intrigue that beset Paris on the eve of its liberation this book makes clear that Gen Leclerc and his 2nd Armored Division were the real heroes of the liberation and that marching on their capital city was their *raison d'être*. At issue was the reconstitution of France itself after the dark night of its soul under the Germans and despite the demands of the Anglo-Americans and France's own insurrectionists. That a great power was restored is now manifest with this book explaining how it was ensured. Gets the full five stars. The prose here really does bring wartime France to life. War History Online

**Mad Enchantment** Ross King, 2016-09-06 From bestselling author Ross King, a brilliant portrait of the legendary artist and the story of his most memorable achievement. Claude Monet is perhaps the world's most beloved artist, and among all his creations, the paintings of the water lilies in his garden at Giverny are most famous. Monet intended the water lilies to provide an asylum of peaceful meditation. Yet as Ross King reveals in his magisterial chronicle of both artist and masterpiece, these beautiful canvases featured in black and white images throughout, as well as a 16 pg color insert, belie the intense frustration Monet experienced in trying to capture the fugitive effects of light, water, and color. They also reflect the terrible personal torments Monet suffered in the last dozen years of his life. *Mad Enchantment* tells the full story behind the creation of the Water Lilies as the horrors of World War I came ever closer to Paris and Giverny, and a new generation of younger artists led by Henri Matisse and Pablo Picasso were challenging the achievements of Impressionism. By early 1914, French newspapers were reporting that Monet, by then seventy-three, had retired his brushes. He had lost his beloved wife Alice and his eldest son Jean. His famously acute vision, what Paul Cézanne called the most prodigious eye in the history of painting, was threatened by cataracts. And yet, despite ill health, self-doubt, and advancing age, Monet began painting

again on a more ambitious scale than ever before Linking great artistic achievement to the personal and historical dramas unfolding around it Ross King presents the most intimate and revealing portrait of an iconic figure in world culture     **I due magnifici insolenti** Claudio Nutrito,2011     **Suggestions for Instructors to Accompany Film Scripts One and Film Scripts Two** ,     Modern Drama Scholarship and Criticism 1966-1980 Charles A.
