TO COMMUNICATE

The background of the entire image is a stylized landscape. At the top, a large orange sun is rising over a horizon. The sky is filled with light, wavy bands of yellow and orange. Below the horizon, there are dark red and maroon wavy bands representing hills or land. Below that, there are dark green wavy bands representing water. The overall style is modern and artistic, with a focus on warm colors and organic shapes.

Collected Poems of Anthony Hecht Anthony Hecht,2023-11-07 The New York Times Book Review Editors Choice In his centenary year this volume of the Pulitzer Prize winner and former poet laureate s poems celebrates the indispensable artistry of a writer who faced the history of his era with a clear eyed mercy toward human weakness The New York Times Book Review and was hailed in his day as the best poet writing in English Joseph Brodsky This volume brings together for the first time all of the poems that appeared in Anthony Hecht s seven trade collections from A Summoning of Stones of 1954 through to The Darkness and the Light of 2001 it adds the remarkable work contained in his posthumously issued Interior Skies Late Poems from Liguria of 2011 and it rounds this out with the best of the many poems which were left uncollected at the time of his death in 2004 the earliest dating from 1950 and the latest from 2001 Including the woodcuts by Leonard Baskin that accompanied some of his pieces through the years Collected Poems brings us the full sweep of the experience

and artistry of Anthony Hecht who as an infantryman in World War II bore witness to the shaping events of his time which continue to shape our own As the editor Philip Hoy states in his introduction Anthony Hecht once wrote that poems can allow us to contemplate our sweetest triumphs and our deepest desolations and by employing the manifold devices of art to recover for us what he memorably called the inexhaustible plenitude of the world The work gathered together here amply attests to the truth of that claim and makes it clear that Hecht was one of the finest poets not just of his generation but of the twentieth century
