Sacraments A New Understanding For A New Generation:

Sacraments Ray Robert Noll, 1999 Firmly rooted in the tradition of the Church and some of the best scholarship of the past 40 years Noll explores the sign meaning and experience of each of the seven sacraments in the church Included is a CD ROM containing articles and passages by some of today's key sacramental theologians *The Eucharist and World Hunger* Izunna Okonkwo, 2011-12-21 Hunger is a menace in different parts of the globe It has more unnatural than natural causes Though efforts have been made towards alleviating its causes and consequences more actions still need to be taken for its genuine alleviation and eventual eradication in the world For Joseph Grassi painful hunger is a daily occurrence that must be countered by ongoing effective programs that enter into the lives of every Christian Such position not only recognises the frequency and excruciating nature of hunger but also suggests that Christians and other religious groups have a very important role to play in order to eradicate hunger and its devastating effects This book explores the nuances of hunger its causes dimensions and approaches as well as its connection to the Eucharist It argues that hunger can be eradicated and that the Eucharist stands out as a veritable model

Confirmation Timothy R. Gabrielli, 2013 What are we doing when we confirm teenagers Why is the religious education of teenagers so perplexing Why is confirmation often a moment of graduation out of parish life Confirmation How a Sacrament of God's Grace Became All about Ustells the story of how confirmation more than any other sacrament has interacted with secular culture to give rise to these kinds of pastoral challenges At the same time confirmation has over the course of the twentieth century become a sacramental stamp of approval for various Catholic renewal movements The cultural shifts of the last century have led to various theological themes for confirmation creating a crisis of meaning today Is confirmation a personal choice for faith or is it the deepening of an ongoing relationship with the Divine Timothy Gabrielli gives us a fresh approach for addressing these pressing questions
