Sacred Journey Living Purposefully And Dying Gracefully:

Sacred Journey Swami Rama,2003 A book about the relationship between life and death and the how and why of organizing one's life in a way that leads to expansion and growth and that is helpful in preparing for the transition we call death

Sacred Journey Swami Rama,1996 **Om The Eternal Witness: Secrets** Swami Rama,2008-01-25 The Upanishads are called shruti revelations Mandukya Upanishad though the shortest of all Upanishads is a revered profound Upanishad that teaches us about four states of consciousness the waking dreaming and sleeping states and Turiya the fourth state beyond the first three In this Upanishad there is a unique combination of psychology and profound philosophy a clear exposition of the four states of consciousness *At the Feet of a Himalayan Master Volume 1* Prakash Keshaviah,2010-02-16 There are very few first hand accounts available to us about living with a Himalayan Master This book offers unique contributions on the inner development and external lives of those who lived around him This book fortells of human potentials that may be available to us all of a purpose to our lives and of realms of inner development that can easily be overlooked in the pace and diversions of modern life

Sutras of the Inner Teacher Martin Jerry,Marian Jerry,2001-08 The Yoga of the Centre of Consciousness describes the awakening and practices of the inner teacher As a physician scientist and a clinical psychologist the authors are initiates in the Himalayan Tradition of Yoga and students of the late Swami Rama

At the Feet of a Himalayan Master Volume 2 Prakash Keshaviah,2010-11-16 At the Feet of a Himalayan Master unfolds the secrets of personal sadhana and direct contact with a great guru that are rare to find in any published literature and with contemporary and western disciples facing the modern world and all of its limitations The book helps us understand the many facets and real nature of genuine spiritual practice in the Himalayan tradition and how it can transform the mind and heart The Essence of Spiritual Life Swami Rama,2004-11-10 This concise collection of teachings serves as a practical guide that leads towards inner experiences of divinity that further one towards attaining the goal of life Clearing the Path Stephen Parker,2015-05-15 Stephen Parker has produced a profound explication of the psychological dimension of Yoga from the standpoint of classical Raja yoga I would recommend Clearing the Path for all students of Yoga and meditation who truly aspire to a deeper level of practice David Frawley **Teaching Contemporary Yoga** Edward Clark,Laurie A. Greene,2022-03-14 Teaching Contemporary Yoga provides a novel look at how modern yoga is understood practiced and taught globally Utilising perspectives from several academic disciplines the authors offer an analysis of the current state of modern yoga and the possibilities for future experimentation and innovation The authors draw on anthropological performance and embodiment theories to understand yoga practice as a potentially powerful ritual of transformation as well as a cultural product steeped in the process of meaning making They craft a unique analysis that contrasts asana with the largely unexamined philosophy underlying the practice of vinyasa while imagining a vibrant future for the evolution of yoga through excellence in teaching Unlike other writings about yoga the authors offer a critique of the current practice of yoga as

both diminished and utilitarian while providing a path to reinvigorating the discipline based on current scientific knowledge and methods for teaching and practice Along with these theoretical perspectives and the analysis of contemporary yoga in the West the authors offer practical applications to address the challenges of teaching yoga in a society where individualism and materialism are core values Open ended exercises in reflection and experimentation offer opportunities for readers to apply what they have learned to their teaching and personal practice This is a vital guide for any yoga oriented scholar teacher or practitioner and is an essential companion for contemporary teacher training Bhole Hema de Munnik,2006-06-15 Born in a remote village in the Himalayan Mountains of Northern India Bhole is adopted by a great saint and raised in a cave monastery He wants to become a yogi but before this can happen he needs to remove many obstacles and overcome many difficulties
