Sacred Narratives

Victor Hunter, Lanny Hunter

Sacred Narratives:

Sacred Narrative Alan Dundes, 1984-11-15 Alan Dundes defines myth as a sacred narrative that explains how the world and humanity came to be in their present form This new volume brings together classic statements on the theory of myth by the authors The twenty two essays by leading experts on myth represent comparative functionalist myth ritual Jungian Freudian and structuralist approaches to studying the genre

Nietzschean Narratives Gary Shapiro, 1989-06-22 Shapiro's book is bursting with thoughts and if one is willing to mine them one is sure to find items of interest or provocation The Journal of Aesthetics and Art Criticism Taking issue with a widely held view that Nietzsche's writings are essentially fragmentary or aphoristic Gary Shapiro focuses on the narrative mode that Nietzsche adopted in many of his works Such themes as eternal recurrence the question of origins and the problematics of self knowledge are reinterpreted in the context of the narratives in which Nietzsche develops or employs them

Stories of Desire and Narratives of Faith Victor Hunter, Lanny Hunter, 2019-04-02 Stories are the foundation for identity and the ground of understanding Stories of Desire and Narratives of Faith addresses humankind's search for identity and meaning through the stories of science and religion Both arose in the mists of history Both are awe inspiring Both beggar the imagination Both have always competed for authority Science gained preeminence in our postmodern pluralistic globalized world as evidenced based while religion for many reasons lost credibility Yet religion has not disappeared Stories is a concise engaging inspiring accessible account of the history of science geological and biological evolution perceived through increasingly sophisticated technology and the history of nine text based world religions of antiquity Stories avoids insider language democratizing both God talk and scientific jargon without patronizing either There is no attempt to identify the best or truest religion and Stories disavows dogmatic religious triumphalism The authors do follow the tradition of giving an account of their Christian faith the only religious story with which they have experience They invite others to do the same paying attention to their own stories as they grapple with modern science do theology and engage faith Stories proposes how and in what manner these disciplines can meaningfully converse in today's world

Prophetic Politics David S. Gutterman, 2018-07-05 In an era of military conflict and economic hardship religious and political leaders adamantly speak in the language of crisis Whether one attributes this public religious fervor to a response to the attacks of September 11 2001 millennial hopes and fears a sense of moral decay generally based on either growing economic inequality or the breakdown of the American family or a sign of the normal progression of the stages of history the discourse of religious revival is increasingly prominent And as is amply evident in the United States and throughout the world devout declarations of religious belief in the public sphere can bring intractable passions to politics from Chapter 1 What are the relationships among religion politics and narratives What makes prophetic political narratives congenial or hostile to democratic political life David S Gutterman explores the prophetic politics of four twentieth and twenty first century American Christian social movements the Reverend Billy Sunday and his

vision of muscular Christianity Dr Martin Luther King Jr and the Civil Rights movement the conservative Christian male organization Promise Keepers and the progressive antipoverty organization Call to Renewal Gutterman develops a theory based on the work of Hannah Arendt and others and employs this framework to analyze expressions of the prophetic impulse in the political narrative of the United States In the process he examines timely issues about the tense and intricate relationship between religion and politics Even prior to George W Bush s faith based initiative debates about abortion family values welfare reform and environmental degradation were informed by religious language and ideas In an interdisciplinary and accessible manner Gutterman translates the narratives employed by American Christian social movements to define both the crises in the land and the path to resolving these crises The book also explores the engagement of these prophetic social movements in contentious political issues concerned with sex gender sexuality race and class as well as broader questions of American identity

United and Uniting Albert J.D. Walsh,2011-05-01 The United Church of Christ was formed in 1957 to be first and foremost a proactive agent in the often tangled but nonetheless breathtaking ministry and mission of ecumenicity in the pursuit of ever greater visible unity among the diversity of Christian churches This singular task of ecumenicity is arguably the most crucial in the formulation of an ecclesiology essential to the United Church of Christ as a united and uniting church a mission Albert Walsh refers to in this book as her God given vision and vocation In *United and Uniting* Walsh contends that the identity and self understanding of the UCC at both national and local levels is best comprehended as a Christ centered and conciliar fellowship and therefore her ecclesiology must be fundamentally ecumenical A Christ centered ecumenicity must shape inform and characterize the whole of her ecclesiology and membership in the UCC is defined almost exclusively in terms of a conciliar identity Walsh advocates a return to ecumenical formation at the level of the grassroots or membership in the local congregation as holding the greatest promise for furtherance of the wider ecumenical mission

Narrative Power and Liberal Truth Eldon J. Eisenach,2002 Liberal political thought from its origins in the seventeenth century through today s rights discourse is grounded in the ideal of the autonomous individual As the theory holds these individuals are born in freedom from religious political social or economic obligations and then construct these systems through individual and collective choices Over the

past thirty years however this understanding of freedom has been challenged from a variety of perspectives Eldon J Eisenach has been at the forefront of that challenge stressing the centrality of religious elements and assumptions in liberal writings that many scholars suppressed or ignored In *Narrative Power and Liberal Truth* Eisenach brings together eleven of his previously published essays to demonstrate that many postmodernist ideas of persons and freedom are already present within the tradition of liberal political philosophy and that liberalism itself is more capacious of human experience and meanings than modern critiques allow

Children's Perceptions of the Role of Biblical Narratives in Their Spiritual Formation Annie George, 2017-02-28 In the Bible storytelling is an important means to pass on the revelation of God God repeatedly commanded the people of Israel to tell his mighty acts to the next generation Invariably churches follow this mandate and use biblical narratives as a means to transmit God's self revelation to enable transformation The author Dr Annie George listens to the voices of children in order to understand their perceptions of how storytelling of biblical narratives help them in their spiritual formation Dr George's research highlights the importance of evaluating the impact of biblical narratives from a child's perspective as well as emphasising the need to give the same priority to the spiritual transformation of children as with other areas of study and ministry
