Venter, Johan M. van der Merwe, 2017-11-28 This book provides a coherent and conceptual portrayal of aspects of the theological research theme entitled *Ecodomy* literally meaning to build a house In its figurative meaning the term *Ecodomy* addresses the theme life in its fullness This fullness of life entails a polarity which is inherently part of life namely its brokenness and its wholeness From various theological disciplines namely Old Testament Studies New Testament Studies Systematic Theology Church History and Practical Theology both the

brokenness and wholeness are addressed theologically Every chapter focuses on a specific theological discipline while the combination of theological disciplines addresses the brokenness and wholeness of life as coherent concept One pole does not exclude the other Brokenness is visible in current or recent very relevant societal challenges such as racism and xenophobia apartheid foreignness and exclusivism leadership crises and violence In contrast wholeness is embedded in themes such as the African concept of ubuntu a life of faith and wisdom reconciling leadership or transforming space and community Ultimately a Greek term persistence is connected to the meaning of Ecodomy and life in its fullness Several methodologies have been used in the different contributions of the book Every theological discipline applies a different methodology for the purpose of exposing a specific topic or research theme In general the contributions in this book follow a combination of a literature study with the further application of diachronic and synchronic exegetical methods In addition single contributions follow an own hermeneutical approach Not one single contribution but a combination of different theological disciplines which form the concepts of brokenness and wholeness life in its fullness which expose the polarity of life are included in this book In its exposed interdisciplinary interwovenness the book provides a tapestry of how different theological disciplines are combined into a single theme and how they contribute together by means of theological analyses and attempted building blocks to build the broken houses of societal structures or human life The book contributes to selected aspects of broken life in society and the healing experiences of human life Several themes touch on recent and relevant challenges which have contributed to the brokenness of life Not only in South Africa but globally these are currently relevant themes They include realities of racism and xenophobia apartheid foreignness and exclusivism leadership crises and violence With the focus on wholeness specific attention is given to the African concept of ubuntu a life of faith and wisdom reconciling leadership and transforming space and society A Greek term insolence as in keeping on asking Lk 11 8 illuminates the theme of Ecodomy from the perspective of a parable The target audience of the book is academic scholars and theologians who specialise in the different fields of Theology the Humanities and other Social Sciences Furthermore the book is also accessible to scholars of other academic disciplines outside these disciplines The book contains original research and contributions have not been plagiarised from publications elsewhere

The Peace River Flows Teresa Gonzalez,2022-08-01 Many years ago Teresa was encouraged by the Holy Spirit to follow the steps of Jesus With his guidance she took a trip through the Gospels observing the way Jesus taught his disciples He used his creation to help them understand the things of God and to give them a point of reference that made sense to them She studied him and hung onto his every word and fashioned herself after him learning to tell stories by using her experiences to explain biblical truths She grew up in the heart of the state of Florida surrounded by cabbage palm trees and cow pastures where the beautiful Peace River flows Her childhood home was near the edge of that swamp and she has fond memories of roaming and playing near the river and still loves watching it flow One of the things she loves about Jesus is the peace he brings when one trusts in him She is often amazed at the springs of living water that well up from deep within that spill out onto those who are near He has given us a special gift and her goal for this book is to provide you with a daily dose of the things he has taught her so you will in turn make use of his gifts and find comfort in the peace he brings You are invited to experience Jesus through a daily excursion into his Word and begin to see your circumstances the way he sees them By the time you come to the end of this book Teresa hopes that you break bonds and leave all of your cares to Jesus by learning to trust in him
