Sacred Science:

The Need For a Sacred Science Seyyed Hossein Nasr, 2005-08-12 The meaning of a science rooted in the sacred its contrast to modern science and its pertinence to us today *The Need for a Sacred Science* Seyyed Hossein Nasr, 1993-07-01 The meaning of a science rooted in the sacred its contrast to modern science and its pertinence to us today

The Sacred Science Nick Polizzi, 2018-04-03 In 2010 Nick Polizzi did something unimaginable He assembled a group of eight desperately ill patients from around the world and brought them into the heart of the Amazon rainforest to put the mysterious medicines of native shamans to the test The healing journey that unfolded would change their lives and his own forever In *The Sacred Science* we join Nick as he explores these primordial traditions and learns firsthand what it takes to truly heal ourselves of physical disease emotional trauma and the sense of lostness that so many of us feel in these modern times We venture into a place where the ordinary rules we live by even survival instincts don't apply where the only thing to do is to step forward and be ready for anything Nick is not a guru or shaman he is an ordinary guy who pieced together an illuminating journey one experience at a time In this riveting true story we're shown the many layers that must be peeled away in order for us to find the truth of who we are and why we're here This book is a bridge between the flashy fast moving modern world and the forgotten ways of a healthier earth connected ancestral past You'll find practices and principles of native wisdom that you can put to use in your own life and you'll gain a new understanding of what it means to heal In the end what will become of the eight patients who set out on this path with Nick Will the exotic jungle medicines and harrowing rites of passage destroy them or give them a new lease on life Five will return with remarkable healing results Two will return disappointed One won't return at all Council of Creators Robert Shapiro, 2001-03-01 Topics covered inside include
