Jan van Ruusbroec (1293-1381) a Flemish mystical theologian was one of the most original Trinitarian thinkers in the medieval West. Yet his works written in Middle Dutch have remained relatively unknown. In this book Rik Van Nieuwenhove presents the first major study in English of Ruusbroec's thought. Van Nieuwenhove explores in detail Ruusbroec's theology of the Trinity, his anthropology, Christology and his understanding of union with God. Van Nieuwenhove's study reveals that Ruusbroec while incorporating aspects of the rich theological and spiritual tradition that preceded him, wrote at the beginning of a modern age in which mystical theology changed radically in nature. Ruusbroec claimed that the divine Persons are subject to an eternal dynamic of procession or outgoing from the Father on the one hand and returning to the shared divine essence on the other. The human person is called to participate in this continuous ebbing and flowing by leading a life that combines contemplation and charitable activity. Ruusbroec argued that mysticism should be interpreted in terms of a transformation of the human person rather than in terms of an immediate experience of God. Jan van Ruusbroec, *Mystical Theologian of the Trinity* is an innovative original study of one of late medieval theology's undiscovered treasures. Written in clear accessible language, this new interpretation of Ruusbroec's theology will appeal to all those interested in mysticism, medieval theology and the doctrine of the Trinity.

The Cambridge Companion to Christian Mysticism Amy Hollywood, Patricia Z. Beckman, 2012-09-17. The Cambridge Companion to Christian Mysticism is a multi-authored interdisciplinary guide to the study of Christian mysticism with an emphasis on the third through the seventeenth centuries. The book is thematically organized in terms of the central contexts, practices and concepts associated with the mystical life in early medieval and early modern Christianity. This book looks beyond the term mysticism which was an early modern invention to explore the ways in which the ancient terms mystic and mystical were used in the Christian tradition, what kinds of practices, modes of life and experiences were described as mystical. What understanding of Christianity and of the life of Christian perfection is articulated through mystical interpretations of scripture, mystical contemplation, mystical vision, mystical theology or mystical union. This volume both provides a clear introduction to the Christian mystical life and articulates a bold new approach to the study of mysticism.
