Sacred Practices For Conscious Living:

Sacred Practices for Conscious Living Nancy J. Napier, 2016-06 Now nearly two decades later Napier is ready to share more of her own life story while returning to the subject she was first introduced to by her grandmother As she comes again to the topic that pervades her life story she focuses on several themes including the importance of experiencing a sense of meaning in life the sacred nature of all beings and life itself the belief that everything is an essential part of the full expression of one life both individually and collectively and that we inherently draw from an underlying wholeness the power of what it means to be aware in the present moment and the fact that suffering is part of everyday life and we can learn to move through it Napier explains that once we recognize our place within collective consciousness and focus on compassion and mindfulness we can begin to experience more directly the interdependence and interconnection underlying our place in the universe

Living Life as a Sacred Practice Sharon Parris-Chambers, 2018-10-05 Living Life as a Sacred Practice is the author's response to many years of trying to learn various methods of unifying mind body and spirit She has captured the essence of life and greatness in this book with the inclusion of many practices to develop spiritual mastery The approach requires choosing a theme from the table of contents that resonates with the reader or that the reader needs to work on Examples of suggested sections are Abundance Sacred Feminine Beauty Life Light Breath Consciousness Healing Wellness and Inside Out The process begins with reflecting on a quotation reading a commentary and reciting an affirmation This can be repeated throughout the day to reinforce the message You may choose a practice for twenty one to thirty days to achieve spiritual transformation or just use the suggested one that comes along with the quote for inspiration The commentaries are unique thoughtful and out of this world It teaches the reader to be an original thinker and to look at life from the vantage point of a creator not as an object of creation
