

The background of the image is a dramatic landscape. A bright sunburst is breaking through a cloudy sky, casting a golden glow over a body of water. The sun is positioned on the left side of the frame, and its rays are visible. The sky is filled with soft, white clouds. The water is calm, reflecting the light from the sun. In the foreground, there are some rocky outcrops and sparse vegetation. The overall mood is serene and majestic.

Sabbath Time:

The Sabbath Way Travis West, 2025-06-03 Experience the transformational power of the sacred ancient radical rhythm of Sabbath rest In the fast paced chaotic overly scheduled cadence of our culture it can be difficult to imagine how to squeeze the Sabbath into our already over stuffed lives like trying to fit an eleventh passenger into an eight passenger van What if Sabbath isn't designed to fit into our lives but rather to take over our lives in the best way imaginable Hebrew scholar and Old Testament professor Travis West believes that we've misunderstood what it means to truly Sabbath In his book *The Sabbath Way* Travis takes readers on a spiritual journey to discovering radical rest is more than a weekly practice of taking a day off it's also a posture a way of living every day It means much more than sleeping in taking naps or chilling poolside for an afternoon instead the radical rest of Sabbath means putting rest and delight gratitude and flourishing first rather than last Using personal story and expert knowledge Travis shows Christians how to make Sabbath rest the metronome that establishes and maintains our life's rhythms apprenticing us to abundance our whole life long Readers of this book will discover how the Sabbath slows us down helps us discover the things that make us feel most alive freeing us from rigidity and legalism disrupts our cultural obsession with productivity and achievement and cultivates a more life giving connection between our work and our worth inspires an unhurried sacramental worldview that sees all of life as a gift safeguards neighborliness creation care awareness of God's presence justice belonging and inclusiveness enabling us to grow into the people God is calling us to be in our lives our homes our workplaces our communities and our world The Spirit of God longs for you to be fully alive and the world needs your unique vitality The Sabbath is calling Will you come

Time, Space, and Society A. Kellerman, 2012-12-06 Time and space are two of the most basic dimensions of human life They envelop all human beings from birth to death As such they provide the context for human existence At the same time however time and space also serve as major influencing factors in mankind's actions Hence a vast literature has developed on time and space as separate dimensions and recently on time space as joint dimensions Interestingly enough the social connotations of time and space have mostly been studied with the individual human being in mind The more societal significance of time and space whether separately or jointly have been relatively neglected It is the purpose of this volume to help fill this lacuna through discussions on some of the many junctions of time space and society at large The discussion will naturally involve concepts and findings from more than just one discipline notably geography sociology social history and political science It is thus obvious that the topic may be highlighted from several perspectives Given my own education and work the approach will lean more to the geographical perspective Geography has a special merit as an integrating framework for the study of time space and society It is a discipline that has space at the center of its *raison d'être* and as such has always striven for integration holism and comprehensiveness **Sabbath Rest** Mark Scarlata, 2019-04-30 Sabbath Rest

of a nurse's spirituality *The Practice of Piety* Lewis Bayly, 2023-11-18 In *The Practice of Piety* Lewis Bayly offers a profound exploration of Christian devotion and practical spirituality illuminating the pathways to a deeper relationship with God. Written in the early 17th century, this seminal work employs a straightforward yet evocative prose style characterized by its clarity and moral earnestness. Bayly interweaves scriptural references and personal reflections, providing readers with insightful meditations on prayer, piety, and the everyday practice of faith. As a prominent didactic treatise of its time, it serves as a vital commentary on the Puritan ethos and the broader context of post-Reformation spirituality in England. Lewis Bayly, a clergyman and a chaplain to King James I, was deeply influenced by the religious tumult of his era, an environment marked by intense debates on doctrine and ecclesiastical practice. His own life experiences and pastoral responsibilities imbued him with a sense of urgency to articulate a guide for believers striving to live piously in a secular world. Bayly's reflections come from a heart deeply embedded in the challenges of contemporary faith, rendering his insights all the more poignant. For anyone seeking to enrich their spiritual life, *The Practice of Piety* is a timeless guide. Its accessible wisdom resonates through the ages, making it essential reading for both seasoned believers and those exploring the tenets of Christian devotion. Bayly's meticulous attention to the intersection of faith and daily life encourages readers to cultivate piety in their own contexts.

Healing the Divide Amos Smith, 2013-03-29 *Healing the Divide* is a bold call to understand Jesus according to the earliest lineage of Christian Mystics, a call to transform our dualistic minds and heal a divided Church. This book is a must-read if you find yourself frustrated by the fundamentalist and new age polarization of twenty-first century Christianity, bewildered by religious pluralism, searching for Christianity's elusive mystic core. Twenty-first century Christianity is in crisis, careening toward fundamentalism on the one hand and a rootless new age Christianity on the other. Twenty-first century Christianity is also reeling from the maze of religious pluralism. Smith addresses and tempers these extremes by passionately and succinctly revealing Jesus as understood by the Alexandrian mystics. The Alexandrian mystics are the most long-standing lineage of early Christian mystics. Their perspective on Jesus celebrates creative tensions, tempers extremes, and reveals Christian mysticism's definitive core.
