Rx For Nerves:

Anxiety Rx Russell Kennedy, 2024-09-17 From physician and neuroscientist Russell Kennedy MD comes an award winning book that offers a revolutionary life changing approach to healing anxiety Break the cycle of anxiety with the newly upgraded and expanded second edition After years of trying different therapies for his debilitating anxiety without success Dr Russell Kennedy had an epiphany anxiety does not start in the brain Anxiety starts in the body where trauma is stored and physical and emotional perception begin Alarm bells originating in the body are what trigger those anxious thoughts that we call anxiety and Russ realized that true healing starts only when we learn not to conflate the two He understood that existing therapies focused only on the mind would never get to the root of the problem at best they could help manage symptoms but they d never truly heal anxiety Wanting to make a difference for the millions who suffer from anxiety disorder Russ created Anxiety Rx a book that blends his personal story with medical science neuroscience and developmental psychology Readers learn how to sever the connection between the somatic alarm and the flood of anxious thoughts in the process they begin to heal old trauma and gain a sense of control previously unknown Russ offers techniques not only for our thinking minds but for our feeling bodies changing not just our mindset but our body set Unraveling the intricate relationship between anxiety the body and the mind Anxiety Rx offers a profound path toward healing and growth **RX from the Garden** Kathleen

The Manhood Rx Arthur Burnett, 2022-11-11 A top urologist s prescription for better sexual health and overall wellness According to research studies men with health problems and more specifically sexual health problems are more likely than women to have had no recent contact with a doctor regardless of income or ethnicity This reluctance to seek medical help means that for men their diseases often go undetected until it is significantly progressed and this late discovery has serious consequences To make matters worse when men do see their physicians many doctors find it difficult to talk about sexual health with their patients Common conditions such as erectile dysfunction or Peyronie s disease an acquired penile curvature are often dismissed or simply go unaddressed This avoidance creates real health problems erectile dysfunction ED alone affects as much as 20% of men worldwide occurring in as much as 52% of men between the ages 40 and 70 Serious skin cancers penile injuries and infections can go untreated for years And doctors lose a valuable tool in predicting other chronic health issues when sexual health isn t discussed Dr Burnett takes a deep dive here into identifying what healthy sexual function actually looks like and clearly identifies the distinct

components of the male sexual response that every healthy man experiences For each of these components readers will learn about the specific problems that can present their underlying or contributing causes and how each can be resolved It will explode the myth that the only way to enhance men s sexual health is through testosterone therapies Instead his effective prescription for enhanced sexual function and overall health highlights the best that evidence based medicine has to offer a comprehensive mixture of easy yet important lifestyle changes the most advanced medications including hormone therapies when they are appropriately administered mental health therapies external aids and surgery In total readers will have a cutting edge life strategy for achieving optimal sexual health now and for years to come Maxillofacial Reconstruction, An Issue of Oral and Maxillofacial Surgery Clinics Patrick J.
