Sacred Spaces:

Sacred Spaces and Other Places Lisa Stone, 1993 This book was created to accompany the exhibition Sacred Spaces and Other Places the Artist in the Landscape of the Upper Midwest at the Betty Rymer Gallery at The School of the Art Institute of Chicago 28 August 13 October 1993

American Sanctuary Louis P. Nelson, 2006-03-14 This volume examines a diverse set of spaces and buildings seen through the lens of popular practice and belief to shed light on the complexities of sacred space in America Contributors explore how dedication sermons document shifting understandings of the meetinghouse in early 19th century Connecticut the changes in evangelical church architecture during the same century and what that tells us about evangelical religious life the impact of contemporary issues on Catholic church architecture the impact of globalization on the construction of traditional sacred spaces the urban practice of Jewish space nature worship and Central Park in New York the mezuzah and domestic sacred space and finally the spiritual aspects of African American yard art

Sacred Spaces Margaret Silf, 2014-05-15 Popular author Margaret Silf introduces you to the seven traditional sacred spaces reflect on practises and scripture There are many books that explore actual physical sacred space and pilgrimage sites This is a different kind of book It introduces seven traditional sacred spaces but then leads readers into a deeper reflection on what such sacred space means in our own lives and experience The various sacred spaces explored are the Celtic Cross the infinite knot hilltops wells and springs causeways and bridges thresholds and burial grounds and boundaries In each chapter the author introduces a sacred space as the main theme and then illustrates this by associating it with a particular stage of life and a particular sacramental experience The ideas are then brought together by means of a scripture story

African Sacred Spaces 'BioDun J. Ogundayo, Julius O. Adekunle, 2019-02-06 African Sacred Spaces Culture History and Change is a collection of carefully and analytically written essays on different aspects of African sacred spaces The interaction between the past and present points to Africans continuing recognition of certain natural phenomena and places as sacred Western influence the introduction of Christianity and Islam as well as modernity have not succeeded in completely obliterating African spirituality and sacred observances especially as these relate to space in its various iterations Indeed Africans on the continent and in the Diasporas have responded to the challenges of history environmentalism and sustainability with sober and versatile responses in their reverence for sacred space as expressed through a variety of religious historical and spiritual practices as this volume attempts to show
