Sacraments Encountering The Risen Lord:

The Sacraments Paul A. Feider, 1986 Demonstrates the scriptural basis of the sacraments outlines their historical development and discusses their renewal since Vatican II Back cover **Christ the Sacrament of the Encounter with God** Edward Schillebeeckx, 1987-06 A reprinting of Schillebeeckx's classic work A standard in understanding the relationship between Christ Sacrament and the Church A positive and constructive ecclesial theology Sacraments Ray Robert Noll, 1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today's key sacramental theologians **Encounter Jesus!** Peter M. Doane, 2019-12-02 His Eminence Robert Cardinal Sarah prefect of the Congregation for Divine Worship and the Discipline of the Sacraments recently commented on the fire at Notre Dame cathedral He said the Church is only of interest because she allows us to encounter Jesus She is only legitimate because she passes on Revelation to us When the Church becomes overburdened with human structures it obstructs the light of God shining out in her and through her The Church should be like a cathedral Everything in Her should sing to the glory of God She must unceasingly direct our gaze toward him like the spire of Notre Dame pointed toward heaven Encounter Jesus Transforming Catholic Culture in Crisis is a call to rebuild a Catholic culture that has wandered from her spiritual root system In the West and the United States the light that shined starting in the Acts of the Apostles has become dim and in some places extinguished The specifics to what apostolic spirituality embodies will convict challenge and call the clergy consecrated religious and laity to take seriously what it means to be a catholic Christian Just as architects design the rebuilding of the Notre Dame Cathedral may this book serve as a blueprint for transformation in the culture of the church **The Collected Works of Edward Schillebeeckx Volume 1** Edward Schillebeeckx, 2014-09-25 This is a new edition of the 1963 classic which gave Christological thought a new direction As far back as his first major book Schillebeeckx propounded an anthropological approach to the sacraments In Christ the Sacrament of the Encounter with God he draws on theologically fruitful work by phenomenological anthropologists like Merleau Ponty Buytendijk and Binswanger That makes Schillebeeckx's distinctive idiom and modern approach appealing even today He rediscovers as it were from within the notions forged by scholastic theology and thus restores to us a theology of the sacraments rooted in the biblical and patristic soil from which they first sprang Schillebeeckx's speculative synthesis of this quest still has a fresh ring to it He describes Christ as the primordial sacrament in a reflection on his public ministry death and resurrection inspired by the universal human search for such a sacrament He concludes that the church's sacraments have to be an earthly extension of the liberation brought by Christ's story Schillebeeckx ends by describing sacraments as grace made visible that gives crowning moments in Christian life a mystical quality Edward Schillebeeckx Collected Works bring together the most important and influential works of the Dutch Dominican and theologian Edward Schillebeeckx 1914 2009 in a reliable edition

All translations have been carefully checked or revised some texts are presented in English for the first time The page numbers of earlier editions are included Each volume carries a foreword by an internationally renowned Schillebeeckx expert This edition makes Schillebeeckx available for a new generation of scholars and students

Catholic Sacraments John Francis Baldovin, David Farina Turnbloom, 2015 A collection of essays by some of today's most respected liturgists and sacramental theologians that offers wisdom and insight into the meaning and practice of Catholic sacraments

No Irrelevant Jesus Gerhard Lohfink, 2014 Is Jesus relevant for today If you think not don't bother with this book But if you think that Jesus might have something to say to today's world which Jesus comes to mind Is he gentle Jesus meek and mild offering individual salvation but with no message for a suffering world Is he to be remembered as a Zealot fighting for a hopeless cause or as an outstanding rabbi Was he a prophet in the long series of Israel's prophets or a religious founder like Muhammad or Gautama Or was Jesus unique a man utterly consumed by zeal for the reign of God by the fierce urgency of now the leader of a movement dedicated to God's cause but committed to nonviolence and living for others If we seek him can we find him in the churches In *No Irrelevant Jesus* Gerhard Lohfink author of the acclaimed *Jesus of Nazareth* explores these questions and offers a resounding yes to the relevance of Jesus today

Cistercian Studies Cistercians, 1986
