spiritual life There are many academic commentaries on the Gospel of Thomas but this book has a different aim It is meant to
be a guidebook that is a translation of the sayings into daily practice The goal of such practice is to become Jesus s twin This

manifesting in our lives the same Christ consciousness revealed in the person we know as Jesus of Nazareth from the
Introduction In the decades since its discovery the Gospel of Thomas has intrigued people of all faiths around the world
Shedding new light on the origins of Christianity the Gospel of Thomas raises questions about whether the New Testament s
version of Jesus s teachings is entirely accurate and complete In the Gospel of Thomas we see Jesus as a wisdom loving sage
sharing aphorisms about the value of the present and each person s role in the creation of the Kingdom of God here on earth
But these inspiring sayings can leave you wondering What next Now you can learn how to start applying Jesus s wisdom to
your own life and in turn to the world around you This unique guidebook leads you through Thomas offering practices that
help you translate Jesus s wisdom into a more fulfilling enriching daily life including Becoming a Spiritual Adult Sorting Out
