**Justification, Volume 2** Michael Horton, 2018-11-27 The second of a two volume project delving into the doctrine of justification Michael Horton seeks not simply to recover a clear message of its role in modern Reformed theology but also to bring a fresh discovery of the gospel in a time when contemporary debates around justification have reignited The doctrine of justification stands at the center of our systematic reflection on the meaning of salvation and grace as well as our piety mission and life together And yet within mainline Protestant and evangelical theology it s often taken for granted or left to gather dust in favor of modern concerns and self renewal Volume 2 embarks on the theologically constructive task of investigating the biblical doctrine of justification in light of contemporary exegesis Taking up the topic from a variety of theological vantage points Horton engages with contemporary debates in biblical especially Pauline scholarship Part 1 draws out The Horizon of Justification from the Old Testament narratives of Adam and Israel Part 2 defines The Achievement of Justification in the blood of Christ and seeks to lay the groundwork for understanding its extent Part 3 focuses on The Gift of Righteousness delving into a clear articulation of what justification means its mechanism and the role of works on the day of judgement Part 4 proposes a way forward for Receiving Justification and understanding faith and justification within the broader framework of union with Christ Engaging and thorough Justification shows that the doctrine of justification finds its most ecumenically significant starting point and proper habitat in unity with Christ where the greatest consensus past and present is to be found among Orthodox Roman Catholic and Protestant theologies **New Testament Apocrypha, vol. 2**

Tony Burke, 2020-07-21 A compilation of apocryphal Christian texts many translated into English for the first time with comprehensive introductions This second volume of New Testament Apocrypha continues the work of the first by making available to English readers more apocryphal texts Twenty nine texts are featured including The Adoration of the Magi and The Life of Mary Magdalene each carefully introduced copiously annotated and translated into English by eminent scholars These fascinating texts provide insights into the beliefs expressions and practices of a range of Christian communities from the early centuries through late antiquity and into the medieval period **A History of Biblical Interpretation, Vol. 2**

Alan J. Hauser, Duane F. Watson, 2009-11-10 History of Biblical Interpretation provides detailed and extensive studies of the interpretation of the Scriptures by Jewish and Christian writers throughout the ages Written by internationally renowned scholars this multivolume work comprehensively treats the many different methods of interpretation the many important interpreters from various eras and the many key issues that have surfaced repeatedly over the long course of biblical interpretation This second installment contains essays by fifteen noted scholars discussing major methods movements and interpreters in the Jewish and Christian communities from the beginning of the Middle Ages until the end of the sixteenth century Reformation The authors examine such themes as the variety of interpretive developments within Judaism during this period the monumental work of Rashi and his followers the achievements of the Carolingian era and the later scholastic

developments within the universities beginning in the twelfth century      The Formation of the Biblical Canon: Volume 2 Lee Martin McDonald, 2017-01-26 Lee Martin McDonald provides a magisterial overview of the development of the biblical canon the emergence of the list of individual texts that constitutes the Christian bible In these two volumes in sum more than double the length of his previous works McDonald presents his most in depth overview to date McDonald shows students and researchers how the list of texts that constitute the bible was once far more fluid than it is today and guides readers through the minefield of different texts different versions and the different lists of texts considered canonical that abounded in antiquity Questions of the origin and transmission of texts are introduced as well as consideration of innovations in the presentation of texts collections of documents archaeological finds and Church councils In the first volume McDonald reexamines issues of canon formation once considered settled and sets the range of texts that make up the Hebrew Bible or Old Testament in their broader context Each individual text is discussed as are the cultural political and historical situations surrounding them This second volume considers the New Testament and the range of so called apocryphal gospels that were written in early centuries and used by many Christian groups before the canon was closed Also included are comprehensive appendices which show various canon lists for both Old and New Testaments and for the bible as a whole      **Commentary on the Apocalypse, 2 Volumes** Moses Stuart, 2001-06-11      **Orthodoxy & Western Culture** Jaroslav Pelikan, 2005 Jaroslav Pelikan the foremost church historian of the twentieth century is honored by this collection of essays written by his colleagues and former students in honor of his 80th birthday celebration Pelikan himself contributed an autobiographical sketch and the final lecture      *Forbidden Texts on the Western Frontier: The Christian Apocrypha in North American Perspectives* Tony Burke, 2015-07-27 North American study of the Christian Apocrypha is known principally for its interest in using noncanonical texts to reconstruct the life and teachings of Jesus and for its support of Walter Bauer's theory on the development of early Christianity The papers in this volume presented in September 2013 at York University in Toronto challenge that simplistic assessment by demonstrating that U S and Canadian scholarship on the Christian Apocrypha is rich and diverse The topics covered in the papers include new developments in the study of canon formation the interplay of Christian Apocrypha and texts from the Nag Hammadi library digital humanities resources for reconstructing apocryphal texts and the value of studying late antique apocrypha Among the highlights of the collection are papers from a panel by three celebrated New Testament scholars reassessing the significance of the Christian Apocrypha for the study of the historical Jesus *Forbidden Texts on the Western Frontier* demonstrates the depth and breadth of Christian Apocrypha studies in North America and offers a glimpse at the achievements that lie ahead in the field      **Sacred Origins of Profound Things** Charles Panati, 1996-12-01 In this enlightening and entertaining work Charles Panati explores the origins of hundreds of religious rituals customs and practices in many faiths the reasons for religious holidays and sacred symbols and the meanings of vestments sacraments devotions and prayers Its many revelations include Why the Star of David became the

