external life his internal struggle with opiates was far more heart wrenching Erin set out on a painful personal journey turning a journalistic eye on her brother s addiction in the process she was startled to discover a new twist to the ongoing prescription drug epidemic That kids are hooked on prescription drugs is nothing new what is new is the rising number of young heroin addicts whose addiction began with pills in suburban bedrooms and how a generation of young people playing around with today s increasingly powerful opioids are finding themselves in the frightening grip of heroin While many books have tackled the topic of Big Pharma drug addiction and our increasingly over medicated society Generation Rx offers an entirely new look at what the prescription pill epidemic means for today s youth and the world around them *Armour and Company V.
