Making of Sacagawea Donna J. Kessler, Donna Barbie Kessler, 1998-04-13 Kessler supplies both the biography of a legend and an explanation of why that legend has endured Sacagawea is one of the most renowned figures of the American West A member of the Shoshone tribe she was captured by the Hidatsas as a child and eventually became one of the wives of a French fur trader Toussaint Charbonneau In 1805 Charbonneau joined Lewis and Clark as the expedition's interpreter Sacagawea was the only woman to participate in this important mission and some claim that she served as a guide when the expedition reached the upper Missouri River and the mountainous region Although much has been written about the historical importance of Sacagawea in connection with the expedition no one has explored why her story has endured so successfully in Euro American culture In an examination of representative texts including histories works of fiction plays films and the visual arts from 1805 to the present Kessler charts the evolution and transformation of the legend over two

centuries and demonstrates that Sacagawea has persisted as a Euro American legend because her story exemplified critical elements of America's foundation myths especially the concept of manifest destiny Kessler also shows how the Sacagawea legend was flexible within its mythic framework and was used to address cultural issues specific to different time periods including suffrage for women taboos against miscegenation and modern feminism The WPA Guide to Wyoming Federal Writers' Project, 2013-10-31 During the 1930s in the United States the Works Progress Administration developed the Federal Writers Project to support writers and artists while making a national effort to document the country's shared history and culture The American Guide series consists of individual guides to each of the states Little known authors many of whom would later become celebrated literary figures were commissioned to write these important books John Steinbeck Saul Bellow Zora Neale Hurston and Ralph Ellison are among the more than 6 000 writers editors historians and researchers who documented this celebration of local histories Photographs drawings driving tours detailed descriptions of towns and rich cultural details exhibit each state's unique flavor Published in 1941 on the fiftieth anniversary of the state the WPA Guide to Wyoming is a thorough reflection of both the history of the state's pioneer routes as well an attempt to capture the beauty of the surrounding area in photographs Descriptions of the Equality State's livestock and oil industries are included as well as pictorial documentation of the area's vast expanses of open land Wyoming, a Guide to Its History, Highways, and People, 1981-01-01 First published in the famous American Guide Series of the Work Projects Administration in 1941 Wyoming A Guide remains a distinguished survey of the state its centers of interest and its history Now issued in paperback for the first time it can introduce to new readers the geographic spectacle and pioneer history that continue to shape the character of Wyoming A new introduction by T A Larson author of History of Wyoming updates the Guide and evaluates changes seen in the state since the book was first published Valuable to the resident as a reference to the state's many treasures and useful to the tourist who wants to know more than the road signs tell Wyoming A Guide commemorates those who passed through to the West and those who stayed to forge a state in the heart of the frontier **The Literature of the Lewis and Clark Expedition** Stephen Dow Beckham, 2003 Based on the world class collection of expedition materials archived at Lewis related congressional documents and early notices 1803 7 editions of Patrick Gass's journal 1807 1904 surreptitious accounts 1809 46 the Biddle Allen narrative of the expedition and other edited editions 1814 2001 nineteenth century publications 1803 1905 and twentieth century publications 1906 2001 In each section introductory historical essays by Stephen Dow Beckham survey the large cast of characters who have contributed to the expedition story since the last years of the eighteenth century legislators scientists explorers journal writers editors publishers printers illustrators cartographers and collectors The bibliographies for each section list all known publications related to the expedition with fully annotated descriptions of primary texts The book is lavishly illustrated with images from Lewis and Clark College's collection title pages contemporary engravings maps contemporary newspaper reports and manuscript journals *Hooray for Heroes!* Dennis

