Nadeau, 2014-01-13 ASIAN RELIGIONS A unique introduction to Asian religions combining the scholarly rigor of an established historian of Asian religions with the willingness to engage empathetically with the traditions and to suggest that readers do the same Joseph A Adler Kenyon College Randall L Nadeau has accomplished what only a few have tried but which has been much needed in the study of religions He has written a genuinely novel approach to the religions of Asia This is a work that should find its way into Asian humanities history religion and civilization courses Ronnie Littlejohn Belmont University This all embracing introduction to Asian religious practices and beliefs takes a unique approach not only does it provide a complete overview of the basic tenets of the major Asian religions but it also demonstrates how Asian spiritualities are lived and practiced exploring the meaning and significance they hold for believers In a series of engaging and lively chapters the book explores the beliefs and practices of Confucianism Taoism Hinduism Buddhism and Japanese religions including Shint Using a comparative approach it highlights the contrasts between Asian and Western modes of thinking and living and debates the influence of religion on real world issues including work economic growth the environment human rights and gender relations Nadeau a leading figure in this field takes an empathetic approach to Asian religious and cultural traditions and considers Asian spiritualities to be viable systems of belief for today s global citizens Integrating exercises activities and an appealing mixture of examples such as novels and biographies this refreshing book leads readers to an enhanced understanding of the ideas and practice of Asian religions and of their continuing relevance today The Religious Dimension Donald Broadribb, 2006 An examination of various world and ethnic religions with special attention to their historical development and to the psychology underlying them **Shabbat Shalom** Pinchas Peli, 1988 The late esteemed Rabbi Peli author of Torah Today and a former Jerusalem Post columnist and commentator on religious issues explores the Sabbath and incisively demonstrates how why it is the basic source of Jewish inspiration These remaining copies are the last in inventory of the renowned author s most important book Theory and Method in Religious Studies Frank Whaling, 2012-10-25 This paperback edition contains selected articles from the original clothbound editions of Contemporary Approaches to The Study of Religion Vol I The Humanities Vol II The Social Sciences Religion and Reason 27 28 **The Three Temples** Rachel Elior, 2004-03-01 Rachel Elior demonstrates convincingly how the Jewish mystical tradition crystallized in its early stages She attributes its origins to priests prevented by circumstances from serving in the Temple replacing the earthly Temple liturgically and ritually with a heavenly Merkavah and heavenly sanctuaries known as Heikhalot they created a mystical world in which ministering angels replaced Temple priests thereby giving Judaism a new spiritual focus **Quantum Mind** Arnold Mindell, PH.D., 2012-12 Quantum Mind The Edge Between Physics and Psychology This is the second edition with new preface from the author In a single volume Arnold Mindell brings together psychology physics math myth and shamanism not only mapping the way for next generation science but also applying this wisdom to personal growth group dynamics social and political processes and environmental issues

Beginning with a discussion of cultural impacts on mathematics he presents esoteric but plausible interpretations of imaginary numbers and the quantum wavefunction In this context he discusses dreams psychology illness shape shifting moving among realities and the self reflecting Universe bringing in not only shamanism but also the Aboriginal Greek and Hindu myths and even sacred geometry from the Masonic orders and the Native Americans The book is enriched by several psychological exercises that enable the reader to subjectively experience mathematics counting discounting squaring complex conjugating physics parallel worlds time travel and shamanism shape shifting Worldly Spirits, Extra-Human Dimensions, and the Global Anglophone Novel Hilary Thompson, 2023-12-28 Engaging a diverse range of contemporary anglophone literature from authors of the Asian Middle Eastern and Caribbean diasporas this book explores how such works turn to spirit forces spirit realms and spirit beings were animals mystical birds and snake goddesses as positive forces that assert perceptual dimensions beyond those of the human and present a vision of Earth as agentive and animate With previous scholarship downplaying these aspects of modern works as uncanny hauntings or symptoms of capitalism s or anthropocentrism s destructiveness or within a blanket rubric of magical realism Hilary Thompson rejects this partitioning of them as products of an exotic East or global South By contrast this book builds a new critical framework for analysis of worldly spirits drawing on anthropological discussions of animism the newly recovered 1930s boundary crossing art movement Dimensionism and multispecies theories of animals diverse perceptual worlds Taking stock of novels published from 2018 2020 by such writers as Amitav Ghosh Andr Alexis Yangsze Choo Azareen Van der Vliet Oloomi Zeyn Joukhadar and Tanya Tagaq Thompson illuminates how these works extend an ecological call to decentre the human and align with multidimensional theories of art and literature to provide ways to read for rather than reduce the extra human dimensions emerging in contemporary fiction A refreshing rejection of ecological apocalypticism this book unsettles typical conceptualizations of both anglophone and Anthropocene literatures by invoking European art theory philosophy and non Western ideas on animism and spirits to put forward perceptions of the extra human as a form of dealing with the many uncertainties of today s different crises **Spaces and Meanings** Olga Lavrenova, 2019-03-25 This book examines the problem of relationships between culture and space Highlighting the use of semiotics of culture as a basic concept of research it describes the power of the cultural landscape in the context of culture philosophical research Opening with a discussion of the existence of culture in space it establishes basic concepts such as noosphere and pneumatosphere The author acknowledges the early contributions of thinkers like Vladimir Vernadsky and Pierre Teilhard de Chardin who first observed that human activity has become a geological force Introducing time and space to the discussion the author then describes the nature of mythological time eternity versus timelessness and the semantics of sacred landscapes space and ritual These concepts are further developed in discussions of the metaphorical nature of cultural landscape and the city as metaphor The book explores semiotics in the cultural landscape examining the genesis of concepts from geographical images

