

A scenic autumn landscape featuring a dirt path covered in fallen yellow and orange leaves. The path is flanked by trees with vibrant autumn foliage in shades of yellow, orange, and brown. A rustic wooden fence runs along the right side of the path, leading into the distance. The overall atmosphere is peaceful and serene, typical of a quiet walk in a park or rural area during the fall season.

Sabbath Time:

The Sabbath Way Travis West, 2025-06-03 Experience the transformational power of the sacred ancient radical rhythm of Sabbath rest In the fast paced chaotic overly scheduled cadence of our culture it can be difficult to imagine how to squeeze the Sabbath into our already over stuffed lives like trying to fit an eleventh passenger into an eight passenger van What if Sabbath isn't designed to fit into our lives but rather to take over our lives in the best way imaginable Hebrew scholar and Old Testament professor Travis West believes that we've misunderstood what it means to truly Sabbath In his book *The Sabbath Way* Travis takes readers on a spiritual journey to discovering radical rest is more than a weekly practice of taking a day off it's also a posture a way of living every day It means much more than sleeping in taking naps or chilling poolside for an afternoon instead the radical rest of Sabbath means putting rest and delight gratitude and flourishing first rather than last Using personal story and expert knowledge Travis shows Christians how to make Sabbath rest the metronome that establishes and maintains our life's rhythms apprenticing us to abundance our whole life long Readers of this book will discover how the Sabbath slows us down and helps us discover the things that make us feel most alive freeing us from rigidity and legalism disrupts our cultural obsession with productivity and achievement and cultivates a more life giving connection between our work and our worth inspires an unhurried sacramental worldview that sees all of life as a gift safeguards neighborliness creation care awareness of God's presence justice belonging and inclusiveness enabling us to grow into the people God is calling us to be in our lives our homes our workplaces our communities and our world The Spirit of God longs for you to be fully alive and the world needs your unique vitality The Sabbath is calling Will you come The Concise Code of Jewish Law Gerson Appel, 1977 **The Life and Times of Jesus the Messiah** Alfred Edersheim, 1912

Time, Space, and Society A. Kellerman, 2012-12-06 Time and space are two of the most basic dimensions of human life They envelop all human beings from birth to death As such they provide the context for human existence At the same time however time and space also serve as major influencing factors in mankind's actions Hence a vast literature has developed on time and space as separate dimensions and recently on time space as joint dimensions Interestingly enough the social connotations of time and space have mostly been studied with the individual human being in mind The more societal significance of time and space whether separately or jointly have been relatively neglected It is the purpose of this volume to help fill this lacuna through discussions on some of the many junctions of time space and society at large The discussion will naturally involve concepts and findings from more than just one discipline notably geography sociology social history and political science It is thus obvious that the topic may be highlighted from several perspectives Given my own education and work the approach will lean more to the geographical perspective Geography has a special merit as an integrating framework for the study of time space and society It is a discipline that has space at the center of its *raison d'être* and as such has always striven for integration holism and comprehensiveness **Sabbath Rest** Mark Scarlata, 2019-04-30 Sabbath Rest

Life and Times of Jesus the Messiah Alfred Edersheim,2023-11-25 In *Life and Times of Jesus the Messiah* Alfred Edersheim meticulously weaves a narrative that explores the historical and cultural milieu of the Jewish world during the time of Jesus This comprehensive work synthesizes biblical exegesis with an understanding of Jewish traditions providing

readers with a detailed context that illuminates the New Testament's significance. Edersheim employs a scholarly yet accessible literary style integrating theological insights with historical evidence, thus creating a tapestry that is both informative and engaging. His work reflects the Victorian era's merging of faith with reason, positioning Jesus not just as a theological figure but as a historical person shaped by his environment. Edersheim, a Jewish convert to Christianity, was well acquainted with both the Old and New Testaments along with Jewish culture. His extensive background in rabbinical literature infuses authority into his narrative, allowing him to navigate the complexities of early Christianity from a unique vantage point. His personal journey, marked by a desire to bridge the gap between Jewish heritage and Christian theology, drove him to produce a work that is at once scholarly and reverent. This book is highly recommended for both scholars and lay readers alike, as it enriches one's understanding of Jesus within his historical context. Edersheim's thoughtful exploration not only deepens faith but also invites critical engagement with the life of Christ, making it an invaluable resource for anyone seeking to comprehend the profound impact of Jesus on history and religion.

Hope for Troubled Times Mark Finley, 2020-06-03

Fear, Worry, Stress: These emotions can overwhelm and consume us. They fill our minds with unanswerable questions: What will I lose? My health, my family, my job, my home? Will our lives ever be normal again? What is normal? We live in a sin-sick world. Catastrophes surround us, but we can surrender our fears to Jesus. He is the answer to overwhelming fears that consume our energy, rob our joy, and ruin our health. Fear is an emotion; Faith is an attitude; and focus is a choice. Fear must give way to faith as we adjust our focus. If our eyes are focused on the problem, fear will overcome us. If our eyes are fixed upon Jesus, the emotion of fear may still be present, but it will not cripple us. Fear will no longer dominate our lives. Discover with Pastor Mark Finley as he shows us that we have One who is larger than our fears, bigger than our worries, and greater than our anxieties by our side, and He has practical, down-to-earth, real solutions to our problems. We have the assurance of the One who said, "I will never leave you nor forsake you." Hebrews 13:5