Jewish counterpart of the Christian cross What mortal remains of the Buddha are venerated today How the diamond engagement ring became a standard That the first pope was a happily married man How Hindu thinkers arrived at their concept of reincarnation Why Jews don't eat pork why some Muslims don't eat certain vegetables and how some Christians came to observe meatless Fridays Sacred Origins of Profound Things is an indispensable resource for all those interested in the history of religion and the history of ideas and an inspiring guide to those seeking to understand their faith *Sacra Scriptura* James H. Charlesworth, Lee Martin McDonald, 2014-04-24 Many of the writings deemed apocryphal and pseudepigraphical were in circulation in the early centuries of Judaism and Christianity Their influences and impacts on the development of early communities and the development of Jewish and Christian thoughts have not yet been sufficiently examined While this judgment is especially true for the so called Christian Apocrypha it also applies for other writings that were not included in the Jewish and Christian Bibles and nor in other sacred collections of Scripture like Rabbinics and Patristics Most of these ancient writings functioned to some degree as sacred texts or scripture *sacra scriptura* in the communities in which they were produced and in others to which they circulated This volume focuses on how some of these forgotten voices were heard within numerous early religious communities helping to remove the distressing silence in many areas of the ancient world

**Rights and Subjectivity** Roberto Buonomano, 2009-05-27 Over the course of the last century human rights have served as the pre eminent currency of neo liberal discourses and correspondingly informed the construction of the individual as a legal and political subject This has been the case notwithstanding that the fundamental paradox of individual rights as universal and inalienable attributes of human being that depend integrally upon the political and legal frameworks of the nation state for their recognition perpetually reveals the contingency and frailty of modern human rights whether in terms of their conceptualisation application or enforcement The pervasiveness of this form of subjectivity and its influence upon both national constitutions and the emergence of international legal institutions suggests the need to investigate not merely the more conventional histories of human rights as a product of post Enlightenment liberal theory and the international legal order of sovereign states but also the pre historical formation of the individual as an inherent bearer of rights In order to chart a genealogical history of the relationship between rights and subjectivity this study brings together an analysis of key doctrines and concepts such as sovereignty jurisdiction democracy natural rights and freedom and an examination of certain historical narratives the theological political model of sovereignty during the Middle Ages the development of feudal rights as dominial and individual liberties the role of the text and the concepts of public law and property in Medieval Roman and Canonical jurisprudence and the theological and humanistic philosophical discourses on natural law and personal liberty

Eadie,1862     The Encyclopedia Britannica ,1910     *The Holy Bible* ,1818     *An Introduction to the Critical Study and Knowledge of the Holy Scriptures* Thomas Hartwell Horne,1851     New Testament Apocrypha, vol. 1 Tony Burke,Brent Landau,2016-12-02

Compilation of little known and never before published apocryphal Christian texts in English translation This anthology of ancient nonbiblical Christian literature presents informed introductions to and readable translations of a wide range of little known apocryphal texts most of which have never before been translated into any modern language An introduction to the volume as a whole addresses the most significant features of the writings included and contextualizes them within the contemporary study of the Christian Apocrypha The body of the book comprises thirty texts that have been carefully introduced copiously annotated and translated into English by eminent scholars With dates of composition ranging from the second century CE to early in the second millennium these fascinating texts provide a more complete picture of Christian thought and expression than canonical texts alone can offer     *Ancient Jewish and Christian Scriptures* John J. Collins,Craig A. Evans, Lee Martin McDonald,2020-08-25

*Ancient Jewish and Christian Scriptures* examines the writings included in and excluded from the Jewish and Christian canons of Scripture and explores the social settings in which some of this literature was viewed as authoritative and some was viewed either as uninspired or as heretical John J Collins Craig A Evans and Lee Martin McDonald examine how those noncanonical writings demonstrate the historical literary and religious aspects of the culture that gave rise to the writings They also show how literature excluded from the Jewish and Christian canons of Scripture remains valuable today for understanding the questions and conflicts that early Jewish and Christian faith communities faced Through this discussion contemporary readers acquire a broader understanding of biblical Scripture and of Jewish and Christian faith inspired by Scripture