to signs and the axiological dimension of geographical images In her approach to the idea of cultural landscape as text she provides detailed examples including the Russian landscape as agent provocateur of the text and the culture philosophical aspects and semantics of travel It establishes the cultural landscape as a phenomenon of culture that is fixed in geographical space with the help of semiotic mechanisms a specific area of culture of life possessing functional and ontological self sufficiency This book appeals readers and researchers interested in the philosophy of culture semiotics of space and the philosophical dimensions of culture and geography

Icons - Imaging the Unseen Daniël J. Louw, 2014-11-01 The experience of the divine

has been referred to by many artists over the centuries whether their subject was the human figure landscape still life or indeed religious or biblical themes Art therefore requires a kind of openness a willingness to mediate rather than to control This sensitivity can best be described as humility an obeisance to something we are part of Therefore to see the unseen in visual arts brings about awe and requires iconic viewing The spiritual realm as portrayed by icons has a healing quality in a world where the news and the arts are so full of tragedy and where the church's message so often sounds escapist or naive

Religious Experience and the End of Metaphysics Jeffrey Bloechl, 2003 Does religious thinking stand in opposition to postmodernity Does the existence of God present the ultimate challenge to metaphysics Strands of continental thought especially those running from Kant Husserl and Heidegger focus on individual consciousness as the horizon for all meaning and provide modern philosophy of religion with much of its present ferment In *Religious Experience and the End of Metaphysics* 11 influential continental philosophers share the conviction that religious thinking cannot afford to disengage from the challenges of modern European philosophy Together they provide a rich and intriguing set of answers to questions surrounding the meaning of religious experience Topics include subjectivity selfhood and rationality language community and ethics the influence of Jewish and eastern religions on religious experience God as phenomenology and religion in the postmodern age These lucid and arresting essays bring together many of the leading voices in the contemporary continental debate on God and religion

Gods and Diseases David Tacey, 2013-09-13 Today's society faces many problems that cannot be solved by the application of reason logic or medicine Some of these include alcoholism suicide drug addiction and child abuse to name but a few Many mental health problems are on the increase such as depression phobias and anxiety with no obvious solution in sight In *Gods and Diseases* David Tacey argues that the answers lie in leaving behind the confines of conventional medicine Instead we should turn towards spirituality and to what he calls meaning making to make sense of our physical and mental wellbeing and explore how the numinous may help us to heal

Sing Unto God a New Song Herbert J. Levine, 1995-03-22 Levine a graduate fellow at the Reconstructionist Rabbinical College explores the Psalms as dialogic speech acts shaped by the conventions of human speech communication and by the particular religious symbolism and discourse traditions of the Bible and the ancient Near East He draws on critical perspectives such as the anthropology of ritual speech act theory midrashic hermeneutics and post Holocaust theology to reveal the functions of the Psalms in the ancient and the modern world and the attitudes and roles of the original psalmists Annotation copyright by Book News Inc Portland OR
