in Milwaukee and married a second time she lived in Lansing Iowa for only a few years Her writing is romantic but she accurately portrays the economic challenges and transformations of this pioneer period and historically touches upon the Panic of 1857 the Mormon Handcart Expedition and Native Americans in Iowa Sharon Wood s illuminating introduction presents Rockwell s biography and places the novel in its historical and literary contexts including such events as the Spirit Lake massacre and the Dred Scott decision A Home in the West is a satisfying read and an intriguing combination of boosterism and literature
