A Course of Severe and Arduous Trials Lynn Brunet,2009 The artist Francis Bacon 1909 1992 and the writer Samuel Beckett 1906 1989 both convey in their work a sense of foreboding and confinement in bleak ritualistic spaces This book identifies many similarities between the spaces and activities they evoke and the initiatory practices of fraternal orders and secret societies that were an integral part of the social landscape of the Ireland experienced by both men during childhood Many of these Irish societies modelled their ritual structures and symbolism on the Masonic Order Freemasons use the term spurious Freemasonry to designate those rituals not sanctioned by the Grand Lodge The Masonic author Albert Mackey argues that the spurious forms were those derived from the various cult practices of the classical world and describes these initiatory practices as a course of severe and arduous trials This reading of Bacon s and Beckett s work draws on theories of trauma to suggest that there may be a disturbing link between Bacon s stark imagery Beckett s obscure performances and the unofficial use of Masonic rites

Druidism, the Ancient Faith of Britain Dudley Wright,1924

Cauldron of the Gods Jan Fries,2005

Imagine the forest As darkness falls the somber beeches disappear in misty twilight and shadows seem to gather under their branches Far away the blackbird s call tells of the coming of the night The birds cease their singing silence descends soon the beasts of the night will make their appearance Between tangled roots hidden by nettles and brambles the earth seems to ripple A few humps of earth seem to emerge from the ground They are the last traces of burial mounds of mounds which were tall and high 2500 years ago Many of them have disappeared hidden by tangled roots of beech and oak ploughed flat by careless farmers others again show caved in tops where grave robbers have looted the central chamber The locals shun these hills There are tales that strange fires can be seen glowing on the mounds and that on spooky nights great armed warriors arise from their

resting places Then the doors to the deep are thrown open and unwary travelers have to beware of being invited into the halls of the dead and unborn Here the kings of the deep feast and celebrate time passes differently and strange treasures may be found Who knows the nights when the gates are open Who carries the primrose the wish flower the strange blossom that opens the doors to the hollow hills