Denenberg, Lorraine Roscoe, 1994 Combines creative activities with a comprehensive list of biographies written for children Organized by age group pre school ages 3 5 primary 6 8 intermediate 9 11 and young people 12 14 **Social Studies Through Children's Literature** Anthony D. Fredericks, 1991-10-15 Use this activity centered literature based approach to get students excited about social studies These 32 units have summaries of books social studies topic areas lists of content related words curricular perspectives and critical thinking questions as well as myriad activities Fredericks also gives you an excellent annotated bibliography of children's literature and a list of social studies resources **People of Purpose** Arnold Cheyney, 1998 Learn about 80 people who have made a difference in the world a culturally diverse group of men and women representing a wide range of professions and occupations One page biographical profiles are followed by reading and social studies activities that promote critical thinking and writing Useful in many different school and home settings The Home School Source Book Donn Reed, 1994 **The South Dakotan** , 1903 *Bowker's Directory of Audiocassettes for Children* , 1998 **Sacajawea's People** John W. W. Mann, 2004-12-01 On October 20 2001 a crowd gathered just east of Salmon Idaho to dedicate the site of the Sacajawea Interpretive Cultural and Education Center in preparation for the Lewis and Clark Bicentennial In a bitter instance of irony the American Indian peoples conducting the ceremony dedicating the land to the tribe the city of Salmon and the nation the Lemhi Shoshones Sacajawea's own people had been removed from their homeland nearly a hundred years earlier and had yet to regain official federal recognition as a tribe John W W Mann's book at long last tells the remarkable and inspiring story of the Lemhi Shoshones from their distant beginning to their present struggles Mann offers an absorbing and richly detailed look at the life of Sacajawea's people before their first contact with non Natives their encounter with the Lewis and Clark Expedition in the early nineteenth century and their subsequent confinement to a reservation in northern Idaho near the town of Salmon He follows the Lemhis from the liquidation of their reservation in 1907 to their forced union with the Shoshone Bannock tribes of the Fort Hall Reservation to the south He describes how for the past century surrounded by more populous and powerful Native tribes the Lemhis have fought to preserve their political economic and cultural integrity His compelling and informative account should help to bring Sacajawea's people out of the long shadow of history and restore them to their rightful place in the American story Soul Food Robert P. Vande Kappelle, 2023-01-04 Everyone loves a good story one with interesting characters an intriguing plot lots of twists and turns and a surprise ending Storytelling is an entertaining art but it is also instructive and essential to intellectual moral and spiritual growth Literature as all art is a gift of divine grace a pathway to mystery Each literary experience is slightly beyond our horizon of understanding What a gift literature is When it enhances spirituality each literary moment confounds in order to keep us going and growing The restoration of wonder is the beginning of the inward journey toward the awaiting God Soul Food contains stories that are both entertaining and inspiring wholesome and heart warming Some are humorous others are tragic or sad but all are memorable The collection is divided into five sections 1 personal stories 2 biblical and faith stories 3

classic stories fables and tales 4 literary and historical stories and 5 inspirational stories Some of these stories come from personal experience my own and that of family and friends Others including myths legends fantasies and tales come from folklore and oral tradition while others are taken from the public domain As you read these stories sequentially or randomly I trust they will aid you in your quest for meaning direction and stability Enjoy these stories and may they enhance your journey through life and its manifold seasons I hope you will return to this collection repeatedly finding in these stories courage wisdom and inspiration

Home and School Reading and Study Guides ,1996 **Lewis & Clark** Kris Fresonke,Mark Spence,2004-02-25 Two centuries after their expedition awoke the nation both to the promise and to the disquiet of the vast territory out west Lewis and Clark still stir the imagination and their adventure remains one of the most celebrated and studied chapters in American history This volume explores the legacy of Lewis and Clark s momentous journey and on the occasion of its bicentennial considers the impact of their westward expedition on American culture Approaching their subject from many different perspectives literature history women s studies law medicine and environmental history among others the authors chart shifting attitudes about the explorers and their journals together creating a compelling finely detailed picture of the interdisciplinary intrigue that has always surrounded Lewis and Clark s accomplishment This collection is most remarkable for its insights into ongoing debates over the relationships between settler culture and aboriginal peoples law and land tenure manifest destiny and westward expansion as well as over the character of Sacagawea the expedition s vision of nature and the interpretation and preservation of the Lewis and Clark Trail
