## **Rx The Christian Love Treatment:**

Rx, the Christian Love Treatment Alphonse Calabrese, William Proctor, 1977      *Rx, the Christian Love Treatment* Alphonse Calabrese, William Proctor, 1976      Psychology & Christianity Integration Daryl H. Stevenson, Brian E. Eck, Peter C. Hill, 2007      **The Cure** Harry Kraus, 2008-06-09 One of the Bible's chief metaphors for the church is the body of Christ as described by Paul in 1 Corinthians 12. In *The Cure*, practicing surgeon Harry Kraus uses his medical background to bring this metaphor to life. He explains how an understanding of physiology, the wonderful way God has put together the physical body in function and form, can show us how love can be realized in the life of the believer and the church, the body of Christ. When asked what can be done to inherit eternal life, Jesus' answer can be summed up in a single word: love. Love stands at the heart of the gospel, the core of God's motivation and plan to rescue his bride. Through this careful dissection of Paul's metaphor, readers will come to an understanding about Christ's command of love and how to fulfill it.      **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office, 1978      **Rx for the Ailing Bride** Nathan James, 2012-01-04 Today's church has shackled itself to many Reformation doctrines not supported in scripture. Regarding salvation, two of those doctrines that have been particularly detrimental are Calvinism and Arminianism. Both of these have selectively filtered Biblical passages through their man-made theological construct, effectively rejecting the whole council of God. Baptist churches, in particular, have widely subscribed to either the doctrines or mission of Arminianism, which essentially requires that every believer's primary responsibility is to be an evangelist. Preaching this man-made doctrine from pulpits every Sunday has played a significant role in stunting the spiritual growth of most members as they are crammed into a role outside of their spiritual gifting. At the same time, the real work associated with a believer's true spiritual giftedness is going unused, failing to minister to the body of Christ as God designed. The cumulative effect is that the local church is focused on enticing those outside the church to join an assembly that essentially ignores the needs of those within. The key marker that Jesus said would show the outside world who we belong to is our love for one another. The early church understood this clearly as they shared all things in common with their fellow believers. They sacrificially gave of their physical possessions to meet the tangible needs of the saints and used their spiritual gifts to edify and strengthen one another spiritually. So if the Arminianistic model is not valid, what does the ideal Christian look like? Based on Scripture, we see these essential characteristics: Seeking to be daily clean before God and filled with the Holy Spirit; Operating in the Body of Christ in accordance with the spiritual gift bestowed to each believer; and Actively obedient to the Commands of Christ. Join Nathan in exploring these characteristics as he seeks to bring maturity to believers and to restore the well-being and health of the sickly bride of Christ.      **God's Rx for Health and Wholeness** James P.
